PRAYER AND REFLECTIONS

A word from Sr. Phyllis:

From the beginning of September until the Feast of St. Francis, (Patron of Ecology) October 4, 2021 we celebrate the **Season of Creation** and we reflect:

In the settlers mind, land was property, real estate, capital or natural resources. But to our early ancestors, it was everything; identity, the connection to our ancestors, the home of our nonhuman kinfolk, our pharmacy, our library, the source of all that sustained us. Our lands were where our responsibility to the world was enacted, sacred ground. It belonged to itself; it was a gift, not a commodity, so it could never be bought or sold. These are the meanings people took with them when they were forced from their ancient homelands to new places.

What choices do you make every day that protects our land, that cares for our common home... for all of creation?

Pray every day to end abortion, euthanasia
the death penalty.
