STEWARDSHIP ... A WAY OF LIFE

“See what love the Father has given us, that we should be called children of God; and so we are.”

1 JOHN 3:1

During this season of giving, let us remember a beautiful gift that we have received – being children of God! As God’s children, it’s in our DNA that we share and express our love for others as well. Tell your spouse, children, other family members and friends that you love them, every day! Also, pray for those people that are different than you, those that you may not like or those that go out of their way to annoy you. Your prayers may be the start of a new friendship.

EVERYDAY STEWARDSHIP—All in the Family

At first glance, we can often find the image of the Blessed Mother, St. Joseph and the Christ Child intimidating — who are we to aspire to that level of discipleship? How could we ever hope to conform ourselves to that mold? Sometimes, it can even be painful — perhaps we hail from a broken family or struggle with a broken relationship within our family, or perhaps we long to be a mother or a father ourselves and that state in life has eluded us.

But the image of the Holy Family is, in reality, a beautiful invitation to us all, no matter our vocation or our state in life, and the example of Mary, Joseph and Jesus is rich with the symbolism of stewardship.

You need not be a biological mother who has carried a child in her womb to be a mother in spirit. Who in your world needs you to love them with the heart of a mother?

The same goes for fatherhood. The Church and the world are crying out for the courageous witness of Christian men like St. Joseph. Who can you love with the steadfast, selfless protection of a father?

Who in your life needs you to love them with the faithful, unconditional love of a son? Who needs your gentle and constant love as a daughter?

We are the Body of Christ, friends. Those of us rejoicing in heaven, those of us suffering in purgatory, and those of us struggling here on earth. We are the great family. Let us love each other well.

— Tracy Earl Welliver, MTS
