Faith Formation

Our Call to Discipleship

We often talk about adult faith formation. We all seem to know that our youth faith formation teaches our children about our faith and helps them experience what it means to be catholic and a follower of Jesus. It also prepares them for the sacraments. As Catholics, most of us went through this as children. But what is adult faith formation and why is it so important? We never stop growing and changing and as adults we need to continue nurturing our relationship with God. There is so much to learn and reflect on that we could never understand as children. Our relationship with God continues to change just as our human relationships do.

We are called to be disciples. We were called at baptism but must continue to develop and nurture our understanding and love for God. Faith formation seeks to help each adult believer become more willing and able to be a Christian disciple in the world. Ask yourself, one question right now: "What is my relationship with Jesus?" Jesus is calling each of us to Himself and to live as His disciples. This Lent we have several small groups meeting to reflect on this holy season and share part of their Lenten journey. Soon our parish will be implementing our Parish Mission Plan. Our team will be working with the Planning Committee and Councils to help implement this plan which will call all of us to be missionary disciples.

Our Adult Faith Formation is a way to explore, nurture and grow in that relationship. Our team works with our parish, the Diocese and other catholic websites to offer various speakers and programs. We are looking for a few new members who can provide input, help us plan various offerings and continue to strengthen their own faith. As we journey through these last days of Lent to Easter Sunday pray to the Holy Spirit to guide your journey. If you would like to learn more about our Adult Faith Formation Team please email or call Sharon Brabson at brabsonsharon@gmail.com or (920) 495-5314.

Christian Service & Responsibility

Creation is a gift, it is the marvelous gift that God has given us, so that we will take care of it and harness it for the benefit of all, always with great respect and gratitude. -from Caring for Creation

CAN YOU HELP? Habitat for Humanity will be building a home near Baileys Harbor on Logerquist Rd, hoping to break ground by mid-April and continuing well into the fall. The completed shawls receive a final blessing before being distributed (at no cost) to anyone who has a need. Contact chairperson Dixie Van Vorous at (920) 421-4277 if you know of someone who would benefit from a prayer shawl.

WHERE DO YOUR DONATIONS GO? \$500 given to Lakeshore CAP in Sturgeon Bay enabled them to continue their work of promoting self-sufficiency and well-being through various programs including home buyer assistance, emergency rental and food assistance, parenting classes, food pantry, juvenile restitution, job training and internships. For more information on any of these programs go to www.lakeshorecap.org or phone (920) 743-0192.

We will also be having a Bake Sale to help with expenses of our HCE projects. Come and see what we can do for you and buy some delicious baked goods.

THE NEXT BOOK FOR THE STELLA MARIS BOOK CLUB will be "The Robe" by Lloyd C Douglas. The discussion will be on Monday, **April 11th** at 10:00 am at our Sister Bay site. A perfect beginning to Holy week. "The Robe" is about Marcellus, a Roman soldier who help crucify Jesus and ends up winning Jesus's robe

through gambling. Through Marcellus' eyes and his gradual growth we experience the effect of Christ's crucifixion on the people of that time and on each of us. This book brings us to the heart of our Christianity. All are welcome. If you have any questions, please call Jerry or Jean at (920) 854-4660.

RESPECT LIFE—"Virgin of Guadalupe, Patroness of unborn children, we implore your intercession for every child at risk of abortion. Guide our public officials to defend each and every human life through just laws. Inspire us all to bring our faith into public life, to speak for those who have no voice. We ask this in the name of your Son, Jesus Christ, who is Love and Mercy itself. Amen."—A Prayer to Our Lady of Guadalupe—USCCB Secretariat of Pro-Life Activities

Worship Column

5th Sunday of Lent

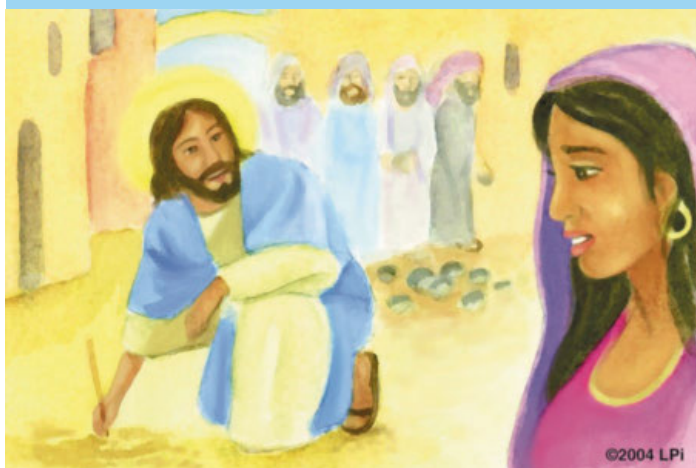

We love to make examples out of those who have erred and done wrong. Publicly punishing others serves as a means of demonstrating the consequences for what is deemed inappropriate or wrongful behavior. While this may appear an effective way of achieving conformity to established rules, it runs the real risk of distorting motivation. Obviously, we want people to do what is right and pursue healthy, virtuous behaviors and ideals. But is fear of punishment ever the best motivation for avoiding one action in favor of another?

Doing something out of fear is never healthy. Focusing exclusively on our behavior and what others expect or think, leads to living life with a self-focused superficiality. We become more concerned about protecting ourselves from something negative and unpleasant, than investing ourselves in the freedom, wonder and awe of being human! We can still find our way to the unacceptable or inappropriate behavior as long as we do not get caught! Being a whole, focused and God-centered human being requires more. It demands an investment of the heart. Virtuous, moral and mature lifestyles reflective of the Gospel necessitate love.

When we experience and recognize love, God's unconditional love, in the depth of our soul, we fall in love with what we have found. We then find ourselves leaving destructive and sinful actions behind in search of something more holy, dignified, true, integral and loving. This is really "mercy realized." God's tremendous, loving, eternal forgiveness and willingness to bring us back to something more real and tender is transformational. The respect for myself that I receive from God is so life changing that it causes me to run quickly away from anything sinful and self-destructive to things that are whole and holy.

There are many people who want nothing more than to judge or criticize us. What would actually stoning the woman caught in adultery really accomplish? Nothing more than the inflation of the already self-righteous egos of a few men who think they have power. They have no power because they are sinners too, just like everyone else. What all of us have is the humble ability to express sorrow for pursuing destructive thoughts and actions and receive the power of God's mercy. Then, Jesus' request to "go and sin no more" will be one we proudly heed and follow.
