## **AFTER ROE WE MUST DOUBLE-DOWN ON CHARITY**

On June 24 the U.S. Supreme Court released their decision in the Dobbs vs. Jackson case. It is amazing that the Court finally overturned the terrible Roe vs. Wade (1973) and Casey vs. Planned Parenthood decisions (1992). In the Roe vs Wade decision the Supreme Court argued that the U.S. Constitution included an implicit individual “right to privacy” that also encompassed a right to have an abortion. Later Supreme Court justices (including the late Ruth Bader Ginsberg) questioned the legal reasoning behind Roe.

Contrary to what some people think, the ruling in the Dobbs case did not make abortion illegal in the U.S. It merely stated that there is no federal constitutional protection to abortion and that, therefore, the legality of abortion would have to be settled by state legislatures. At the state level people can debate, lobby, and vote.

What will change for us here in Illinois? Not a lot at the present. Illinois will remain one of the most aggressively pro-abortion states in the Union. Governor Pritzker has already said that Illinois will remain a “safe haven” for “women’s reproductive rights.” Imagine using that term “safe haven” in connection to abortion! Abortion is a deadly assault on what should be the safest place for the unborn—their mother’s womb. If anything, the leaders and legislators in Illinois will try to make it easier to attract women from other states to come to Illinois to have an abortion.

How should our local Church respond? On an individual level, we need to learn how to lovingly engage people in debate on the right to life for the unborn. In the months ahead I will be sharing some educational resources that can help with this.

We need to continue to lobby for life here in Illinois. I know that it seems like a steep hill to climb, but we just learned how 49 years of prayer and determination can achieve the seemingly impossible.

We also need to increase our outreach to women in need. We will continue to support local crisis pregnancy centers such as TLC Pregnancy Services in Elgin, Corbella Clinic in South Elgin, and Waterleaf Women’s Center (right next to the Planned Parenthood abortuary in Aurora).

The U.S. Conference of Catholic Bishops have launched the website Walking with Moms in Need ([www.walkingwithmoms.com](http://www.walkingwithmoms.com)). I would love to have a volunteer who could work in conjunction with our wonderful St. Mary Respect Life Ministry to promote the resources found on this site. (Please check out this site and contact me if you are interested).

Another interesting resource is [www.standingwithyou.org](http://www.standingwithyou.org).

In the early days of the ancient Church, Christians were known for their extreme charity. When pagans in the Roman Empire would sometimes abandon their babies to death through exposure, Christians would pick up the abandoned babies and raise them as their own. The Catholic Church now has the duty to continue to reach out in love to women and men in crisis pregnancy situations. We must love both the unborn child and the woman. Once again, we must be defined by our charity.

# DIOCESAN APPEAL 2022

Dear Friends in Christ,

We're just beginning the annual Diocesan Stewardship Appeal. We need everyone's participation to reach our goal! This once-a-year appeal goes to support our diocesan ministries such as Seminarian Education, College Campus Ministry, Youth and Young Adult Office, Family Life Office, Catholic Charities and many other important diocesan programs. Let's all participate to the best of our ability and we should be able to make our goal. May the Lord's blessings be upon our ministry here at the parish and also upon our Diocesan Church. For those who may have been away last weekend, we do have pledge envelopes in the Gathering Area in the back of church.

Thank you!

## 2023 MASS BOOK IS OPEN

The 2023 Mass Book is now open. We ask that you make a list of your intentions and requested dates and times, place them in an envelope marked "Masses" and drop them in the collection basket, or drop them off at the parish office, or mail them, along with a \$10 stipend per Mass to the Parish Office at St. Mary Church, 10307 Dundee Road, Huntley, IL 60142. Include your name and phone number and we will call you with the finalized date(s). The usual stipend is \$10.00 for each Mass. No phone or email intentions will be accepted. Please note that **we cannot promise to have the Mass date and time you are requesting**, but we will do our best to schedule a Mass as close as possible to the requested date. Because of the large number of Mass requests and the fact that we have more than 6,000 registered families here at St. Mary's, **we will be scheduling multiple intentions at the 8:00 AM Saturday morning Masses and the 12:00 Noon Sunday Masses. All families will be limited to 4 Masses said here at the parish for 2023; one of those Masses can be on a Saturday evening or on a Sunday, or Holy Day of Obligation; the remaining three Masses will be scheduled on weekdays. All additional Mass requests will be sent to retired priests in the diocese**, so the Masses will still be celebrated, but we will not know when or which priest is celebrating the Mass. If you have any questions, please contact Maria in the parish office at (847) 669-3137, x100 or Maddox@StMaryHuntley.org

## MONTH THREE— DEVELOPING BABY/ SPIRITUAL ADOPTION PROGRAM

Your baby is quite active in the womb now—although his/her mother won't feel him/her for another couple of months. If his/her mother's womb had a window, you could watch your spiritually adopted baby squint, swallow and move his/her tongue. He/she can make a tight fist if you touch his/her palm. He/she is breathing fluid which he/she continues until birth. He/she obtains the oxygen his/her body needs through the umbilical cord. The baby you are praying for weighs one ounce.

**Question:**  
Please explain “third orders.” Are there any near our area and with which

**religious orders are they affiliated?** -Anonymous

**Answer:** Third Orders are a way that lay people can be affiliated with a religious order in order to receive formation in a particular form of spirituality and share in the charism of the order.

From the earliest days of monastic life, lay men and women would often attend Mass or the Divine Office at the nearby monastery. Though these lay men and women were not called to become monks or nuns, they did feel a call to participate in the spiritual life of the monastery in a way that was keeping with their vocation of marriage, family, and work in the world.

Here is another example from history. In the 13th century St. Francis started his “First Order” of men called the Order of Friars Minor (or, as they are also known, the “Franciscans”). They followed Jesus in a life of radical poverty and evangelization. With St. Clare St. Francis soon created a “second order” for consecrated nuns. Today these nuns are called “Poor Clares.” Both of these orders are examples of consecrated life (men or women living the vows of poverty, celibate chastity, and obedience in community). Finally, a “third order” of lay (not consecrated) or “secular” Franciscans were created. This

was for lay men and women who wanted to adapt the Franciscan spirituality and way of life to their daily lives in the world (prayer, living simply, etc).

Many religious orders today have third orders or secular affiliations: Franciscans, Dominicans, Carmelites, Opus Dei. They may be called different things (“tertiaries”, Benedictines have “oblates”) but it is basically the same thing. Usually a person must go through some time of formation before entering a third order. While they do not take the main vows of poverty, chastity, and obedience that consecrated men and women do, they do take some formal vows to the community and follow an adapted “rule of life.” Joining a Third Order can be a great way to grow in a focused school of spirituality while also benefitting from a strong community.

Here are some Third Orders that are located in the Rockford Diocese:

- Benedictine Oblates connected to Marmion Abbey in North Aurora
- St. Joseph Lay Carmelite Community (out of St. Rita in Rockford)
- Secular Discalced Carmelites
- St. Francis Fraternity Secular Franciscan Order (contact is in Batavia).
- Mother Cabrini Regional Fraternity of the Secular Franciscans (Elgin)
- St. Peter Martyr Chapter of the Lay Dominicans (contact is in Rockton).

For more information on how to contact any of these organizations you can call the Rockford Diocese or check out the “Pastoral Services” section of the Diocese’s website.

## THE HOLY FACE OF JESUS DEVOTION

Tuesday, July 5th, 6:00 PM

Jesus promised, among many other blessings, that honoring His Holy Face through this devotion offers:

- The **Conversion** of many sinners and mercy granted to their souls disfigured by sin, and,
- **Reparation** for outrages against the Majesty of God – Communism, Atheism, cursing, desecration of Sundays and Holy Days and other grave insults.

The Holy Face devotion began when Jesus revealed Himself to Sister Mary of St. Peter, a French Carmelite, in 1845. In one of His many revelations to her, He said this of His Holy Face:

**“Offer It unceasingly to My Father for the salvation of your country.”**

Our own image of the Holy Face, which will be on display, has been pressed to the traveling relic of the Holy Face of Jesus, a relic verified by the Vatican as having been touched to Veronica’s Veil, the True Wood of the Cross, and the spear that pierced Christ’s side.

This was a favorite devotion of St. Theresa, the Little Flower. She said that the suffering, wounded Face of her dear Jesus was the foundation of all her piety.

Mental Health  
FIRST AID  
from NATIONAL COUNCIL FOR  
MENTAL WELLBEING

How much do you know about Mental Health?

Do you have the knowledge and skills to:

- ★ Identify signs and symptoms of mental illness (anxiety, psychosis, depression)?
- ★ Recognize the need for, and engage in, a variety of self-care activities to minimize the effect of mental health challenges (Early, Worsening, and Crisis stages)?
- ★ Assist someone having a panic attack or someone talking about suicide?
- ★ Connect yourself or someone you care about (or any person) to an anonymous mental health screening tool, services, or resources?

We are offering National certification in Mental Health First Aid skills (a 3-year certification). This course increases mental health literacy while building confidence and strength in your ability to care for your mental wellbeing. Choose to be empowered with mental health education and help reduce the stigma of mental illness.

Bring your own lunch—coffee and water will be provided. The cost is \$49.00 per person which includes a 231 page manual. **Registration is required. Space is limited to 35 people. Please contact Mary Lou Manion, Director of Pastoral Care, at [mmanion@stmaryhuntley.org](mailto:mmanion@stmaryhuntley.org) or (847) 669-3137, x 117 to register.**
