FROM FATHER XAVIER

Dear Friends,

I wish you a Happy July 4th. I would prefer to say Happy Freedom Day. We appreciate and thank all the forefathers who shed their blood to make this happen. Let us pray for unity and safety of the nation. This year being on a Sunday, the parade starts at 11am in Waupaca. The Knights of Columbus are doing their annual chicken barbeque dinner. I appreciate their work and dedication and all the volunteers who help them during this event.

As we get little freedom from Covid, let us pray to God that we are safe and protected from all evils.

During summer, let us enjoy the nature and beauty of our own places.

God bless you all!

WORKING WITH THE SCRIPTURES

July 4, 2021 (*Mark 6:1-6*)
Vinal Van Benthem ofs

This year the 14th Sunday in Ordinary Time falls on the 4th of July weekend. Like Veterans' Day and Memorial Day, Independence Day reminds us of the cost of freedom – a cost often paid in human lives. While most celebrations were cancelled last year due to COVID, this weekend 4th of July parades around the country will again feature military vehicles and high school marching bands while fireworks displays will light the sky in a way not unlike the "...rockets red glare..."

When we turn on the evening news, however, we will see another kind of marching. Service men and women, many not much older than those high school students in the marching bands on TV, serving in the military. And as we watch we will continue to be struck by their youth. Young people who would look more natural boasting I-Pods than rifles, young parents leaving diaper bags behind in favor of a duffel, some not even old enough to vote on issues here at home going off to settle the world's problems on foreign soil. Aren't these the same kids that were playing high school football last season? Don't their brothers and sisters live right down the street from us? How can they possibly be old enough to go off to war?

"A prophet is not without honor except in his native place and among his own kin...". These young people are good at their job. Their officers have mentored them well. But seeing them on the news it can be hard to believe that they're ready for such a heady responsibility. "Where did this man get all this?" we might ask when we see the young man who used to deliver our newspaper now waving from the front page of that same paper. And we are reminded that these young servicemen and women willingly put their lives on the line so that we might enjoy the freedom to ask the question. Do we value their gifts and talents? Do we appreciate what they are giving up so that those of us left standing on the sidewalk can freely celebrate another 4th of July?

LIVE THE LITURGY

Inspiration for the week

God never ceases to proclaim His Word. His life-giving presence continues to sustain all things and keep them in being regardless of whether there is the faith to receive or perceive Him. Our personal agendas, preconceived ideas, misconceptions, and expectations can often cause us to be so hard of heart and obstinate that we fail to see what God is trying to do. While God remains ever present, faith is necessary for God's power to bear fruit. As we celebrate our country's independence, let us not forget the difference between liberties and freedom. While the liberties we have are most welcome treasures, only freedom from what blinds, deceives, and weighs us down can bring happiness. God is all about healing, transformation, and hope. In order for God to do what God does best, we have to invite Him in and see Him for who he is. Otherwise, God's will for humanity will be something at which we simply take offense, a common reaction when something challenges or unsettles us.

The "Facing it Together" Cancer Support Group is meeting again!

We gather the third Friday from 1:00pm-2:00pm at Trinity Lutheran Church, 206 Badger St., Waupaca.

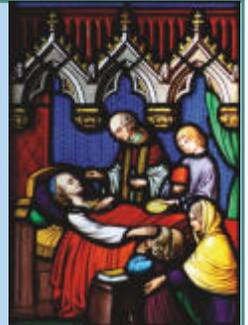

All are welcome, whether you have had cancer, are currently on your journey through cancer or support someone going through cancer.

If you have questions, call Linda at 715-256-0496.

Question: If it isn't only for people who are dying, when should someone receive the Sacrament of Anointing of the Sick?

Answer: One of the unfortunate realities in the Church today is that so few people understand the meaning and value of the Sacrament of the Anointing of the Sick, largely because so many people still mistakenly think of this sacrament as "Last Rites" or "Extreme Unction."

In his life and ministry, Jesus healed the sick. In this sacrament, the Church continues the healing mission of Jesus and, in hope, prays that God will grant healing to the person who is suffering. But even if there is no physical healing, the sacrament offers spiritual healing through the Holy Spirit's gifts of peace and courage. And so, anyone who is living with serious illness (including emotional or psychological illness) and the elderly are encouraged to celebrate this sacrament when it is needed.

The ritual for Anointing of the Sick does also include special prayers and blessings for those who are facing death, including viaticum (communion given to the dying, trusting that the Lord Jesus will be their companion along the way, as they make their final journey).
