## FROM FATHER XAVIER

Dear Friends,

We have a week until our festival. It is a time of joy to be together as a family, let us celebrate together! This will bring together our families and visitors to have fun and rejoice. I personally invite all of you to come and join in with us. I really appreciate all the volunteers for their time and talents and for their effort to bring the festival together. It has been more than five months for meetings and preparation. I really love their commitment and they would love to have more cooperation from all of us if we can volunteer our time.

Let us make our parish family as one. I appeal to each one of you to bring your friends and families in the community.

A word of personal invitation will have much more meaning to someone than all the advertisements. I always appreciate your cooperation and support to me and to the parish.

God bless you all!

## WORKING WITH THE SCRIPTURES

August 1, 2021 (*Exodus 16:2-4, 12-15*)

**Vinal Van Benthem ofs**

We were having lunch at a local fast food restaurant. Pat was speaking. "When I looked at my 401K and realized how much money I'd lost I was angry." When he retired from his previous job several years ago Pat was making more than enough money but he wanted to work in an area that focused more on benefiting society than on increasing the company's bottom line. Now he works with the elderly, creating programs to help senior citizens find appropriate medical care, housing, and other necessary assistance. Pat's wife teaches school. When he changed careers Pat knew he would be taking a drastic cut in pay but he had made some good investments along the way and he and his wife were counting on that to carry them through their retirement years. Unfortunately, the recent economic downturn had taken a huge chunk out of his savings and, like so many others, Pat and his wife had lost several thousand dollars.

"What is *enough*?" According to one old saying, "*Enough* is just a little bit more than I have." The quote is attributed to the Dutch – but it could just as well have been said by Israelites. In Exodus 6:19-20 (which we do not have in today's reading) Moses tells the people that they are not to keep any of the manna over for another day (they have been instructed by God to gather the manna each morning and they will have *enough*). "But they would not listen to him. When some kept a part of it over...it became wormy and rotten." In other words, having a "*little bit more*" spoiled the lot.

Pat continued his story but after ranting and raving for a while he gradually found himself calming down and becoming less angry. True, his 401K had taken a beating, but he and his wife still have a roof over their heads and plenty to eat. In other words, they have *enough*.

It is said that anything we have that is more than we need is stolen from the poor. What do we really need? In these uncertain days, what is *enough*?

## LIVE THE LITURGY

### Inspiration for the week

When we lose our ability to trust, we become afraid. When we are afraid, we may begin to grumble and question whether where we are is where we need to be. For us who have faith, we even question whether God is who God says He is. Trust is so important to our success on our journey. Often, the road of our lives can become a bit treacherous. We may find ourselves feeling more unsettled than comfortable and less fulfilled than we would like to be. As much as we try, the pieces of our puzzle don't quite fit together as they ought. We wonder if we will ever experience happiness again. Then, something reminds us that God is very much present in this mess we call life. God is still bringing hope out of despair and life out of death. After all, God is the true bread that comes down from heaven to give life. All that is necessary is for us to trust in this truth, even when we may be lacking in some of life's essentials. The God who gives life is the same God who sustains it. He is also the same God who assures us that we will not perish.

“Each year on Holy Saturday during the Easter Vigil, thousands are baptized into the Catholic Church in the United States. We welcome all to join us in His Holy Church, the living Body of Jesus Christ.

Whether you're a baptized Catholic, but have not been Confirmed or you're coming from a different faith tradition and

interested in becoming Catholic, The Rite of Christian Initiation of Adults (RCIA) is the wonderful program that guides you through the process.

This group of fellow Christians usually meets weekly from mid-September through May and are welcomed into faith with the Sacraments of Initiation on Holy Saturday during the Easter Vigil. However, there are different paths depending on where you are at with your faith journey and what sacraments you might have already received. Deadline to register for this year is FRIDAY, AUGUST 20<sup>th</sup>, 2021. Classes will be held Monday evenings at 6PM, with once a month in person classes and weekly virtual classes. For more information please contact our Evangelization & Outreach Coordinator, Ashley Ellis.

## Time to Come Back To Mass!

On the weekend of August 15, the Feast of the Assumption of Mary, Bishop Ricken will be lifting the dispensation to attend the Sunday Mass.

What is a dispensation? Who has it applied to? Does this mean that if I care for someone who is sick or cannot go to Mass because of my own illness I am now obliged to go to Mass on Sunday?

Please read Bishop's column in the July 16 edition of The Compass and watch an accompanying video in which Bishop talks about the lifting of the dispensation and how it applies to you.

You can find the column and video at this link: [www.gbdioc.org/backtoMass](http://www.gbdioc.org/backtoMass).
