Providence

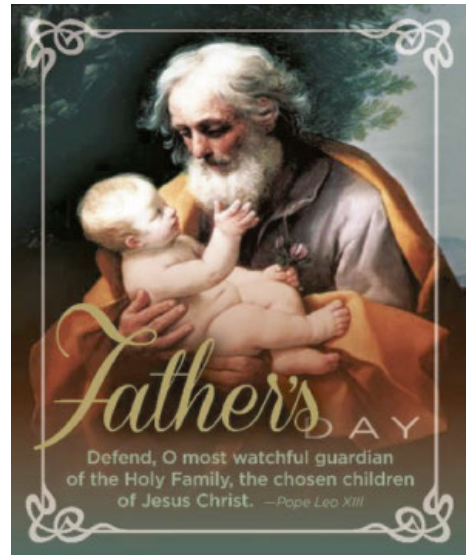

We honor our fathers today as we observe Fathers' Day. A Father provides for, protects, and nurtures his family and household. Our Heavenly Father nurtures us by sending us His Holy Spirit and His Divine Son. Furthermore, the Son, through the power of the Holy Spirit and the Church gives us the gift of the Eucharist, His Most Holy Body and Blood.

Thank you, Saint Nicholas and Saint Edward, for providing me a gracious and enjoyable farewell.

Peace,

Father Walter

Welcome!

Wow! What an amazing night at Freedom Country Fest! We set a new record with approximately 3,400 people in attendance at the concert this year! This is over 1,000 more than last year! We couldn't have made this possible without the countless hours of support from the St. Nicholas Family! From the set-up to the clean-up and all the people that worked the night of the concert, you made this possible! We also appreciate the volunteers that stayed over their assigned shift and the folks that jumped in to fill the gaps when it got so busy!

We are immensely grateful to our sponsors who so generously support Freedom Country Fest (see the bulletin insert list of sponsors). We need several weeks to let all the invoices arrive and get paid before we can share our profit, so stay tuned later this summer for the big reveal! Mark your calendars for June 9, 2023 for next year's Freedom Country Fest! Once again, thank you from the entire Freedom Country Fest Committee!

Sacred Vessels

Have you ever paid attention to the purification of the sacred vessels after Holy Communion? If you haven't, I highly recommend doing so this Sunday. See the care with which the priest handles the chalice and the paten, pouring water into them to cleanse any loose particles of the Body and Blood of Christ. Observe the loving reverence he uses in wiping them dry with a special purificator. It's a ritual unto itself, and a powerful moment for reflection.

These vessels begin as earthly objects. They are made by human hands. There is nothing special about them — not until they go about the work for which they have been created. Until they contain the Body and Blood of Christ, they are only ordinary objects. But after they have carried within them the Eucharist, they are never the same. They will always be special and deserving of special care.

That's why partaking of the Eucharist is, for us, an evangelical undertaking. It is both a transformation and a declaration. When we accept this tremendous gift, we are proclaiming what we believe, and we are accepting the grace to follow through on that commitment.

When we are receiving the Eucharist, it is not possible for us to be passive. We become the vessel. We carry Christ into the world with us.

But do we act like it? Do we treat ourselves — our bodies, our souls — with the same respect as the priest cleansing the chalice? Do we treat one another with the reverence we would reserve for a sacred object? When we look at another person with anger or irritation or envy, do we acknowledge the change that we have willingly undergone by receiving Christ's Body and Blood into ourselves?
