## New Evangelization Office Update

Kathy Brennan, our New Evangelization Coordinator, has resigned from her position at Saint Nicholas. We would like to send a huge "Thank You" to Kathy for her many years of guidance in her ministry with us! She has brought us new insight and ideas of which we are very thankful.

We are looking for an enthusiastic individual to head our New Evangelization program. This person will design, develop, execute, and evaluate the K-12 religious education program and assist the youth ministry program coordinator. The coordinator will practice a rich spiritual and intellectual life to strengthen and give focus to these endeavors. Additionally, he/she will assist with Baptismal preparation, adult programs, and support and help with parish events.

If you are interested in applying for this position, or know of someone who would be a good fit, please contact Nikki at 920-788-1492 or [businessmanager@stnicholasfreedom.org](mailto:businessmanager@stnicholasfreedom.org)

## Be Ready for God to “Stop By”

In my experience, most people can be divided into two groups: those who are old enough to remember when you kept food on hand for company, and those who aren't.

For those of you in the latter group, let me explain. Before text messaging and social media made us all unconditionally, mercilessly reachable, people would do this thing called “stopping by.” They would be passing by a friend's house, maybe on the way home from work or shopping, and they would just ... stop. With no warning. No notice whatsoever. “I was just in the neighborhood,” they would say. I remember my mother and I would do this on many a Saturday. It wasn't an everyday occurrence, but it was common enough that you had to be ready.

“Crazy,” you might exclaim. “People just appeared on your doorstep? How did you cope with the uncertainty?” Well, most of us had moms who kept a little something on hand to eat or drink that was extra nice, just in case anyone stopped by. That way, we were always ready.

Today's readings are about a lot of things: prayer, hope, redemptive suffering. They're about what it means to *be* a Christian, and not just what it means to do Christian things.

Most of all, though, they're about readiness. If God showed up at your door, would you be ready for Him? Would you be ready for what He gives you, or what He takes away? Would you be ready for Him to interrupt the plans you have for yourself? To disrupt the idea you carry in your mind of what a servant or a steward is supposed to be?

Read your Bible. Say your rosary. Go to Mass. Get to Confession. Talk to God — every day, not just when you think you need Him. That way, you are always ready.

## GOSPEL MEDITATION - July 17, 2022 16<sup>th</sup> Sunday in Ordinary Time

“Our families need to ask for the gift of the Spirit! Through prayer, even in the busiest times, we give time back to God, we find the peace that comes from appreciating the important things, and we encounter the joy of God's unexpected gifts. Through daily prayer may our homes become, like the house of Martha and Mary, places where Jesus always finds a warm welcome (Pope Francis).” While it is necessary to attend to the details of hospitality, learning how to be present to people, experiences, and God is sometimes more important. Creating homes that are welcoming environments requires not only organization and structure but members who truly enjoy being there and celebrating life with one another.

Details can often get the best of us. While attending to details is important to success, our obsession with them can be problematic. Whether wanting to make a good impression, fear of failure, insecurity, or emotional immaturity, throwing ourselves into the “details” of hospitality can distract us from being present to those we want to serve. Conversely, focusing exclusively on being present without any attention to detail also sets our attempts at hospitality up for disaster! We need a balance of both. But creating a truly welcoming space in our homes and within ourselves requires still more.

We have to be empty of ourselves. Becoming a welcoming, hospitable person is not possible in someone focused on their own needs and desires. If the one we serve is the one who looks back at us in the mirror, then there is no space for anyone else. While Martha and Mary had different ideas of what it means to serve, they both had the inner space and freedom to do so. They were detached from themselves. Detachment becomes the challenge to hospitality and creating a God-centered, open-hearted space in our lives. When we impulsively act out of our personal agendas, violence, abuse, pride, greed, lust, power, control, passion, and self-aggrandizement encroach upon the space needed to be present to another human being. Not only can others not find a home in us, but even God cannot find a home in us!
