

## THE EPIPHANY OF THE LORD

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. - Mt 2:10-11

December 27, 2021

Dear Parishioners of Saint Petronille,

**Thank you!**

Thank you to all those who worked so hard to make our Christmas celebrations so beautiful including all of our ministers who assisted at the altar, i.e., extraordinary ministers, lectors, servers and ushers. We were glad to experience our wonderful choir once again. Special thanks to Dr. Rasmussen, Grace Aducci, our choir and cantors. Thank you to Cathy Douglas and her team for their work decorating the church. The church is beautiful.

**Thank you!**

To all who joined the Christmas services in person and via livestream.

**Thank you!**

Thank you to all those who attended our parish town hall to discuss some proposed work to be done in the church. We appreciate your input.

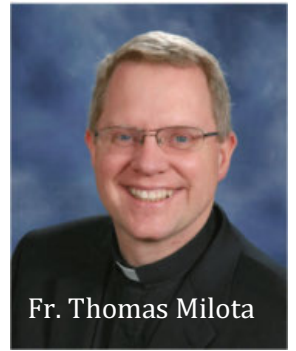

**Covid Update**

DuPage County has now exceeded the 8.1% positivity rate. We have not received any instruction to change our protocols from the Diocese or the State in this regard. We were glad to see almost all wearing masks at Christmas masses and encourage others to do the same. Fortunately, hospitalizations due to Covid in DuPage County have plummeted to a seven-day rolling average of 4 which is 1/3 the number from just a week ago. 76.73% of all residents aged 18 and up in DuPage County have been vaccinated as of December 26<sup>th</sup>. You can find the Covid data at <https://www.dupagehealth.org/610/DuPage-County-COVID-19-Dashboard> and the vaccination data at <https://dph.illinois.gov/covid19/vaccine/vaccine-data?county=DuPage>.

May Almighty God bless you and keep you.

Prayers. In Christ,

Fr. Thomas Milota

On Saturday, January 8, 2022, St. Petronille Choose Life! Ministry is sponsoring our fifth bus trip to the March for Life Chicago. It is an inspiring event to be a part of because of the numbers of enthusiastic pro-life people who come from all over the Mid-west, making it the largest march in the US outside of the original annual March in Washington DC, and because of the youthfulness abounding all around in the crowd. The number of very animated teens and young adults attending the march is a very real sign of hope that the culture of death in our country may be on the wane.

Another sign of hope is happening through our country’s legislative community. While Catholics have faithfully acknowledged the objective reality and undeniable humanity of the child in the womb, the humanity of a child is increasingly being recognized, through advances in science, as being present from the moment of conception and current debate regarding of the governments interest in the protection of the life of a child is hovering around the fifteen-week mark, seven to nine weeks earlier than the current viability marker recognized by twenty states. The chipping away of “law” at the state level has further forced the discussion out into the open whereby individuals must decide where they stand on recognizing the intrinsic human dignity of the child in the fetal stage of development. The imagined middle ground (sometimes falsely clung to by Catholics) is disappearing.

Marching never mattered more for the pro-life movement. In the past twenty months we have witnessed many people in our country marching and protesting, asking for an increase in social justice for those who have suffered societal harm, physical and social abuse, or the denial of rights. On January 8th the March for Life Chicago will march on the Magnificent Mile to give a voice to the 63 million children lost to our nation through the diabolically made-up “right to abortion” that launched the culture of death which has peddled contempt for vulnerable human life to generations of young people for the past 49 years. I will be marching to reinstate the protections formally afforded to unborn children prior to Roe and to increase protections for girls, recently denied in Illinois, against predatory men and human traffickers who hide their criminal activity with the assistance of the abortion industry.

We ask you to pray for a safe and successful march for our St. Petronille group. Please march with us in prayer. We will pray the Rosary on the bus from noon to 12:30 pm. The gift of your prayers will be your footsteps for LIFE! Be well and stay safe! If you would like to give a donation to sponsor a marcher, please send your gift to Jessica at the parish office and make a note it is to sponsor a seat on the bus. Thank you!

Peace and Joy to All, Happy New Year!

# CHRISTIAN SERVICE

Merry Christmas from Christian Services!!

When I was a kid, I was given the nickname “Christmas queen” by my family because I LOVE Christmas! I always have loved this time of year. In my family, I am the oldest of 7 children, my dad was a dairy farmer while we were growing up, and at Christmas my family was always on the Giving Tree for our parish to purchase gifts for. It was always exciting on the day of delivery to see friends from our parish show up with gifts and food to help support our family during the Christmas holiday; usually we were gifted winter wear and groceries, both necessities for a big family. I know my parents appreciated the help. Fast forward 45 years and my mom said to me this weekend “you, the Christmas queen quite literally get to be Mrs. Claus at Christmas, how incredible is that”. Full circle, or maybe God just puts us where He needs us to be at any given time. Having had that experience of being a family on the receiving end of others generosity growing up leaves a lasting impression. So when I say thank you, it’s with a heart that knows how difficult this time of year can be for some families. Here is my thanks to all of you....

Thank you to CCW for all their hard work with Adopt a Family and thank you to all the volunteers who helped make sure our families also received stockings this Christmas! Thank you to Miss Morrissy and Mrs. Atkinson’s 4<sup>th</sup> graders for the beautiful cards given to all of our families as well.

Thank you to everyone who donated a Christmas tree, lights, and ornaments for PADS families. There are 48 families and 98 children staying with PADS this Christmas and because of your love, all these families will receive a tree and an additional decoration to adorn their room and each child will receive a stocking. Thanks also to my Santa delivery drivers, yours is a special delivery for sure!

Thank you to the St Petronille School (K, 1<sup>st</sup>, 2<sup>nd</sup>) students of Mrs. Trunk, Mrs. Collander, Mrs. Hahne, Mrs. Nilson, Mrs. Baumert, and Mrs. Homeier’s classes for their Advent Good Deeds project!! These students did good deeds this Advent season in return for \$5 to raise money for the children of PADS. Their good works and kind acts raised nearly \$900!!! Goes to show even our smallest children who have hearts for service can make an impactful difference in the lives of those in need around them. I could not be prouder of these students, their big hearts, and humble service for others. PADS shared with them a video message of thanks and information about what it means to be a child who is homeless, and I am sure it will only serve to inspire more good works from these amazing kiddos.

Thank you to the Christmas angels who have come out in droves this Advent season. When families have walked in looking for emergency help, these Christmas angels just seem to show up and make sure that we can help these families the best we can. Your big hearts inspire me to want to work harder and do more.

Lastly thank you to Nell Bochenek! If you know Nell, you know that no one has a bigger heart. The last week of school my family was vanquished with the stomach flu and Nell stepped in and helped to make sure that everyone who needed to get their Adopt a Family gift was able to pick it up. She organized the gifts so that the parish staff could easily identify the bags for each family. Nell is always at the ready and is always lending a hand. If you see Nell, please give her a hug and tell her Thank You!!

**Mila and I want to wish you and your family a very Merry and Blessed Christmas!!**

**Thank you all again!**

### NEW YEAR PRAYER:

Thank You Lord for giving me  
The brand new year ahead.  
Help me live the way I should  
As each new day I tread.  
Give me gentle wisdom  
That I might help a friend,  
Give me strength and courage  
So a shoulder I might lend.  
The year ahead is empty,  
Help me fill it with good things  
Each new day filled with joy  
And happiness it brings.  
Amen.

On behalf of CCW and all of the recipients from this year's Adopt A Family program, we would like to extend a heartfelt thank you for your generosity and outpouring of love for your neighbors in need!

We are so grateful to all of you who have shown the true spirit of Christmas and brightened the holidays for so many people! Our St. Petronille parishioners, school classes, and the Glen Ellyn community were very generous in their support of families and individuals in our program this year. With your help, we were able to provide:

† Presents and gift cards, as well as gas cards and grocery gift cards to **130 families this year (about 600 people)** from Our Lady of Mount Carmel Parish in Joliet, Jubilee Village in Carol Stream, District 41 School, Glen Ellyn Junior Woman's Club, and St. Petronille Parish-affiliated families

- † Over 100 toys and gifts to Outreach Community Center's Christmas Store in Carol Stream
- † 150 gift cards to Catholic Charities of Joliet Diocese and Teen Parent Connection in Glen Ellyn to support the families in their holiday giving programs
- † Financial donations to support programs at Serenity House in Addison, Our Lady of Angels Mission in Chicago, and Philip J. Rock Center and School in Glen Ellyn

Overall, we were able to bring holiday joy to about **800 people** this year!

Please take a moment to read the attached thank you note that we have already received from one of this year's recipient. As you can see, your generosity truly gives hope and joy to families during these uncertain and difficult times. Please keep our partner organizations and those they serve in your prayers throughout the coming year.

May you and your family experience God's peace and joy this holiday season. We wish you a very happy and healthy year in 2022!

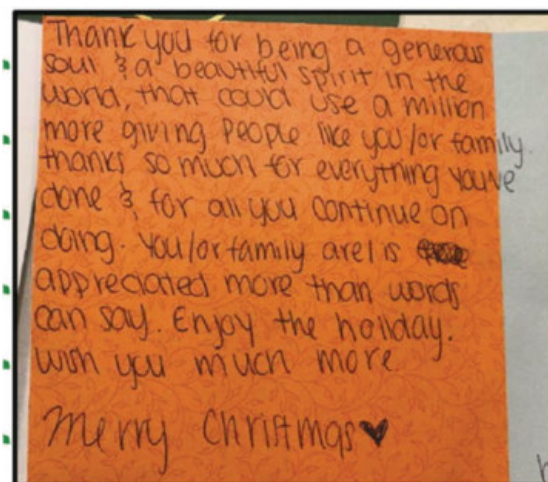

Merry Christmas,

Nell Bochenek & Jen Gilhuly
