# IN OUR CATHOLIC COMMUNITY

## Focus of this weekend's celebration

The wine of "the wedding of the Lamb" is the mystical image for the entire paschal feast of the Lord, the feast of the new and eternal covenant-making in the loving blood of the Lamb. It is this mystery of word and wine, this paschal celebration, which we celebrate at every Sunday Eucharist. *We are now the wedding guests waiting to be filled with the sacramental wine.*

## January Explanation Station from St. John Adult Faith Formation

**The Fathers of the Church** — If you aren't familiar with the early Church Fathers, you may want to do some research on their inspiring lives. The Church Fathers were influential theologians, bishops or scholars whose writings explained key Scriptural principles in the early Church. They were not all ordained, and not all of them became saints. But they had powerful communication skills, personal holiness and doctrinal orthodoxy, so we honor them unofficially as "fathers" for their proximity to the Apostles, their explanations of how to understand and apply Scripture, and their ability to teach the Catholic faith.

Studying the early Church Fathers has deepened the faith lives of many, even to the point of convincing non-Catholics to become Catholic.
