TOGETHER WE LOVE, SERVE AND SHARE OUR FAITH

JUNE 16, 2024

Focus of this Weekend's Celebration

Jesus often uses farming metaphors in his parables. The imagery is strong: *seeds are mysterious little things*. They are often small and easy to overlook; if we didn't know what they were, we'd assume they were of little value. They blossom forth with life, providing food and shade and homes for wildlife. Those who grow plants from seed can only do so much. They can provide the right conditions with water and light. But in the end the growth is not up to them. In much the same way, God calls us to partnership. *We have a role to play in bringing about God's kingdom. But in the end it's not really up to us; it is God who does the work.*

VOLUNTEER SPOTLIGHT

I love how welcoming both St. John Parish and St. John School are. It's heartwarming to be able to walk through the doors and to feel like you belong. I help out through SJ's Home and School, and this year is my first year as lead volunteer for Hot Dog Days! I love being able to see my kids and all the other students at lunch time and to help the school by planning, ordering and serving their hot dog lunches once a month. I've also been attending Tuesday morning Bible studies, and it feels good to be able to carve out extra time each week to grow in my faith and closer to Jesus. I also love the connection with the other women/wives/moms, and I always leave with my "cup full". I enjoy spending time with my husband, Ben, and our children. We spend a lot of our summer time at our family cottage on Legend Lake, I enjoy photography, and you can often find me doing a puzzle on our dining room table.

To learn how you may volunteer at St. John Nepomucene, please visit: stjn.org/give/volunteer/. Thank you!
