MAY YOU
TRUST GOD
THAT YOU
ARE EXACTLY
WHERE YOU
ARE MEANT
TO BE.
—ST. THERESE
OF LISIEUX
There are some exciting changes coming to St. Paul this Summer! New Air Conditioning is being installed in the church, and we’re going to have additional parking across the street on Sundays! MANY thanks to IU for allowing us to share their parking lot!

Next on the list...THE KITCHEN! We will begin renovating the kitchen over the summer! That horrid old stove will finally go!

The old stove has been a cantankerous hunk of metal with a capricious capacity to disregard the requested temperature. Sure, you can SET it for 350°, and it will oblige by heating anywhere from 200° to 500°, depending on its mood.

Our kitchen renovation—funded by your generous donations to our Capital Campaign, will allow us to prepare a variety of meals quickly and efficiently for our student and resident parishioners.

Be sure to check on our progress over the summer. Good things are cookin’ at St. Paul!

SAV E LIVES ON THE SIDEWALK!

With roughly 3,000 abortions occurring everyday in the U.S. and an average of 20 unborn children killed each week in Bloomington, you may have wondered what you can do to stop the violence.

If you are ready to put your love for God and neighbor into action, then becoming a Sidewalk Advocate for Life may be your calling. Sidewalk Advocates reach out to women going into the Bloomington Planned Parenthood offering them help and hope. Advocates are the hands and feet of Christ, letting the women know that life-affirming alternatives are available, and that they are not alone.

A training session will be held on Saturday, June 15, at St. John the Apostle Catholic Church in Ellettsville, from 10:00 a.m. until 3:00 p.m. A light meal and all training material will be provided free of charge. If you’re ready to help end abortion by being the voice of love to those in need, then contact Monica Siefker at 812-330-1535 or monica.siefker@gmail.com.
