June 2 & 9, 2019

Dear Friends,

Sadly, I must report to you today that my term as Pastor of St. Paul Catholic Center will end on June 30th. I’ve been assigned to St. Paul for nearly seven-and-a-half years! I believe the time has come to turn the leadership of the Parish over to others – hopefully younger, more energetic, others!

To help in this transition, I will stay in Bloomington through the end of July. In August, I start a sabbatical program, part of which will be in Rome, in preparation for a new assignment to begin in November.

It is always hard to say, “goodbye!” I will miss Bloomington and our little faith community. But looking back over these years, I think we have accomplished quite a lot together. Our ministry to college students, our faith formation programs, our attention to the sick, hospitalized and homebound, our service programs, our many small-faith groups, our Sunday worship (particularly our choir), our attention to the New Evangelization and the growing success of our RCIA program, all these are stronger than at any time in our history. There is, and continues to be, a great welcoming spirit among our parishioners. The Faith is strong at St. Paul. What accomplishments all of us can see these last seven-and-a-half years are powerful proof of the Holy Spirit at work in our midst.

Also, we have done much to renovate and beautify our building to make it better suited to meet the needs of parishioners and visitors today and into the future. The Capital Campaign has nearly reached its goal. Some of the renovation is already underway. I believe the Holy Spirit is at work here too.

I am so very grateful to all of you who have partnered with me in making our vision of Church a reality. Of course, there is more to do but I am confident, with your help, that what was begun these last few years will be brought to a successful completion. You need only Faith in God and determination to stay the course.

I want to remember and thank all those who so warmly welcomed me to Bloomington back in 2011. Thank you for the encouragement and support through the years. Your wisdom has informed my thinking, strengthened my resolve, inspired and strengthened my Faith! You have become true friends and you will always be in my thoughts and prayers!

As far as the immediate future is concerned, I can report to you today that Father Patrick Hyde, OP, our current Associate Pastor and Campus Minister, has been appointed Parochial Administrator beginning July 1st until such time as a new Pastor is appointed. Father Patrick will be assisted by Father Dennis Woerter, OP and Father Reginald Wolford, OP. I know you will give this new pastoral team the same support and encouragement you have so generously given me. And as we go our separate ways, let us continue to pray for one another.

With great affection and confidence in God’s blessing on each of you, I remain,

Fr. John

Campus Ministry Overview

Part I: The Students We Serve

Over the past three years, the number of students actively engaged in our ministry has increased dramatically. This is the first in a four part series to help resident parishioners understand the student parishioners, how we go about our mission of evangelizing and building up disciples among them, and our success stories.

This week, I am sharing our general understanding of who our student parishioners are and where they are in their faith journeys. It is deliberately simple so as to provide a clear starting point for the creation and execution of our vision and a basis for how we allocate resources — both of which will be covered in detail in coming weeks.

I welcome your questions, comments, and prayers. ~Fr. Patrick

Who are Hoosier Catholics?

Unengaged

The unengaged are the largest group of Hoosier Catholics, comprising around 80% of the Catholics on campus. Simply put, they are not very interested in being an active member of the Catholic Church. They come to Mass sporadically, if at all. Faith and good works remain, for many, an important part of their lives, but its not really connected to their being Catholic. Their primary point of contact to St. Paul’s are friends who are engaged or committed.

Curious

The curious are interested in taking the next step in their Catholic faith (or joining the Church), but they are unsure how to take such a step or if they are ready to take it. They have big and difficult questions to ask and are starting to find answers in the Catholic Church. They may join a service group on their own but they need to be asked to attend Mass, a retreat or a small group. They have started to build Catholic relationships with the engaged and committed. They comprise about 10% of Hoosier Catholics.

Engaged

The engaged intentionally practice their Catholic faith. They take the initiative to attend Mass, a weekly small group, or a retreat. They still have unanswered questions but they have found a home in the Church and are starting to put their faith into action in every aspect of their lives. Daily prayer, regular Confession, regular service and a few intentional Catholic friendships are hallmarks of this group. They comprise about 7% of Hoosier Catholics.

Committed

The committed define their lives through their identity in Christ and their Catholic faith. They pray daily, lead small groups, staff retreats, come to daily Mass, go to Eucharistic Adoration. They have a heart for service and evangelization and a desire to accompany others in their faith journeys. They comprise about 3% of Hoosier Catholics.

SAVE LIVES ON THE SIDEWALK!

With roughly 3,000 abortions occurring everyday in the U.S. and an average of 20 unborn children killed each week in Bloomington, you may have wondered what you can do to stop the violence.

If you are ready to put your love for God and neighbor into action, then becoming a Sidewalk Advocate for Life may be your calling. Sidewalk Advocates reach out to women going into the Bloomington Planned Parenthood offering them help and hope. Advocates are the hands and feet of Christ, letting the women know that life-affirming alternatives are available, and that they are not alone.

A training session will be held on Saturday, June 15, at St. John the Apostle Catholic Church in Ellettsville, from 10:00 a.m. until 3:00 p.m. A light meal and all training material will be provided free of charge. If you’re ready to help end abortion by being the voice of love to those in need, then contact Monica Siefker at 812-330-1535 or monica.siefker@gmail.com.
