“It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants and puts forth large branches, so that the birds of the sky can dwell in its shade.” (Mk 4:31-32)

Dalton Beaudette and Molly Loukus received their First Holy Communion and Ryan Lindley graduated from the Horizons Alternative High School.

Congratulations Dalton and Molly! Ryan, best of luck in whatever your future may hold! Your parish wishes you much success. May God continue to keep all of you close!

THANK YOU
for your generosity

First Reading:

The prophet Ezekiel's image of God growing Israel into a mighty majestic cedar tree bearing fruit, with birds nesting in its branches was intended to be words of comfort for the exiled Israelites in Babylon. How do you find God's comfort in times of distress?

Second Reading:

Paul encourages the believers in Corinth to be courageous in knowing one day all will appear before "the judgment seat of Christ." How confident are you in reflecting on judgment day?

Gospel Question:

Mark tells us that Jesus often spoke in parables to the crowds about the kingdom of God. Today's parables speak to the often unseen and subtle growth of the kingdom of God in our midst. How might you better observe the kingdom of God at work in your life?

LIVE THE LITURGY INSPIRATION FOR THE WEEK

Jesus compares the Kingdom of God to a mustard seed, the tiniest of seeds. When planted, the tiny mustard seed grows into a tremendous tree with large branches. So too in each of our lives small things can have profound effects. God can use one of our more insignificant gestures to radically change another person's life. It may be the kindness of a smile, our willingness to accommodate someone, listening to someone's story, helping someone who is hurting, standing up for someone who is right or complimenting someone on something they did. We all have God given gifts and talents. What are some of yours? Our task is to use our talents creatively, consistently, lovingly, and generously. Because we are always guided by the Holy Spirit, things that may be insignificant or unnoticed to us can profoundly change the life of someone else. While we may think we are small and insignificant, God can make us large and magnificent. All we have to do is open ourselves to being used. We trust that God will take care of the rest.

"Our consciences must be formed according to the Gospel and according to the teachings of the Church. We must listen to that, and then our works will become good, and they will bring light."

JUNE 14
FLAG DAY
— ★ ★ ★ —

On June 14, 1777, the Second Continental Congress took a break from writing the Articles of Confederation and passed a resolution stating that “the flag of the United States be 13 stripes, alternate red and white,” and that “the union be 13 stars, white in a blue field, representing a new constellation.”
Over 100 years later, in 1916, President Woodrow Wilson marked the anniversary of that decree by officially establishing June 14 as Flag Day.
