*The Most Holy Body and Blood of Christ*

### **The Most Holy Body and Blood of Christ**

As our world faces so much turmoil and change, it is now more important than ever to remember who God is, who we are and where we are going. It is easy to get distracted and lose focus, especially when we are being pulled in so many directions. We can not only lose sight of God but one another. Maintaining our well developed and mature relationships with God and one another is essential to continuing to live, healthy, happy, and focused lives. In a message to young people, Pope Benedict XVI said, "the happiness you are seeking, the happiness you have a right to enjoy has a name and a face: it is Jesus of Nazareth, hidden in the Eucharist." What is true for those who are younger is even truer for those who are older. Regardless of how the particulars of life change over time, human beings are still hard-wired to seek the fullness of life and happiness. How we embark on this journey and what we choose along the way will indicate whether we meet success.

There is so much brokenness and pain in our world. Many people are lost, feeling lonely, anxious, marginalized, victimized, isolated, oppressed, and abused. Every time we receive the Body of Christ, we have an opportunity to become what we eat. The power and presence of Christ in the Eucharist becomes present in us and effects change in ourselves and in the lives of those we meet. We are given the grace to become temples of justice and peace, carrying God's sacred Presence within us wherever we go. Our faith community is ignited with the fire of God's love and stands out as a beacon of hope in a world that is lost. This is the only way we can discover peace-filled resolutions to violence and create innovative solutions to what is fueling its need in the first place. True happiness, for the young and old alike, becomes an obtainable goal.

St. John Maria Vianney says it so well. "There is nothing so great as the Eucharist. If God had something more precious, he would have given it to us." Only the Eucharist has the ability to connect, sustain, strengthen, and properly orient us, not only on the road of this life but the road to life eternal. Knowing this, when life gets challenging, unsettling, and difficult, we can rely on and cling to this gift we have in the Real Presence of Christ. This actual encounter with God celebrates God's unconditional love for us and grounds us to the truth of who we are in a way nothing else is able to do. Because through the Eucharist we really do become the Body of Christ, we are also bonded together in a most perfect way to one another as that Body. Nourished, united, and strengthened by the Eucharist, let us individually and collectively, bring this wonderful gift to all we meet, especially the poor with whom we have a special connection.

### Greetings from the Pastor

People often think that being generous means sharing our material wealth with others. That is a very narrow understanding of the term. The biggest problem, in my understanding, the Church in the US is facing today is not financial, not even the dwindling of vocations to priesthood and religious life. People still are generous in supporting the real needs of their respective parishes and the causes the Church is standing for. Though we are running low on vocation to priesthood, we are good for the time being. For example, we had six candidates for ordination to priesthood this year for the Archdiocese of St. Louis. I think the Lord provides both wealth and vocations according to the needs of our time. What then is our present crisis?

The real danger the Church is facing today is the APATHY of the vast majority of the practicing Catholic population. I am not worried about the so-called fallen away Catholics, although the Church in general spends much time and efforts talking about chocking out ways and means to bring back this group (82%). But I seriously worry about the vast majority that attends Sunday Mass because it is an ‘obligation’. Unwillingness to be part of anything else that would strengthen the life of the Catholic community in a parish setting, other than Sunday Mass, I think, is the major reason for the Church in the US to be anemic. Apathy is a grave problem that the Church is facing today. I wish we would overcome this lack of zeal.

So today, generosity is not about money, but TIME. If all practicing Catholics could be a little bit more generous with their time for the affairs of the Lord, the Church in the US would be many times stronger. Many parishes become pale and colorless because of the lack of attendance, sometimes even for parish dinner. I wish we found reasons to be present than excuses to be absent. Broaden the meaning of generosity. Generosity in giving of our time to be with others, to get things done, to make things happen around our parishes; generosity in loving others, in smiling, and in getting to know a new family each Sunday; generosity in using your voice at Mass in signing and praying loud; generosity in forgiving others their failures... Tithing means, one tenth of everything. If God has given us 168 hours a week, what would be one tenth of that? The mother Church would be very grateful if her children could increase their ‘time share’.

With love,

Fr. Mathew

Fr. Mathew is wanting to begin a ministry focused on the young people in our parish who are in high school. Believe it or not there are close to 150 young people of high school age registered with their families in Sacred Heart!

One of the 1<sup>st</sup> parts of forming this ministry is to gather a group of adults to become part of a “core team” who will help lead our young people in their faith journey.

You are encouraged to pray about this and let Father Mathew know of your interest.

## CELEBRATE MASS WITH ARCHBISHOP ROZANSKI

Archbishop Rozanski will be here to celebrate the solemnity of The Most Sacred Heart of Jesus. He will preside at the 5:00pm mass on Saturday, June 12.

### Glennon Sunday-Special Collection Where Faith and Healing Unite

When SSM Health Cardinal Glennon Children's Hospital opened its doors as the nation's first free-standing Catholic pediatric hospital, a promise was made to the community that any child in need of care would be welcomed, whether their parents could afford to pay for care or not. That promise still holds true today.

St. Louis has a long tradition of responding generously in times of crisis, coming together in solidarity to give hope to those in need. SSM Health Cardinal Glennon is a proud part of that tradition, and we need you now more than ever.

In this extraordinary time of crisis, our costs to deliver care are extraordinary as well. Now is the time for our dear friends in the faith community to come together and partner with us as we uphold a commitment to our mission of faith-filled health care services, delivered by some of the region's best caregivers: *Through our exceptional health care services, we reveal the healing presence of God.*

Please join Sacred Heart Parish by making a gift during Glennon Sunday this weekend, **June 5-6**, online on our website ([www.sacredheartcrystalcity-festus.weconnect.com](http://www.sacredheartcrystalcity-festus.weconnect.com)) or you may give at Mass with your special collection envelope. Together we will continue to make miracles possible bringing God's love and joy into the lives of our young patients.

### June 6, 2021 Feast of Corpus Christi

*"Then he took a cup, gave thanks, and gave it to them and they all drank from it." - MARK 14:23*

Jesus, the perfect steward, gave thanks, just before He gave Himself up for us, completely for our salvation. He offers us the same chance to drink from His cup. In the bread and wine, we meet Christ personally. If we follow Him, drinking from His cup means our own self-sacrifice, using all of our gifts for the benefit of others and to do His work on earth.

### Dynamic Catholic, Alive! – The Most Holy Body and Blood of Christ (Corpus Christi)- The Blessed Sacrament

The Solemnity of Corpus Christi is celebrated on the first Sunday after the Solemnity of the Most Holy Trinity. This feast began with St. Juliana, a young Belgian nun in the thirteenth century, who received in prayer an inspiration for a feast that would celebrate and promote the gift of the Real Presence of Christ in the Holy Eucharist. This feast would eventually spread throughout the province, continent, and world. Corpus Christi and its accompanying procession with the Blessed Sacrament, celebrating the sacrament and signifying God's presence in our world and in our lives and reminding us of our common pilgrimage to Heaven, is a prayerful and edifying act of the entire Church. As a general rule, devotions are not mentioned in the Code of Canon Law. However, because of the importance of this devotion in the life of the Church, canon 944 mentions it: "When it can be done in the judgment of the diocesan bishop, as a public witness of the veneration toward the Most Holy Eucharist, a procession is to be conducted through the public streets, especially on the solemnity of the Body and Blood of Christ." On this feast we can express our gratitude for the opportunity to receive our Lord every Sunday in the Eucharist, to adore Him in prayer, and to show Him to the rest of the world in the streets of our archdiocese.

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

**We Can Prepare the Upper Room**

We all know that person, don’t we? Hey, maybe we’ve even been that person.

“I have a great relationship with God, but I don’t go to church regularly. God and I are on good terms. I can talk to Him just fine on my own.”

There isn’t anything false in these statements. It’s important to have an intimate, even conversational prayer relationship with God. But the problem with this attitude is that it implies that churches don’t matter. Community worship doesn’t matter. Today, we are reminded exactly why that is so untrue. Why we need our parishes, our priests, and each other.

The Body and Blood of Christ — that’s what it’s all about. If it’s not about that, it’s not about anything. If we don’t have the Eucharist, we’re just like the ancient priests, making sacrifices that don’t have the power to redeem anybody.

Where do we receive the Body and Blood of Christ? For most of us, it’s in our parishes. The altar of sacrifice is also the table we gather in front of, as a family, to become one with Christ in the truest and realest way possible, recreating the scene in the Upper Room over and over again every time Mass is celebrated.

The disciples were commissioned by Christ to prepare the Upper Room for the Last Supper. How can we take up that work ourselves? How can we strengthen the bonds in our spiritual family? How can we serve our parish, always remembering that the table is not meant to be set only for two?

— Tracy Earl Welliver, MTS
