## Creed Nicene Creed

I believe in one God, the Father almighty, maker of heaven and earth, of all things visible and invisible.

I believe in one Lord Jesus Christ, the Only Begotten Son of God, born of the Father before all ages. God from God, Light from Light, true God from true God, begotten, not made, consubstantial with the Father; through him all things were made.

For us men and for our salvation he came down from heaven, (*all bow*) and by the Holy Spirit was incarnate of the Virgin Mary, and became man.

For our sake he was crucified under Pontius Pilate, he suffered death and was buried, and rose again on the third day in accordance with the Scriptures.

He ascended into heaven and is seated at the right hand of the Father. He will come again in glory to judge the living and the dead and his kingdom will have no end.

I believe in the Holy Spirit, the Lord, the giver of life, who proceeds from the Father and the Son, who with the Father and the Son is adored and glorified, who has spoken through the prophets.

I believe in one, holy, catholic and apostolic Church. I confess one Baptism for the forgiveness of sins and I look forward to the resurrection of the dead and the life of the world to come. Amen.

# CATHOLIC SCHOOLS WEEK 2022

Mrs. Ellen Knippel, Principal

## Called to be One in Mission: Live. Seek. Commit. Serve.

Catholic Schools Week kicks off on Sunday, January 30<sup>th</sup> with 9:00am Mass and our school Open House from 10:00am - 1:00pm (Come and tour St. Anthony on the Lake School with your children or grandchildren. Registration is now open for the 2022-23 school year). Catholic Schools Week is a time to celebrate who we are as Catholic Schools. The special activities for the week will center around this year's theme: Called to be One in Mission.

Once again, our school year has looked a bit different! We have had to make constant changes and adjustments in day to day activities to help keep our students safe. Our students have been extremely respectful of classmates that have chosen to wear masks. Parents have had to adapt to changes in protocols. Our teachers have adjusted their lessons to meet the needs of quarantined students and virtual instruction. Through it all we have been able to continue in-person instruction and we have been fortunate to have minimal cases of COVID in our school. I appreciate the care and concern our families have shown one another.

Here we will be – once again – celebrating our great school! We have an amazing Student Council that have come up with some great ideas! We will have an all-school scavenger hunt, relating to our theme, ending with Eucharistic Adoration. There will be a weeklong collection of hats and socks for the homeless and soup for the Pewaukee Food Pantry (goal of 500 cans). Finally, we will have an all-school Liturgy and a daily classroom dance party to get everyone in the Spirit each morning!

On behalf of the Staff, Faculty and Students of St. Anthony on the Lake School I thank you for your prayerful and monetary support of our great school. I have been very proud to serve as Principal for the past 8 years. We look forward to the future with great hope and expectation.

Blessings,

*Ellen Knippel*

# OUR SCHOOL

---

## St. Anthony on the Lake Resource Team

St. Anthony on the Lake School is committed to helping all students learn and grow based on their unique and individual academic needs. In addition to the caring teachers and aides within the classroom, our Resource Team helps hone in on students' specific needs. Jennifer Guthrie provides individual and small group instruction to promote letter/sound recognition and writing to K4-K5 students; phonics, decoding, and fluency skills to enhance our K5-3<sup>rd</sup> grade students' reading abilities; and comprehension skill and strategy instruction to 4<sup>th</sup>-8<sup>th</sup> grade students to help them better understand and respond to what they read. Brenda Schleifer supports the 1<sup>st</sup> and 2<sup>nd</sup> grade classrooms by providing additional small group, large group, and/or individual instruction across all subject areas. Brenda also co-teaches middle school Writing Lab. Diane Tylinski, our middle school math teacher, also provides mathematic support and enrichment opportunities to upper elementary students.

In addition to academic skill support, our Resource Team works to support our students with special needs. Once a student is diagnosed with a special need (ADHD, Dyslexia, Executive Function Disorder, etc.), our team can create an Educational Action Plan (EAP) that specifies the accommodations and modifications necessary to promote academic success. If you are ever in a position where you're concerned that "something else" may be going on with your child, our Resource Team is here to assist and support you. You can reach out to us directly or inform your classroom teacher. We understand the sensitivity related to such and will uphold your wishes every step of the way.
