Meditations for Those Grieving a Loss ...

He who has gone, so we but cherish his memory, abides with us, more potent, nay, more present than the living man. ~ *Antoine de Saint-Exupéry* ~

Each of us is here to discover our true Self... essentially we are spiritual beings who have taken manifestation in physical form... we're not human beings that have occasional spiritual experiences ... we're spiritual beings that have occasional human experiences. ~ *Deepak Chopra* ~

Death is one of two things... Either it is annihilation, and the dead have no consciousness of anything; or, as we are told, it is really a change: a migration of the soul from one place to another. ~ *Socrates* ~

Death is nothing else but going home to God, the bond of love will be unbroken for all eternity. ~ *Mother Teresa* ~

Some people are so afraid to die that they never begin to live. ~ *Henry Van Dyke* ~

When the heart weeps for what it has lost, the soul laughs for what it has found. ~ *Sufi aphorism* ~

The bitterest tears shed over graves are for words left unsaid and deeds left undone. ~ *Harriet Beecher Stowe* ~

Normally we do not like to think about death. We would rather think about life. Why reflect on death?

When you start preparing for death you soon realize that you must look into your life now.. and come to face the truth of your self. Death is like a mirror in which the true meaning of life is reflected. ~ *Sogyal Rinpoche* ~

FAITH

Do you give your whole self to God and neighbor? What makes it difficult to do so?
