## A Vote-less People is a Hopeless People

A vote-less people is a hopeless people when,  
You have people who don't understand the office  
We need to pay close attention and be cautious.

A voting people is an empowered people when,  
You want a person to help make business better.  
You tend to support the go getter.

A vote-less people is a hopeless people when,  
You have people, who don't want to do the work,  
They want to win and not be treated like dirt.

A voting people is an empowered people when,  
You have people who have experience and who are clear,  
About the seat that they are going to hold and persevere.

A vote-less people is a hopeless people when,  
you have people who don't accept you because of the color or your skin,  
This is how the wrong person get's in and win.

A voting people is an empowered people when,  
you stay focused and vote for the right person for a position.  
This will keep us on track and we will complete our mission.

A vote-less people is a hopeless people when,  
You have children like in Trayvon Martin's case,  
You have a situation that occurred with Zimmerman that is a disgrace.

A voting people is an empowered people when,  
You have people who need to listen in the meetings and vote for the right things,  
It is important for us because we have come from great kings and queens.

A vote-less people is hopeless people when,  
We don't remember why our ancestors fought for the right to vote.  
We should never forget that 15 and 19 amendment that allowed us to vote and that's no joke.

**STAND UP! LISTEN! VOTE AND BE HEARD!  
THIS WAY, OUR VISION WILL NOT BE BLURRED.**

By: Jasmine S. Thomas
