A LIGHT IN THE DARKNESS.

PSALM 112

*"You are the salt of earth But if
salt loses its taste, it is no longer good
for anything except the foot-path"*

Things we would not have if not for Black Inventors (PART 1)

1. **Automatic Gear Shift** - Richard Spikes – Driving up a steep hill got a whole lot easier in 1932, thanks to this guy.
2. **America's First Clock** - Benjamin Banneker – He was a farmer, mathematician, astronomer, land surveyor, and the subject of a Stevie Wonder song.
3. **Automatic Elevator Doors** - Alexander Miles – We've all gotten the elevator door hug and we all owe this man.
4. **Blimp - John Pickering** – His was the first blimp to have an electric motor and directional controls. Goodyear better have this man's picture in their lobby.
5. **Blood Bank** - Dr. Charles Drew – For his invention of a method of separating & storing plasma, allowing it to be dehydrated & banked for later use, Dr. Drew was the first black person awarded a doctorate at Columbia University.
6. **Clothes Dryer** - George T. Sampson – Giving laundry baskets a greater sense of purpose since 1892.
7. **Dust Pan** - Lloyd P. Ray – Mr. Ray patented the reason we have far fewer backaches.
8. **Electric Lamp** - Lewis Latimer – He also invented the carbon filament inside light bulbs.
9. **Folding Chair** - John Purdy – With a patent partner , Purdy made taking a chair with you purdy easy. Get it?
10. **Gas Heating Furnace** - Alice H. Parker – Forever changing the way we stay warm in the winter.
11. **Gas Mask** - Garret Morgan – It all started when this guy rescued trapped miners wearing a hood to protect his eyes from smoke and had tubes leading to the floor to draw clean air.
12. **Golf Tee** - Dr. George Grant – They say he was an avid golfer, but not a great one. Hopefully his patent improved his game.
13. **Home Security System** - Marie Van Brittan Brown – And television has been part of home security ever since.
14. **Ice Cream Scooper** - Alfred L. Cralle – You've been screaming, I've been screaming, we've all been screaming for this since 1897.
15. **Ironing Board** - Sarah Boone – The reason we no longer iron across a piece of wood balanced on two chairs.

PRAYER & WORSHIP

Jesus said to his disciples: "You are the salt of the earth. But if salt loses its taste, with what can it be seasoned? You are the light of the world. A city set on a mountain cannot be hidden." M: 5:13a. 14
