## THANK YOU

Our family wants to express our greatest gratitude to our prayerful community at St Nicholas for the way my mom, Judy Spencer, was made welcome for her last 4 years of her life. It was very difficult moving her here from her hometown Hart, Michigan, where she was born to be near family these last years of her life. By the end of her 4 years she was calling this place her "home" and a lot of this comfort, peace, and even joy at times had to do with the way you all embraced her and made her feel apart of it. The card ministry went above and beyond sending her uplifting cards weekly, some home made!, beautiful words and scripture passages and funny sayings and even some prayerful visits to help lift her mood. She was even given a printed out version of the prayer intentions, from the St Nick prayer line, because she said you all volunteer so much at St Nick so the only thing I can do is pray. Judy very much felt a part of this community. and said they were some of the happiest days of her life! Her funeral here at St Nick was beautiful, Father Jack's rosary, Father Shaun's homily and the music ministry was more than we could have hoped for personalizing it even with her favorite hymn. My brother and sister, both out of state, said it was the best funeral they had ever attended. This experience describes why our family chose St Nicholas 27 years ago as our home parish when we moved here. Our heartfelt gratitude is given to you all. Keep up the good work faithful servants. Your reward will be in Heaven. God Bless you!

## *From the DRE*
