RESPECT FOR LIFE

In the DVD "The Silent Scream," where an unborn child attempts to escape the abortionist's suction curette, her motions can be seen to become desperately agitated and her heart rate doubles. Her mouth opens as if to scream, but no sound can be heard. The pro-abortion movement and lobby thrives on having silent victims.

Every pro-abortion argument requires that we pretend, that we play mind games, that we forget, ignore, or deny the humanity, worth, and dignity of unborn babies. It thrives on our ability to disregard innocent victims as long as they are out of sight and voiceless.

Tell a lie often enough and people will eventually believe it. Just consider their terminology (with words such as "fetus," "pro-choice," "non-viable"), which is carefully designed to disguise the humanity of the unborn child and obscure what abortion really does.

FAMILY MOMENTS

Marriage Moments: May 31 is Memorial Day in the United States. What does it mean to remember - to remember people who have died, to remember special events in our life together, etc. Perhaps pull out some old photos to remember the story of your life together so far.

Parenting Pointers: Does your family have too many toys or too few? Most middle-class families have too many. If so, invite everyone to choose one toy to give to someone who has less. This includes parents, too, although your "toy" may be more expensive.

The Most Holy Trinity

STEWARDSHIP

"Teach them to observe all that I have commanded you. And behold, I am with you always, until the end of the age." Matthew 28:20

God is always with us, but how often are we with God? Our relationship with God is like our relationship with our children. What our children really want from us is our time. The same is true of God. In our stewardship of time, how much time do we set aside for God in prayer?

PRAYER FOR OUR VETERANS

Oh Heavenly Father, on this day of remembrance for those who have made the ultimate sacrifice for the freedoms we enjoy every day, we consider how they have followed in the footsteps of your Son, our Savior, Jesus Christ. Please hold our servicemen and women in your strong arms. Cover them with your sheltering grace and your presence as they stand in the gap for our protection.

We also remember the families of our troops. We ask for your unique blessings to fill their homes, and we pray for your peace, provision, hope, and strength to fill their lives.

May the members of our armed forces be supplied with the courage to face each day and may they trust in the Lord's mighty power to accomplish each task. Let our military brothers and sisters feel our love and support.

We ask that you would grant wisdom to the leaders of our armed forces. Guide and direct them in their decisions. May they be led by your will and your heart as they pursue our nation's freedom. We continue to pray for peace in our world. Lord, let your kingdom come on earth as it is in heaven. Amen.

## QUOTES BY C.S. LEWIS

- When the whole world is running towards a cliff, he who is running in the opposite direction appears to have lost his mind.
- You can't go back and change the beginning, but you can start where you are and change the ending.
- Life with God is not immunity from difficulties, but peace in difficulties.
- The greatest evils in the world will not be carried out by men with guns, but by men in suits sitting behind desks.
- Once people stop believing in God, the problem is not that they will believe nothing; rather, the problem is that will believe anything.
- One of the most cowardly things ordinary people do is to shut their eyes to facts.
- Don't shine so that others can see you. Shine so that through you, others can see HIM.
- Humility is not thinking less of yourself, it's thinking of yourself less.

### Congratulations to our 2021 Graduates!

Go forth in life to achieve your dreams, but don't forget the reasons and the people who make the journey worth the effort. Your parish community is proud of each one of you and your accomplishments.

May God continue to bless you on your journey.

## THIS WEEK'S QUESTION

- Q. What is the Church's teaching about what happens to us after death?**
- A.** The Church believes that a person faces the particular judgment at the time of death. God judges our souls and finds us either able to enter heaven immediately, needing to go through further purification in purgatory, or capable of hell because of our refusal to detach ourselves from sin and our unwillingness to repent.

At the end of time, there will be a general judgment, at which time our bodies will be resurrected to join our souls in our eternal life, whether that be in heaven or hell. What happens to us after death is an indication of our own personal, free choice to choose God and the path to holiness or to turn against Him.

What happens after death also indicates who our God is—a God of both justice and mercy. As Christians, we should not fear death, but rather ready ourselves for it, by growing in holiness and striving for eternal life. So live each day as if it were your first day, your last day, and your only day.
