"Jesus said to him in reply, 'What do you want me to do for you?' The blind man replied to him, 'Master, I want to see.' Jesus told him, 'Go your way, your faith has saved you.' Immediately he received his sight and followed him on the way." Mark 10:51-52

The healing and gifts we share with others are based on the healing and gifts we have first received from God. Our generosity is a response to God's generosity.

THIS WEEK'S QUESTION

Q. What's the difference between an angel and an archangel?

A. An angel is a spiritual, superior being that is commonly met in Abrahamic religions (Christianity, Judaism, and Islam) and in Zoroastrianism. They are supposed to be messengers of God, to help people in their time of need. An archangel is an angel of higher rank, as translated from the Greek. The ones whose names are mentioned in all these faiths are Gabriel, Michael, and Raphael. Their responsibilities in the Heavenly Kingdom are well defined: Archangel Michael is the guardian of faith; Archangel Gabriel is the keeper of God's mystery and the herald of the birth of Jesus; Raphael is the healer. In most works of art, Michael is shown with a sword, Gabriel holds a lily, and Raphael holds a physician's alabaster jar.

Angels are the messengers of God on Earth, while Archangels are the guardians and leaders of the Heavenly legions, along with humanity as a whole. Any angel is considered a protector, guardian, and fighter.
