Reflection from Sr. Gail:

The readings tell us how the princes of Judah, the priests and the people added infidelity upon infidelity and polluted the temple of the Lord. The great discerners always remind us to place ourselves in the scripture to find the message God has for us in modern times. So, the question for us is how are we polluting God's temple today?

The eternal question remains are we coming for God or who is preaching, or the type of singing, or out of obligation? All of the above done well can help us find God in new ways, and yet we are called to make sure if none of these are available in the form of our liking, would we stop coming to church? If the answer is yes, how is God calling you to strengthen your relationship with Him? Have can you increase finding God in the simplest ways at all times during Mass?

Developing our love relationship with God allows us to find Him in the most unlikely ways and places. Being open to this gift transforms the human into a greater sense of the divine.

Almsgiving

(Prayer, Fasting, Almsgiving) And yet, in the only place where the Bible brings all three together, the emphasis is firmly on the last: "Prayer and fasting are good, but better than either is almsgiving accompanied by righteousness ... It is better to give alms than to store up gold; for almsgiving saves one from death and expiates every sin. Those who regularly give alms shall enjoy a full life" (Tob 12:8-9).

Why is almsgiving better than prayer and fasting? Because it is prayer, and it involves fasting. Almsgiving is a form of prayer because it is "giving to God" — and not mere philanthropy. It is a form of fasting because it demands sacrificial giving — not just giving something, but giving up something, giving till it hurts.
