Liturgical Tidbits...

The Mystery of Faith!!!

The "Mystery of Faith!" You may have noticed that in the middle of the Eucharistic Prayer, immediately following the consecration, the priest proclaims, "The Mystery of Faith!" This expression might seem to some as out of place. Why does the priest make this proclamation? If one follows closely the words of consecration during the Eucharistic Prayer, it is at this point that a new presence has just come into the church. The phrase "The Mystery of Faith!" is a way of reminding everyone of the mysterious presence of Jesus in the Most Holy Eucharistic has just appeared under the veil of bread and wine. Faith is believing what God has revealed is true, yet cannot be perceived with the senses. The proclamation "The Mystery of Faith!" draws attention to this truth of faith.

Pastoral Message

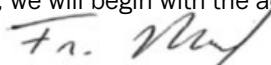

Dear Parishioners,

I will be out of town next week for two important events. The first is a short retreat at Holy Hill in Hubertus, WI. This is close to Milwaukee. I will be there with a small group of priests. A priest from another part of the country will lead us. Please prayer during this time of rest and renewal. We all need it. The reason I mention this is to encourage everyone to consider taking a retreat at some point in the year. There are many different options for length of time and according to age. Catholic Youth Expeditions has retreats for every age, especially for the youth. Cursillo is one of several smaller parish based retreats. This is for adults. The next one happens in February. A candidate **needs** a sponsor from someone who has already attended a retreat. We have a list of eager sponsors for anyone interested. There are many places outside of the diocese that also offer places to get away. It is in solitude that we can escape the demands of life and rest in the knowledge of the one thing that ultimately matters in life. It is well worth the time. Financial help is available for any of these retreats. A retreat always requires a sacrifice of time, but it has eternal value and it is amazing how everything in life falls into its proper place once the retreat is completed. What we gain far outweighs what we might fear to lose.

The second event that I be away for is the March for Life in Washington D.C. We will be traveling with a small group of high school student and chaperones. As you are probably aware, the march was cancelled last year. No doubt, the event will be smaller this year. I am proud of all the students for taking on this adventure to defend the most fundamental human right and march peacefully for those who cannot defend themselves. There are always lobbyist in Washington promoting causes for which they have personal interest. The March for Life is on behalf of someone else. Please pray for the safety of our attendees. A culture that denies life will not have it.

Finally, I wanted to give an update on our building project. We are required to send a letter of request to the diocese before we start a capital campaign. That letter was written before Christmas. After reviewing the feasibility study, the parish building committee voted a goal of 9 million dollars and hiring one of the most reputable capitol campaign companies in the United States. The company has a vast amount of experience in the Catholic Church. Although the company does require fees for its services, those fees will be covered. In other words, every dollar collected for the capital campaign will go toward the project, and NOT toward the campaign fees. We also met with our architect to scale the building down and adjust for the priorities suggested by parishioners in the electronic survey. I know that sometimes in can feel as if surveys are given only after all the decisions are made. In this case, we weighed those things heavily in our next steps. The architect will have some revisions by the end of the January. Meanwhile, we will be working with our campaign managers to help donors understand the genuine need for space we have here at St. Mary's and how important our mission for inviting souls into relationship with Jesus Christ. Once we have those things specified, we will begin with the actual campaign.

Enjoy the Winter!

Knights of Columbus

A huge "THANK YOU" to you, our St. Mary parishioners, for your continued support of the Knights of Columbus over the past year. Your prayers and financial contributions helped our council to provide meals for the homeless, donations to support the intellectually disabled and our Wisconsin Special Olympics program, gift cards for our Seminarians, contributions to St. Mary's school for Catholic Schools week and the Pro-Life March, as well as many other worthwhile and supportive causes throughout the year. Your generosity recently provided our Green Bay Diocese Seminarians over \$3,500 in various gift cards, and were received with a very heartfelt appreciation by Father Mark Mleziva who disbursed them. Our December pancake breakfast raised \$1,000 that was donated to the Produce Good Fruit organization for their selfless work to those living in Haiti. Your support yields many gifts of goodness. Thank you from your Knights of Columbus Council 16244!!

How to Go to Confession

Reconciliation may be face to face or anonymous, with a screen between you and the priest. Choose the option that is the most comfortable for you.

1. The priest gives you a blessing or greeting. He may share a brief Scripture passage.
2. Make the Sign of the Cross and say: "Bless me father, for I have sinned. My last confession was (give the number of weeks, months or years).
3. Confess all of your sins to the priest. The priest will help you to make a good confession. If you are unsure about how to confess or you feel uneasy, just ask him to help you. Answer his questions without hiding anything out of fear or shame. Place your trust in God, a merciful Father who wants to forgive you.
4. Following your confession of sins, say, "I am sorry for these and all of my sins."
5. The priest assigns you a penance and offers advice to help you be a better Catholic.
6. Say an Act of Contrition, expressing your sorrow for your sins. The priest, acting in the person of Christ, then absolves you from your sins

Act of Contrition

My God, I am sorry for my sins with all my heart. In choosing to do wrong and failing to do good, I have sinned against you whom I should love above all things. I firmly intend, with your help, to do penance, to sin no more, and to avoid whatever leads me to sin. Our Savior Jesus Christ suffered and died for us. In his name, my God, have mercy.
