RCIA

RCIA continues...The final stage of the Rite of Christian Initiation: What is Mystagogy? Those who have been initiated into the Church are those who have been most recently embraced by God's mysterious love. This stage following reception into the Catholic faith until the feast of Pentecost, the birthday of the Church, is a time for "Savoring the Mystery of God." The newly initiated will spend time doing what all baptized Christians are called to do. All of us who are baptized, whether this Easter, last year or many years ago, are called to constantly reflect on our experience of God, discern its meaning, renew our commitment to our baptismal promises, and commit ourselves to living those promises in the ordinary events of our daily life. As a "neophyte" a Greek word meaning "newly planted" our newly initiated members are a visible reminder of the great Mystery of God that we have been invited into and to whom we commit anew each Easter with a daily witness of responding in faith, service and love.

RCIA Session Mystagogy will be on **Monday, April 12 at 6:00 PM** on discerning God's direction in my life.

Welcome Visitors ... We are delighted to have you visit with us here at St. Jerome Catholic Church. We hope your visit with us has been a happy and faith-filled experience.

REFLECTION ON THE GOSPEL

2ND SUNDAY OF EASTER (DIVINE MERCY SUNDAY)

What a wonderful joy fills us today as we ponder the inexhaustible mercy of God. "Mercy is the heart of God," Pope Francis tells us. The image of a heart has been used to point to the very life source of a person as it is the organ that allows life to flow through our veins and sustain us. Mercy is the heart of God. Imagine this dynamic, powerful, compassionate, piercing, embracing, loving, propelling, penetrating, absorbing, and enveloping, transforming presence of God flowing into the very depth of our souls. It is God's mercy that allows blood to flow through our veins. It is God's mercy that forms every atom of our being and leads us to what is true. God's mercy reveals all superficiality and falsehood, and lays bare all distortions, empty promises, weakness, and sin.

"Mercy is the force that reawakens us to new life and instills in us the courage to look to the future with hope," Pope Francis continues. God's all forgiving, compassionate love is with us.

When we finally believe and accept that Christ's resurrected transfigured presence resides with us, we then find within us a strong confidence to accept life's imperfections and disappointments and move on. Every day is a new adventure in new life. God leaves the past behind and opens doors to the future. It doesn't matter how many mistakes we made yesterday. All that matters is what we do tomorrow and what we learn along the way. It is so easy to remain tethered and mired in the past, but there is no need to do so. God is all about tomorrow and the work God has yet to do in our lives.

Mercy gives birth to hope. Hope for the greatest of sinners and hope for the worst of disasters. There is nothing God cannot do and nothing God cannot fashion. After all, everything we know and treasure was once nothing, and look what God did with the nothing God had! The resurrected Christ stands before us with nail marks in his wrists and wounds on his body as a testament that not even injustice, suffering and death can trample over and destroy God's mercy. What have we to fear? Why do we keep ourselves from peace? Our lack of faith prevents us from going forward and fully receiving the holiness God desires to breathe upon us. Breathe in God's mercy, allow the wind of God's presence to kiss all of your sins and caress all of your fears. Exhale peace. ©LPi

PRAYING WITH THE DIVINE MERCY IMAGE

Almighty and Eternal Father, in your goodness, bless and sanctify this Image of The Divine Mercy, Your dearly beloved Son, which has been fashioned to reveal to us the great love of our Crucified and Risen Savior, The Divine Mercy Personified. Help us recall to our minds the streams of Blood and Water that had gushed forth from His pierced Heart to be for us a continuous fount of mercy. Grant to all who invoke Your Mercy with this Image before their eyes, the grace of true repentance, pardon and peace. Shield them from every danger to soul and body in this life.

Jesus, our loving Savior, establish in this Image the Throne of Your Mercy. Pour out upon all of us, who approach it with faith and trust, the purifying, healing and sanctifying rays of grace ever emanating from it as a blazing star. Gaze upon us as you did from the Cross with your great love and mercy so that we may be filled with your grace.

Through this Image, may Your Divine Mercy triumph over all the powers of evil. May all who venerate this Image never perish. May it be their joy in life, their hope in death, and their glory in eternity for ever and ever. This we ask through Jesus Christ Our Lord. Amen!

4 LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Alleluia! Forgiveness has risen from the grave! What a wonderful joy fills us today as we ponder the inexhaustible mercy of God. When experienced, we are moved to do all in our power to avoid sin and embrace the loving presence of our risen God. God stands ever ready to receive us and wants nothing more than for us to come home. How reluctant we are to believe this truth! We want proof, tangible evidence and absolute assurance that what we have been told is true. Jesus has risen from the dead and brings us peace. It is the gift of wholeness and holiness that is breathed upon us by God's life-giving and healing mercy. May the rays of love that flow from the heart of Christ pierce ours! ©LPi

SPIRITUAL ADOPTION PROGRAM

MONTH THREE: Developing Baby ... "I grabbed my hand!"

The baby can now squint, swallow and move his tongue. He sleeps and awakens. Fingernails and toenails form and he now has his own unique set of fingerprints. Sensitive to touch, he will tightly grasp an object placed in the palm of his hand. He breathes amniotic fluid to help develop and strengthen the respiratory system, but he gets the oxygen he needs through the umbilical cord. The baby you are praying for weighs one ounce and is about 3 inches in length.

Congratulations Judy Thomas on your spiritually adopted baby boy, **Harley**.

We extend our prayers & sympathy to **Gene Cash and Ken Cash** on the passing of their brother, **James R. Cash**, on April 4.

WHY ARE PRIESTS TRANSFERRED FROM ONE PARISH TO ANOTHER? HOW IS THAT DECIDED?

Bishops take the appointment of pastors to parishes very seriously and the decision to assign or transfer priests is one of the most important decisions bishops can make, effecting the lives of everyone in the parish community.

In 1984, the bishops of the United States implemented a six-year term limit for pastors (which can be renewed by bishop); term limits for associate pastors vary from diocese to diocese. Sometimes a particular priest is assigned to a parish or chaplaincy to respond to specific issues (such as a parish merger, a fundraising campaign, or because he has special qualifications that make him a good fit for the community). In the case of new or recently ordained priests, the vibrancy and diversity, the presence of a school, or certain social programs offer invaluable training and ongoing formation.

In making their decisions regarding the placement of priests, most bishops rely on a priest personnel committee or a council of priests. There is also a period of dialogue with the priest(s) who will be moved, sometimes even including an extended period of discernment and self-assessment, helping to be as sure as possible that the assignment of a priest to a particular community will truly benefit the people and be a healthy one for the priest himself. ©LPi
