## EPIPHANY OF THE LORD

The song "We Three Kings" details the gifts of the Magi, but do you know what you're singing? "Born a king on Bethlehem's plan, gold I bring to crown Him again." This one is the most straightforward - gold symbolizes the Kingship of Christ. "Myrrh is mine: its bitter perfume breathes a life of gathering gloom." Myrrh is an embalming spice. Already at Christ's birth, we have the symbolic reminder of his death. "Frankincense to offer have I. Incense owns a deity nigh." In many religious traditions, incense symbolizes prayers rising to heaven. In some pagan traditions, it is thought to help "call down" the deity. The gift of frankincense symbolizes Jesus' role as the Great High Priest, sanctifying the world through his sacrifice.

## SYNOD INFORMATION

St. Jerome Church will be participating in a two-part listening session as part of the diocesan synodal process! Synodality means journeying together and gathering in assembly as the People of God. Pope Francis has invited EVERYONE to participate in a dialogue with one another and with the worldwide Catholic Church. Join us! We hope you will participate in the conversation. Each individual matters and each of our experiences is valid and in need of ears to listen. Nobody is excluded - all are welcome. We are all on this journey of faith together. This is an opportunity to listen to one another in a spirit of prayer and dream about the Church we are called to be. The information gathered from the listening sessions will not only help us discern how we can move forward together as a community, but also as a diocesan and universal Church. Please join us **January 25 and February 24** (place TBD).

**Welcome Visitors ...** We are delighted to have you visit with us here at St. Jerome Catholic Church. We hope your visit with us has been a happy and faith-filled experience.

## 2 REFLECTION ON THE GOSPEL ... THE EPIPHANY OF THE LORD

In his Apostolic Exhortation, The Joy of the Gospel, Pope Francis references a thought from Pope Benedict XVI: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, "Thanks solely to this encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved. ©LPI

#### 4 LIVING THE LITURGY

Human beings easily get bored. Life's routines can become so predictable that there is often little time for excitement or freshness. Today is all about the new and the wonderful. In celebrating the beauty and simplicity of the Epiphany, we see in tangible ways God's creative, redemptive, and restorative power. This refreshment and revitalization is offered not only to a select few but to everyone throughout the world. There is nothing routine or static about God. Surprises, wonders, miracles, opportunities, healings, and joy without measure are available to those who believe. There are never any endings, just beginnings. And, when darkness, boredom, and gloom seem to be the order of the day, a bright new light now shines pointing us to truth and reminding us that we are loved. ©LPi

#### ST. ELIZABETH ANN SETON | JANUARY 4

The patron saint of Catholic schools, St. Elizabeth Ann Seton (August 28, 1774 – January 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805.

After several years struggling as a single mother, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph's Academy and Free School, which started a chain reaction of Catholic-based education in the United States that continues today.

St. Elizabeth Ann Seton was canonized September 14, 1975 in St. Peter's Square by Pope Paul VI and was the first citizen born in the United States to be given the title of "saint." ©LPi
