**GRIEF SUPPORT** is offered on the second Thursday of the month at 6:00 PM in the Seton Room.

Growing up, my mom and grandmother would always say when I was little, "you better behave, God is always watching you". I used to think back then, that's impossible! I remember hearing my mom and dad saying, "he knows how many hairs you have on your head". I remember being in such awe of anyone knowing that! How many grains of sand on the beach? wow! this God is a genius I would say! When I got older, I remember hearing the choir sing "**All The Ends of The Earth**" and quickly became one of my favorites. We hear time and time again that Jesus speaks to ALL people and ALL nations. He sees everything from under heaven and across the furthest seas. Jesus knows who we are before we are born. Jesus knows everything before it even happens! He truly made "the ends of the earth". We are called to love our neighbors, all of God's people, from one end of the earth to the other. As I reflect on this psalm, our neighbors are every age group, every economic status, every race, every religion (including Pagan), every gender, a plethora of nationalities and ethnic groups, and languages. God calls us to love everyone and this great psalm tells us that!. All the Ends of the Earth have seen the power of God. He has done great things for us all!
