Dear Parish Families,

The contracted work on the interior of the church at St. Peter is now completed with the exception of a few touch ups here and there. The exterior of the church should be completed in the coming weeks. Our focus now is on our upcoming Labor Day picnic. Signs are available in the back of church for you to pick up and display around the community.

St. Michael church is now completely finished with the exception of some statues and paintings that are scheduled to return around the end of July. Next Saturday, June 19, at the 4:00 p.m. Mass Archbishop Charles Thompson will bless our renovated space. This will be his first visit to our parish and it is coinciding with our scaled down parish festival. Please join us for Mass and a drive-thru or carry-out chicken dinner. On June 21 I will be mailing out a letter detailing all that we have accomplished over the past year.

A reminder that the obligation to attend weekend Mass is now back in effect. The expectation is that all the faithful who are able to should be fulfilling their Sunday obligation.

God bless you, Fr. Vince

Prayer of the week: May you walk with God this summer in whatever you do, wherever you go. Walking with God means...walking with honesty and with courage, walking with love and respect and concern for the feelings of others. May you talk to God this summer and every day and in every situation. Talking with God means...praying words of praise for the beauty of creation saying prayers of thanks for friends and good times, asking God's help in all your decisions expressing sorrow when you have failed. May you talk with God everyday. Amen.

MYSTERY ISLAND VACATION BIBLE SCHOOL

All kids in pre-school through 4th grade who want to be an Islander for a week and have fun making arts and crafts, playing games, and eating delicious snacks, all while learning about our one true God and discovering so many great things about him and his love for us! The first 50 families to sign up will receive their own Mystery Island CD with loads of songs to sing all year round.

Needed: Island Guides, adults and teenagers who have talents to share with our wonderful Islanders. We are in need of help setting and decorating prior to VBS as well as teachers/chaperones helping out throughout the week and, of course, help tearing down and cleaning up Thursday evening after the conclusion of VBS. You can be as involved as you want or, if you prefer behind the scenes work, we can always use help getting snacks, games and decorations together.

Everyone interested in attending VBS as an Islander Guide or if you just have questions about this year's VBS, **please email Brenda Wilhelm-Waggoner at blwwaggoner@gmail.com or call/text at 812-322-0801.**

LIVE THE LITURGY

Inspiration for the week

Jesus compares the Kingdom of God to a mustard seed, the tiniest of seeds. When planted, the tiny mustard seed grows into a tremendous tree with large branches. So too in each of our lives small things can have profound effects. God can use one of our more insignificant gestures to radically change another person's life. It may be the kindness of a smile, our willingness to accommodate someone, listening to someone's story, helping someone who is hurting, standing up for someone who is right or complimenting someone on something they did. We all have God given gifts and talents. What are some of yours? Our task is to use our talents creatively, consistently, lovingly, and generously. Because we are always guided by the Holy Spirit, things that may be insignificant or unnoticed to us can profoundly change the life of someone else. While we may think we are small and insignificant, God can make us large and magnificent. All we have to do is open ourselves to being used. We trust that God will take care of the rest.
