### RESTORE ILLINOIS PHASE 5 Starting June 11, 2021

Per recent statement from the governor's office, Phase 5 is expected to go into effect on Friday, June 11. While not certain, the best indications suggest this as the earliest date we will move forward. It is also important to recall that municipal-level decisions, which override state-wide directives, can affect timing and changes in guidance at the local level. Our diocesan guidance will continue to mirror state and local guidance. That being noted:

- Current expectations are that all capacity restrictions will be lifted. Assuming this scenario holds, we will eliminate the policy of registering for Mass and liturgies effective immediately with Phase 5.
- We do recommend parishes maintain their reservations system accounts or document their registration processes in the event we need to resume them to any degree if concerning metrics related to the pandemic warrant such a return.
- Safety guidelines may remain in place as part of the Phase 5 directive, including some element of physical distancing and the possibility of masking for unvaccinated people.
- If masks do remain the norm for unvaccinated individuals, effective with Phase 5, parishes will not need to ask for proof of vaccination status of their parishioners but will follow the honor system.
