**FINAL REPORT ON FUN FEST 2021**

As you know, this year we did not have a full blown Fun Fest, but instead we sent out envelopes asking for donations, like we did the year before. Your response was phenomenal! We collected \$9,623 which is comparable to what we collected the year before **and to the profit we made when we had the full blown Fun Fest! Thank you so much for your generous response.**

We are tentatively planning on having the regular Fun Fest in September, 2022 (raffle, dinner, bingo, silent auction, etc). However, in order to do so, we need help. Lots of help! The immediate need is for volunteers to chair or co-chair the entire event. We also need a chair or co-chairs for some of the events: bingo, silent auction. If you are interested, please call Jerry Lipski at 715.325.7019 no later than January 15.

**CHANGE IN ENVELOPE PACKET**

Starting with the envelope packet you will receive shortly after Christmas, there will be one extra envelope included. In order to make it easier for those who cannot make it to church, or if you missed a Sunday while on vacation or will be gone for an extended period of time, or for any other reason, there will be one self-addressed envelope to Sacred Heart that you can use. Simply put your donation in that envelope, put your envelope number on outside of self-addressed envelope (found on upper right hand corner of your regular envelopes), put a stamp on and send it in. You don't have to include the regular Sunday envelope. It is that easy! You can use the self-addressed envelope at any time.

**LIVE THE LITURGY - INSPIRATION FOR THE WEEK**

It was the best of times and it was the worst of times. Our families can bring out the best and the worst in us. This is true of our families of origin, the current family of which we are a part, the family of our church, our society, and the like. In all of our family experiences, what stands out as our most challenging memory? Everything human can be found on the pages of family life. But there is also a Divine story to be discovered as well. When life gets difficult and perplexing, today's Feast of the Holy Family stands to remind us that it is not just by human effort that we tread treacherous waters. We have to remember and learn from the Divine effort too. We need this perspective if our love lessons are going to be learned completely and well. We are all works in progress and we all come from homes that are broken by imperfection. In whatever life brings us and in whatever family we find ourselves, may the promptings we feel toward faith and hope lead us to greater love. ©LPI

### Religious Education News...From the desk of Mrs P Wettstein

I would like to extend my sincere thanks to everyone who helped with our Religious Ed Christmas Program! Our practices, family supper, and program would not have been possible without the generous donation of time and talent given by our CCD teachers and staff, parents, PCCW, and parishioners. From those who helped with Word and Song to those who helped cook, bake, serve, or clean up; your efforts were greatly appreciated! Special thanks to Deacon Mark for livestreaming our program – it can be viewed at Sacred Heart of Jesus Nekoosa – YouTube!

**Donations for Casa Hogar**

A group of students from Assumption and Pacelli High Schools will be traveling to Casa Hogar Juan Pablo II in January and they are collecting donations to take with them on their trip to Peru. Monsignor Hirsch has specifically mentioned the need for vitamins:  
 multivitamins for children and adults, Vitamin B 12, Vitamin D and Zinc. In addition, they are in need of NEW white socks and underwear in children's sizes small, medium and large. Donation boxes can be found by the doors of church.

**SANCTUARY LAMP SPONSORSHIPS**

If you would like to sponsor the sanctuary lamps for any living or deceased the suggested donation is \$40 per intention and we take multiple intentions each month. As of right now there are no intentions scheduled for 2022 so if you would like to sponsor your intention please place your donation and intention in the collection plate or mail to the parish office. Thank you.

**IMPORTANT YEAR END GIVING REMINDER**

Please have year-end contributions in early for credit to your 2021 statements. With holiday postal hours, holiday delivery, banking hours, etc there are factors that influence the arrival of your contributions. It's best to have them to the parish office very early in the month of December, including for your Christmas envelope donations. If you leave your envelope at parish other than where you are registered there will be a delay in posting which means you may not see the contribution on your 2021 statement. Thanks!

**FORMED**

On this packed Liturgical week-end in addition to celebrating the birth of Our Lord, we also celebrate the Feast of the Holy Family. This important Feast reminds us of the need to help our own families grow in holiness. With this in mind, join Scott Hahn as he shares his advice on how to bring sanctity into the home. *Marriage and Family: Love Unveiled* this week on Formed.org. **Login: 54457 It's free to you!**

**St. Stephen | Feast Day December 26**

The Acts of the Apostles tells the story of St. Stephen, the first Christian martyr. A man filled with grace and power, he worked great wonders among the people. Some Jews debated with St. Stephen but could not match his wisdom and spirit. Eventually, a charge of blasphemy was brought up against him, and the local population demanded that he be tried and sentenced. He was seized and carried before the Sanhedrin. Despite the danger he faced, in front of the Sanhedrin and his accusers, St. Stephen gave a long speech about the history of Israel and the blessings that God had given upon His chosen people. He talked about how Israel had become disobedient despite God's abundant mercy. This enraged his accusers, and eventually the crowd dragged him out of the city and stoned him to death. Even in his final moments, St. Stephen displayed great forgiveness and even asked God not to hold the sins of his attackers against them. Hundreds of years after his death, he is still a role model for us to follow.

## PRO-LIFE CORNER

"Children truly are the family's greatest treasure and most precious good. Consequently, everyone must be helped to become aware of the intrinsic evil of the crime of abortion. In attacking human life in its very first stages, it is also an aggression against society itself. Politicians and legislators, therefore, as servants of the common good, are duty bound to defend the fundamental right to life, the fruit of God's love." Pope Benedict XVI

We, at Assumption Catholic Schools, wish you a very Merry Christmas with family and friends, old and new. Thank you for joining us at our Christmas Concerts. Your support of Catholic Schools is very important to who we are and how we teach our children to take care of our community.

Join our Pilgrimage for Life to Washington, D.C., -- With two Special Guests! There has never been a more important time to join the March for Life in our nation's capitol, with the Dobbs case being heard by the Supreme Court and the possibility of Roe v. Wade being overturned. Plus, our pilgrims will be addressed by two amazing speakers, before and after the March: Terry Beatley, Founder of Hosea Initiative, and Valentyna Pavsukova, Founder of Chalice of Mercy. For the registration letter, tentative schedule, and details, visit [diolc.org/M4L](http://diolc.org/M4L).

**Coming Back to Church Question:** I have been away from the Church for a few years and really want to get active again, not so much for me, but for my children. Is this a bad reason to come back to Church?

**Answer:** If you are on your way to the supermarket, and you are forced to detour from your usual route because of road work, does the food you buy taste different? Is the meal less filling? Are the vegetables less tasty? Of course not. In our faith journey, there are many detours called sin. Some are greater than others, some are even a bit longer. But God's grace comes to us in ways we understand and recognize and need. Your children leading you back to the Church is not as important as the fact that you are back.

This is an opportunity for you to renew, strengthen, and deepen your faith. Regardless of how we get to Church, or what draws us closer to God, the fact is we are there. Do what you need to do to get right with God and the Church. Go to confession, begin good family religious practices, and be involved in the ministries your parish offers. Be more than a lukewarm parishioner. Be the kind of Catholic you want your children to be. ©LPi

## St. Thomas Becket | Feast Day December 29

Not many saints can be relatable to our times, but St. Thomas Becket (December 21, 1118 - December 29, 1170) is one of the few. King Henry II, a good friend, made him chancellor of England at the age of 36. Then, despite St. Thomas Becket warning the king that he would not blindly follow his wishes, he was appointed Archbishop of Canterbury in 1162. Soon after, King Henry insisted upon seizing Church rights. In the name of peace, St. Thomas Becket came close to a compromise, and momentarily approved the Constitutions of Clarendon, which would have denied the clergy the right of trial by a Church court. But he later rejected this, and for his safety fled to France where he remained in exile for seven years.

Although returning to England meant almost certain death, St. Thomas Becket came back. According to historical accounts, King Henry implored, "Who will free me from this troublesome priest!"

St. Thomas Becket was later murdered by four knights in his Canterbury Cathedral as he was praying. For his part in the murder, King Henry performed public penance after St. Thomas Becket's canonization. ©LPi
