Mission Statement:
To bring Christ's love to our Community through
worship, education, service and outreach.

SECOND SUNDAY OF LENT

Angels of Hope

Do What?

The call to conversion is always initiated by God. It comes when we least expect it, rarely is easy and asks of us what we initially believe to be impossible. Usually we end up asking God, “you want me to do what?” We don’t necessarily

have to do what Abraham did, what Paul did or what the apostles did – sometimes the simplest act is the most difficult, yet it is what God asks of us. All the above, including Jesus in his own right, were called to respond to the voice of God in their lives, the readings give us insight into what that will mean.

We must trust that God has a plan, even though that plan may not make a lot of sense to us immediately, we are reminded, God’s ways are not our ways. While trusting the plan, we trust at the same time God will be at our side as the plan is fulfilled. Conversion is a process, not an instant event and then it’s over. We will be led through the process.

We must engage the plan and do our part. All the actors in the scriptures had to do their part in cooperating with the plan whether convenient or inconvenient as Paul would say. The more we engage the call, the more sense it makes over time. The disciples, the community of Philippi, and Abraham all had questions that over time were answered.

Just because we may get things wrong every now and then does not mean God gives up on us. God is not fickle like we are, and we must thank God for that. We may become tired, we may allow fear to stymie our progress, we may simply lose our way, but God is ever faithful and will get us back on track if we are listening. Such is the incredible love of God.

As previously mentioned, Lent is the time when we get back to being “doers of the word”, of calling out in our distress and believing God will be there to address our need. Conversion may demand a lot from us, but it is the only thing that will bring us life to the full.

Lenten Blessings, Fr. Howard

Beginning Our Final Trimester: The end of the school year is quickly approaching. We have begun our final trimester of the 2021-2022 school year. The final 13 weeks of the year will feel like a whirlwind for the teachers and students. It has been a busy year so far, and we have made it through with very little interruption. We have had our bouts of illnesses, but I am pleased to say that we have not had any student COVID cases since early January. Hopefully we are through the worst at this point and we're headed in the right direction. Thank you all so much for your continued support and prayers this year. Please continue to pray for the school as we are looking forward to an exciting final trimester - filled with activities, learning, and growing in God.—Anne Weise, Principal

Kindergarten Registration is Open: Kinder Round-up was in person this year and we had a great turn out. We had several new families come visit the school and sign up their child(ren). ELIZABETH MINISTRY

Elizabeth Ministry is an outreach to women in special times of motherhood. It is based on Jesus' vision of the radical goodness, beauty, and truth of human life. Its purpose is to affirm, support, encourage, and assist women in response to their needs during the childbearing years. Currently, Elizabeth Ministry at Holy Angels has our Rosebud program, which you see in the corner by the elevator, through which people can ask for prayers and other help. We also have our Baptism bag ministry which welcomes newly baptized members of the parish. We have been blessed in the past with donations of homemade baby hats, blankets, etc. that we put in the baptism bags, but our supply has run very low. If you like to create such items, we are thrilled to receive them and put them in the Baptism bags as a symbol of the love of our parish members for our newest parish members and their families. Donations may be left at the parish office, or in the Elizabeth Ministry corner near the elevator. If you would like to speak about Elizabeth Ministry, please call Paula Beine at 262-677-1254. We are open to new ideas and members. Thank you.

AWAKE MILWAUKEE ONLINE EVENT: WHY THE CHURCH NEEDS SURVIVORS' STORIES

Awake Milwaukee invites you to join us for our next virtual Courageous Conversation on Thursday, March 10 at 7:00pm. A follow-up discussion will take place on March 24. Please RSVP at awakemilwaukee.org/courageous-conversations to participate live or to receive the event recording via email.

EDUCATION AND ACTIVITY CORNER

Sunday Family Connection: In today's Gospel, the voice from heaven speaks to the disciples saying, "Listen to him." The Transfiguration was a focused moment for the disciples when they heard God speaking to them and experienced Jesus in glory. They most certainly left this focused moment with a new appreciation for the importance of Jesus' words even if they did not yet understand everything that he had taught them. During Lent, we are invited to consider our attentiveness to Jesus and to one another. In the pace and noise that often characterizes family life, how well do we listen to one another? What opportunities do we have for quiet prayer?

As you gather as a family, count the number of pieces of equipment in your home that produce sound: televisions, radios, CD players, computers, video games, etc. Observe if sometimes more than one piece of equipment is playing simultaneously and how this might affect communication. Discuss the question: What is it like to try to talk with one another when this equipment is on?

Read aloud today's Gospel, Luke 9:28-36. Consider whether the noise and pace of your family life allows family members opportunities for quiet prayer. During Lent, it may be appropriate for your family to choose a time for quiet in the household by turning off televisions, radios, and CD players. Consider whether your family would like to establish such a time during this Season of Lent and suggest that it might allow you the opportunity to listen more attentively to one another and to find time for quiet prayer. Spend a few such moments as a family, asking God to help you listen well to one another and to Jesus.
