Mission Statement:
To bring Christ's love to our Community through
worship, education, service and outreach.

THE ASCENSION OF THE LORD

“Go, therefore, and make disciples of all nations,
baptizing them in the name of the Father, and of the
Son, and of the Holy Spirit.” - Mt 28:19-20

God is Good – All the Time

To be able to do something you love to do is a wonderful gift. Being blessed to do that work for forty years is a gift from God for which I am eternally grateful. I was ordained a priest for the Milwaukee Archdiocese on May 20, 1983 at St. John the Evangelist Cathedral on a Friday evening with my classmates. It was the weekend of Pentecost that year. Over the past forty years a lot has changed; whether in church, theology, politics, culture, etc. – don't worry I won't bore you with the details. But nothing stays the same, no matter if we want it to or not. We, all change: the only constant is the goodness of God and the marvelous\surprising ways God works in each of our lives over the years. It is for this reason I see this anniversary as not about me at all but about God, I just happen to be around while it has all unfolded these past forty years.

Local legend attributes this adage (or a variation of it) to our former auxiliary bishop Richard Sklba: "the sacrament of Holy Orders doesn't make a person a priest; it simply gives them permission to learn how to be one from the people of God." (the church) In my heart, this anniversary has little to do about me and everything to do with God and how God continues to use the Church - to teach the world how to be of service, how to love, each other. God has blessed me with parishes, whose members have

taught me how to be holy, humble, generous, forgiving, kind, merciful, and so much more – hopefully sometimes I even caught on! I was not ordained a "completed priest" but more of an empty vessel the people of God have helped me to fill over these past 40 years of service to the Church. I have been blessed in more ways than I can imagine and certainly more than I deserve. God is Good!

There are two quotes, from clergy mentors of mine, which stick in my head: First – "Howard, remember the world has a savior and you are not it, don't forget that!" Second – "Where ever you are assigned love the people you are to serve. If you love them they will forgive your many flaws and failings and as they do so you will be able to serve them well." A lot of wisdom here that has served me well over the decades. None of this is about me, but how God works in marvelous ways through so many – are we paying attention?

The Prophet Jeremiah states: "For I know well the plans I have in mind for you, says the Lord, plans for your welfare, not for woe! plans to give you a future full of hope. When you call me, when you go to pray to me, I will listen to you. When you look for me, you will find me. ...you will find me with you, says the Lord, and I will change your lot;" (29:11-14) In so many ways, this past forty years has been about God fulfilling His promise through folks just like you and so I celebrate you and give thanks!

God is Good – All the Time!
Fr. Howard

Thank you for your generosity!

We now are able to offer the ability to pay online for tickets; unfortunately, you won't be able to see your remaining balance (we're still searching for a program that will allow for this). Students will continue to get an IOU if they run out of lunch money. A few staff members, including myself, have been piloting this new system. Please be patient as we begin to offer it to the entire school. *There is a 3% charge for online payments.

EDUCATION AND ACTIVITY CORNER

Sunday Connection: Just as Jesus sent his disciples to make disciples, our family, the domestic Church, is called to bear witness to the life of discipleship. That act of witnessing can take many forms. First and foremost our family should call people to discipleship by the example of our love for one another. Our love must extend beyond the family, reaching out to others and to the world.

Together with your family, identify one or more ways in which your family lives the life of Christian discipleship. Thank God for the blessing of the opportunity to be able to show God's love. Then read together today's Gospel, Matthew 28:16-20. Discuss what Jesus sends his disciples to do. Work together to identify one or more ways in which your family would like to do a better job bearing witness to the life of discipleship. Choose one of those ways and work together to make it happen. Pray as a family for the grace to be witnesses to the world of the life of discipleship. Pray together the Lord's Prayer.
