MARCH 31

Who Am I?

In last week's Old Testament reading, Moses asked God's name. In response, God introduced Himself as, "I AM." In light of knowing God as I AM, the next question we ask is, "Who am I?" We spend most of our lives seeking the answer to that question. Along the way we try on different identities and roles, and we spend tremendous amounts of energy projecting false images of ourselves to others. Just as Lent is a time for removing insufficient labels from God, that we might know Him in truth, so it is a season for peeling off many of the false labels we have placed on ourselves.

So, who am I? Am I what people think of me? Am I what I think of myself? Am I playing a role, or many roles, which sacrifice my personal integrity? Am I the sum of my life's experiences? Am I defined by my history, or by my present circumstances in life? As I reflect on my need for grace during this season of Lent, am I defined by my sins? Am I a "sinner," or am I "someone" who sins? What is the difference? If I say I am a sinner, then I am defined essentially by my sins. But if I am "someone" who sins, then sin does not define who I am; instead, sins are my wayward actions, things which are not essential to my being. So, who is the one who sins? Who am I?

Perhaps we should find out who God says we are. God says we are His beloved children. He loves us so much that He sent His Son as a remedy for our sins. Jesus came to seek and to save the lost. Most of us feel lost much of the time because sin confuses us, disorients us, and causes us to reject God and His ways. Sin deceives us as to our own identity; we could say that when we sin, we are not ourselves. We even begin to doubt God's love for us; we become suspicious, and believe that God is out to get us, just looking for a reason to condemn us in our sins. Sin separates us from God and destroys us, and that is why God hates all sin. We are God's beloved children, but sin prevents us from realizing that is who we are.

In today's Gospel reading, Jesus tells the story of a son who chased after harmful things which he believed would bring him happiness. He demanded from his father his share of the estate, and then left home to pursue his worldly desires. He did not realize, until much later, that his greatest treasure and happiness were to be found in his father's love for him: the very love he tossed aside. After a short while, the young man was out of money, and reduced to a pitiful state. The Scripture says, "Having come to himself," he decided to return home to his father. The Greek word for "penance" is *metanoia*, meaning, to come to our senses, or to become ourselves again. To repent is to wake up to who we truly are in God's sight.

But the young man still had something to learn about himself and about his father. Projecting his own callousness and pettiness onto his father, he expected to be treated only as one of the servants upon his return home. But the father far exceeded his expectations: he ran down the road to meet his son, welcomed him with tears of joy, and received him as his own dearly beloved son. Only now did the young man realize who he truly was all along. He truly was the son of his father, but only now did he know the depths of his father's love for him. Then there was a huge celebration, for having "come to himself," the son had come home!

But the older brother was angry, and jealous. He told his father, "I served you faithfully all these years, and you never gave me a celebration." The older brother also needed to come to himself, for he had been playing the role of a servant, rather than living as a son. He had also underestimated his father's love for him. So, his father told him, "All I have is yours... and it always was, and always will be!" And he helped his son better to understand his role as an older brother, saying, "Your brother was dead, and is alive again! He was lost, and now is found!" In fact, both of them were "found," for they found their true identities in light of their father's love.

By His life, death, and resurrection, Jesus reveals to us that we are children of the Father, the great I AM. So, when confronted with the question, "Who am I," the answer is, "I am a child of I AM!"

February Jackpot of \$270

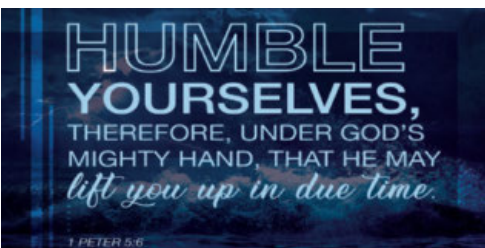

There were 108 eligible players for the month.

Playing the 50/50 Drawing

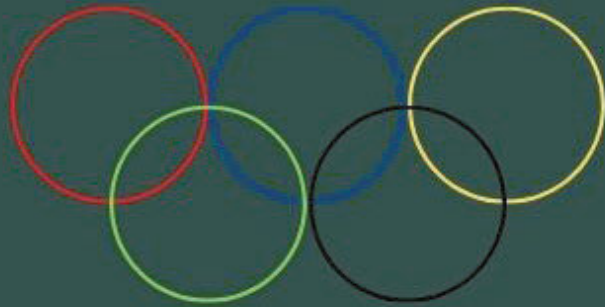

Every month is \$5, to play 12 months is \$50 (a bonus of 12 months for the cost of 10). For anything less than \$5, it is reflected as an increment of 1.00. For example, if a player has contributed \$3 instead of \$5 for a month, that player shows a value of 0.60, which is not eligible for that month's drawing and will carry over to the next month. If that same player contributes \$2 the following month, then the player has \$5 credit and becomes eligible for that month's drawing.

SPECIAL NOTE: Contributing more than \$5 per month **DOES NOT** get you extra chances in a month. **EACH PLAYER GETS 1 ENTRY PER ELIGIBLE MONTH.** If you contribute \$10 or more per month, you are buying a month or months ahead.

St. Barnabas family...you all were the hands of feet of Christ, as we were able to help a woman experiencing homelessness after a limb fell on her tent during a storm. The rain ruined everything she had. We were able to help her with blankets, clothing and other supplies because of your donations. Thank you!

Thank you also to Connie Merkel and the Outreach committee who prepared a delicious ham and bean soup and sandwiches for our friends. As I have mentioned before, when we pull up to the homeless camps, our friends know they will be treated to a great homemade meal. They look forward to what we have to offer.

We are in need of a group to prepare a meal for an outing on April 24th. If you can help please contact us at djkabeckwith@att.net

Mission in Tijuana, Mexico

Deacon Jerry recently shared a little about his trip to Tijuana, Mexico in January. DID YOU KNOW that St. Barnabas has been a part of the mission team to Tijuana since 2006? Deacon Jerry has coordinated the trips to Tijuana to work with Fr. John Tasto at Santa Rosa de Lima parish and school. Through your financial support here at St. Barnabas, our Outreach Ministry can help support the mission team's work in Tijuana.

We recently received a letter from Fr. John and he says:

"Thanks so much for your generous gift to help us bring Christ and His Blessed Mother into the lives of so many children and their parents, as they learn to love and follow Him every day of their lives! It's a real challenge trying to teach them via the internet, as COVID along with drugs and drinking continues to take the lives of so many people and families. The underlying cause is spiritual ignorance. Our college students who are about to graduate, will hopefully be able to take over a good percentage of the teaching in grammar school level and some classes in the junior hi school.

Thanks for pitching in and helping us to make life a little easier for so many of His poor!"

Through your generosity here at St. Barnabas we are able to stand in solidarity with our brothers and sisters in countries like Mexico, Haiti, and Uganda.

The Outreach Ministry team meets on the 3rd Wednesday of each month. New members are always welcome. Contact Connie Merkel at connie_merkel@yahoo.com for more information.

St. Anthony of Padua Parish in MORRIS, IN

St. Anthony of Padua parish in MORRIS, IN is a small parish in SE Indiana, founded in 1856, and has only 297 families. But this little parish has had a BIG impact in the town of Gandou, Haiti. Their goal is ‘to provide health care, food education and love to ease the suffering and to strengthen the poorest people of Haiti with the purpose of leading them to the point that they can care for themselves and become self sufficient.’

The Gandou community has no access to medical care beyond the services this ministry provides, and Gandou is a 5 to 6 hour walk to other medical care. Since 2006, the St. Anthony’s/St. Louis’ Haiti Ministry has completed twenty-six medical mission trips to Gandou. The most recent trip was in March, 2021, during which 937 patients were seen by the visiting medical staff with many more seeking care.

In June, 2021, the ministry hired a doctor who is now in Gandou five days a week, joining the nurses which the ministry employs. In addition to addressing acute patient needs, the doctor and staff run programs focused on child malnourishment, high blood pressure and diabetes. The ministry has also trained midwives to serve the community.

Recently the Haiti Ministry team submitted a request to our Outreach Ministry to assist with building a clinic for the medical personnel to work from. Through your stewardship to St. Barnabas we were able to assist with their building program and participate in a matching funds opportunity to double our support!

Through YOUR generosity we are able to touch the lives of those living in poverty in Haiti. A recent thank you note from the mission team states:

“The clinic will not only provide a place where the poor will receive medical care in dignity, but it is also a symbol of God’s love for them made tangible by the love and generosity of people like you. Thank you for bringing hope to the poor and hopeless.”

The Outreach Ministry team meets on the 3rd Wednesday of each month. New members are always welcome. Contact Connie Merkel at connie_merkel@yahoo.com for more information.

SIDEWALK NEWS

February was cold and ugly, but the Lord spoke to the heart of 1 woman who entered Planned Parenthood for an abortion appointment on Feb. 25th! As she left the facility she stopped to tell the sidewalk advocates that she had NOT gone through with the abortion. She told them she was against abortion but when it happens to you it's a different situation. Praise God for saving this baby from death and for sparing this woman untold grief and regret!

Please pray for all those who are tempted to act against their values.
