Time to Arise!

Only now, after what we hope was the worst of it, are we beginning to witness the long-term effects of the Covid-19 pandemic. Based on what I've experienced recently in counseling people and offering spiritual direction, I'm convinced we are suffering a sort of global post-traumatic stress disorder. It is the result of having survived a type of living death. During the lock-downs we all were isolated and cut off from life. Children could not go to school, many adults were forced to work from home, and numerous businesses closed permanently. We were cut off from family, and even from attending Church and receiving Sacraments. We faced an unseen enemy, which could kill us. And, there was the added stress that perhaps we might unknowingly carry the virus to someone else and become the cause of their death.

Reaction to this unseen enemy resulted in so much being taken away from us, including many of our rights and even our human dignity. We were made to feel helpless, and now that the worst appears to be over, many are reluctant to re-engage fully in life, feeling, "What's the use? If it was taken away once it can all be taken away again." Such fear has led to anxiety and depression, listlessness, substance abuse, anger, aggressive feelings and violence, and increased numbers of suicides, even among young adolescents.

This day, our Lord Jesus has something to say to us. He says, "Awaken. It's time to get up. Arise!" Our response to Jesus has largely been, "But Lord, it can't be time to get up. It's still dark outside." To this, Jesus says, "Yes, it is dark outside, but not inside. I am the light of life, and wherever I am, there is no darkness. Whoever follows me will never walk in darkness. So, I say to you, 'Arise!'" Yes, there is darkness in the world, and there always will be. The current war in Ukraine, and the ongoing war in Myanmar, are reminders of how far human hatred, greed, and evil can go. Every day in our own country we hear of murders, and countless acts of inhumanity and immorality. But what does Scripture tell us about our Lord's resurrection? We are told that Jesus arose early in the morning, while it was still dark. Scripture also says of Jesus, "The light shines in the darkness, and the darkness has not overcome it." If Jesus is within our hearts, it may be dark outside, but it is not dark inside.

But why does it seem like we only see the darkness, and find it hard to see the light of Jesus within ourselves? In baptism we died and rose again with Jesus, and received the light of life within our hearts. But these past couple of years, we focused so much on the darkness outside that we allowed it to creep into our souls. In the testing of our faith, we lost hope, as if darkness and death had conquered even our Lord Himself. Like the disciples on that first Easter, we could not find the Lord. Why? Because, in a way, we considered Him dead, and unable to help us. So, we ourselves crawled into the dark tomb and fell asleep. Although going through the motions of life, we became the walking dead.

Mary Magdalene, weeping at the tomb, saw two angels. In her grief, she was disinterested. They asked her, "Why are you weeping?" All she could answer was that her Lord had been taken away, and she didn't know where to find Him. But He found her. Jesus called her by name, and it was as if she, too, arose from the dead! Now that she had seen the risen Lord, Jesus sent her to share the good news with others.

It's time for us to awaken, and to come out of the tomb. It's time for us to start living again. But Jesus doesn't want us to return to the old norm; He wants us to move forward in a way which transcends mere earthly existence. Because of Easter, our lives cannot be measured by time, or by the confines of this world. If we practice living by the grace we have received in baptism, and focus on the light of Jesus, rather than on the darkness around us, we are truly witnesses of our Lord, risen from the dead.

Like Mary Magdalene, Jesus sends us to go and tell the good news to others, that they, too, may have hope and joy and light and life. And if we argue, "But Lord, it's still dark outside," Jesus answers, "Yes, but it isn't dark inside, where I am. There is no darkness where I am. So come out of your tomb and go out into the world bearing my light. Children, it is time to arise!"

HOOP NEWS

Thank you to Vivian Bailey and the Bible Study group that prepared a delicious meal for our friends living on the streets of Indianapolis. The cold, damp weather had returned, and the chicken noodle soup hit the spot.

As you may have noticed on the HOOP box, HOOP will no longer be collecting items in the box at St. Barnabas. HOOP is collaborating with two other homeless ministries and will be combining our collection efforts in order to be better stewards of our storage costs and supplies. In the future, if we have specific needs we will ask for those items through the bulletin and newsletter. HOOP will continue our outings serving food and offering supplies to our friends experiencing homelessness. We will continue to need groups to prepare food for those outings.

Thank you to those who expressed interest in HOOP on the time and talent sheets. We are collecting those names and will contact you about a meeting to answer any questions.

Thank you for your continued support. We need a group to prepare food for us on 24th.

From the Sidewalk

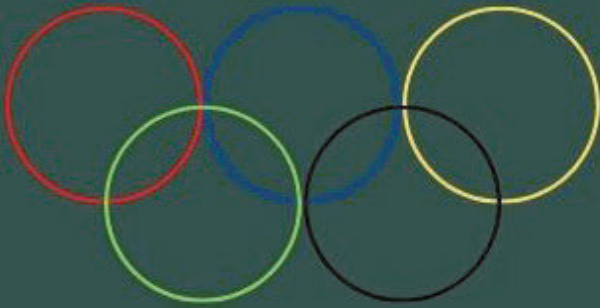

A review of January, 2022 abortion numbers vs January 2021 shows that Planned Parenthood had a drop of almost 20% in abortions! Our efforts are working!

Do you feel a calling to be a witness to the sanctity of the life of unborn children? Would you like to learn more about how **YOU** can participate in this beautiful lifesaving ministry? Please consider attending a Sidewalk Advocates for Life training program, which will be held on Saturday, April 30th from 8:30 am to 4 pm. Registration is \$10 (payable at the door). Training manual included. No special skills are needed-just a humble desire to reach out in love to those experiencing an unplanned pregnancy and a willingness to volunteer as a sidewalk advocate or prayer partner outside the Planned Parenthood facility on Georgetown Rd. in northwest Indianapolis after training is completed.

**Deadline to register is
Tuesday, April 26th.**

For more information call or email Sheryl Dye at smdye1@gmail.com or 317-407-6881. Training location will be provided upon registration.

CATHOLIC SOCIAL TEACHING: Care of Creation

As part of our Outreach Ministry team meetings we are discussing the **Principles of Catholic Social Teaching**, and how we are promoting those teachings here at St. Barnabas. Recently we discussed **Care for God's Creation**.

Pope Francis tells us that *"Everything is connected. Concern for the environment thus needs to be joined to a sincere love for our fellow human beings and an unwavering commitment to resolving the problems of society."*

At St. Barnabas we offer recycling opportunities for our parishioners. In the front parking lot there are 2 bins for paper recycling. That includes; newspapers, magazines, office/school paper, sales catalogs and mail. These bins **DO NOT take phone books or cardboard**.

Also in the front parking lot is the St. Vincent de Paul clothing bin. This bin accepts SOFT goods; clothing, shoes, linens, blankets etc. **NOTHING BREAKABLE**. These items are given to the families served by SVdP or may be sold at the Mission 27 shop to support SVdP programs.

In the back lot is a recycle bin for aluminum cans. They **DO NOT TAKE GLASS OR PLASTIC**.

Please take advantage of these opportunities to make use of items that you no longer want or need. Pope Benedict XVI tells us *"we must recognize our grave duty to hand the earth on to future generations in such a condition that they too can worthily inhabit it and continue to cultivate it."* Recycling is just one small way to protect our earth for future generations.

For more information about the Outreach Ministry, to join our team, or to recommend groups for financial support contact Connie Merkel at connie_merkel@yahoo.com

Food Pantry Garden

Believe it or not, our food pantry garden has a national audience! One of our gardeners works for Anthem and they are encouraged to “give back” to their communities. In her team meetings she has been sharing updates about the garden. Now they want to know what the status of the garden is when she participates in meetings with folks from across the country such as Atlanta, St. Louis and Virginia. She has shared about what we plant, what we harvest each week and even about the SNAKE EGGS we found last year tucked between layers of a bale of straw.

It is encouraging to hear that folks across the country are interested in our garden, and recognize the value of sharing their **time & talent** with their communities.

THANK YOU to everyone who has worked in the garden in the past, which supports the **St. Anthony & Holy Trinity food pantry**. If you would like to receive regular garden updates and maybe come join us playing in the dirt, you can email Connie Merkel at connie_merkel@gmail.com
