Message from Father Showreddy

In the Gospel today when Jesus was approached by Canaanite woman from a race that was avoided by the Jewish people, at first, he ignored her. He did not answer her at all. [Mt. 15:23] The more Jesus ignored her, the more the woman shouted, "Lord, Son of David, have mercy on me!" The more the woman shouted, the more the disciples got annoyed and urged Jesus to send her away so she would stop shouting. [Mt. 15:23] The determined woman did not want to give up on Jesus. She threw herself at His feet and repeated herself, "Lord, help me." [Mt. 15:25] Jesus responded, "It is not fair to take the children's food and throw it to the dogs." [Mt. 15:26] To this, she answered, "Yes, Lord, yet even the dogs eat the crumbs that fall from their master's table." [Mt. 15:27] Seeing how great her faith was, she having remarkably persisted, Jesus told her, "Woman, great is your faith! Let it be done for you as you wish. And her daughter was healed instantly." [Mt. 15:28]

There are certain things about this woman that we must learn. First and foremost, she had love. It was love for her child that made her approach this stranger; it was love for her child that made her accept his silence and yet still appeal; it was love for her child that enabled her to endure the apparent rebuffs; and it was love for her child that helped her to see the compassion in the words of Jesus.

Jesus saw such a sacrificial love in the Canaanite woman. The driving force of her heart was love; and there is nothing nearer to God than love. And Jesus recognized her love for her child and rewarded her by granting her request.

Secondly, this woman had faith. It was her faith that made her call Jesus "Son of David". It was a title that looked on Jesus as a great wonder worker. This is a title that projected Jesus as a great and powerful man. So, she put her trust in the earthly aspect of Jesus. But Jesus made her look beyond the earthly, and in him she recognized something that was not expressible in earthly terms. Jesus changed her faith in the wonder worker to a faith that worshiped. She began by following and ended up on her knees. She began with a request and ended in prayer.

This is a great lesson we have to learn from this woman. Often, we approach Jesus in the same way. Our petitions remain at the temporal level. But Jesus invites us to go beyond. "If God answers your prayer, He is increasing your faith. If He delays, He is increasing your patience. If He doesn't answer, He has something better for you." This is what we see in the life of the Canaanite woman. Hence, when we feel that our prayers are not answered be assured that He has something better for us.

Thirdly, this woman had unshakable persistence. She did not come to Jesus as a possible helper, but she looked upon him as her only hope. She came with a passionate hope. She came to him with a great need; and she refused to be discouraged. Prayer for her was the outpouring of her passionate need. Hence, she could not accept a "no" for answer. She went on till she received what she wanted, an ultimate "yes" from Jesus. She was focused on what she wanted. Hence, she ignored the crowd around her; she ignored the disciples; she ignored the comments of the people. She was focused on what she wanted.

The story of the Canaanite woman teaches us to grow in love, faith and to be focused on what we want to achieve in life. Then it is certain that we will strive till we turn all the "no's" to "yes". May God help us.

Dress Code

Extraordinary Ministers of Holy Communion

Please review the guidelines for attire while serving

As the Extraordinary Ministers of Holy Communion serve in a sacred ministry that places them in close contact with the Most Holy Eucharist, the Body, Blood, Soul and Divinity of our Lord Jesus Christ, attire should be modest, respectful, and dignified; reflecting the sacred nature of the liturgy.

- **General:** Attire defined as "business casual", "professional", or "Sunday Best" is generally acceptable. Additionally, clothing should be neat, clean, and appropriate for Mass, avoiding anything that is distracting.
- **Women:** Dress or skirt of appropriate length or dress slacks/nice pants or pants suit; appropriate blouse, sweater, or top that ensures shoulders are covered (no halter tops or tops with spaghetti straps, low-cut neckline or open back)
- **Men:** Collared shirt (polo or long sleeve) or sweater, dress pants/nice pants, nice shoes and socks. Sport coat and/or tie are optional.
- **Women and Men:** Shorts, sweat suits/athletic wear, jeans*, t-shirts, tank-tops, sneakers, flip flops, and/or distracting jewelry are not permitted while serving.

**If you attend Mass and get "recruited" to be an EMHC substitute at the last minute, and you are wearing nice jeans (no holes), it is okay to serve.*

2026 YOU ARE NOT ALONE RETREAT

Friday, Sept. 18 - Sunday,
Sept. 20, 2026
6:30pm Friday to 12:30pm
Sunday

Many suicide loss survivors feel very alone because they do not know other survivors, and would benefit from being with others who have experienced this same tragic loss.

This retreat offers suicide loss survivors an opportunity to be together, not only to share their experiences of suicide loss, but also to mourn together, find strength in their faith beliefs, and learn helpful ways to move forward in their grief journey in a safe and beautiful retreat setting.

"I firmly believe that anyone who has lost a loved one to suicide needs to attend this retreat. The team, through their own experiences and expertise along with their compassion and dedication, enlightened us about a disease that is so misunderstood and helped us better navigate our own grief journey... As I listened, meditated, prayed, and shared, I found a sense of peace, healing, and hope." - Judy B

"Dealing with suicide grief is an immensely personal journey and yet being able to share that grief with others is so emotionally healing. To know you are not alone is necessary to moving forward"
