My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Embracing Change in Christ

It's officially one month since we popped the champagne, toasted 2021 and wrote down a list of resolutions. This is usually the time when we start to take a good, hard look in the mirror to assess what we have done — or have not done — with the first month of this brand-new year.

New years can be scary, can't they? Full of promise, sure, but also full of room for failure. Full of space for our old baggage, old fears and the continuation of old mistakes.

The same can be said of Christ, and the new life he offers us, if we are brave enough to accept it. Opportunities like that can be intimidating. In that moment, we might find ourselves like the man with the unclean spirit crying out: "What have you to do with me, Jesus of Nazareth? Have you come to destroy us?"

Jesus is a comforter of the afflicted; he is a consoling figure, but he is also a challenging one. Sometimes we have grown attached to our afflictions. The idea of correcting bad habits or forming new ones is frankly terrifying to us. We have a voice deep inside who sees Christ and his invitation to repentance, and it cries out in fear: "I know who you are!"

When we live in the present, disavowing the baggage of the past or fear of the future, we submit ourselves to the promise of redemption. Let us be brave everyday stewards and invite Christ's healing power into our lives. We won't regret it — I'm sure the demoniac never did.

Collections for the month of December were 4% lower than budget, increasing our year-to-date deficit to \$48,000. When combined with lower than anticipated school tuition revenue and increased repairs and cleaning (due to covid-19) expenses, we anticipate an overall loss of \$150,000 this fiscal year, which ends June 30.

Our ministries continue to postpone any expenses they can. But even with these financial challenges, we are very blessed with the ongoing generosity of our parishioners. Thank you for your support.

The Saint Luke Finance Council

PROVIDENCE NEVER FAILS

Dear Parishioners,

This weekend we kick-off **Catholic Schools Week**—a nationwide celebration of our outstanding Catholic Schools. Many of our students will participate in a special way at Masses this weekend. There will be a second collection to support our tuition assistance programs at Saint Luke.

It's rare that I ever yield much of this bulletin letter to anyone else. But I'm going to do so this week. A while back I read an article about Catholic Schools written by Dr. Joseph Hollowell. Joe is now the retired president of Roncalli High School, my *alma mater*. He speaks not only as an educator but also as the father of a large family. I love his essay:

"Mom, public school is killing my soul." These startling words came from a 7th grader and were relayed to me by the mother of the student who uttered them. She was explaining to me why her child had to come to Roncalli. The comment would not leave me. In fact, it still has not left me, though the student who spoke these words has long since graduated from Roncalli after coming to us from a public school.

For years, as a leader in Catholic education, I had searched for a good description that ably defines what it is that makes what we are doing at Roncalli worth the investment. Leave it to a 7th grader to provide me with the help I needed!

I do not raise this issue lightly. Both my father and my sister taught in public schools for many decades. My best friend has spent the vast majority of his career as a public school teacher. My wife taught in public schools, both before and after we got married. I am keenly aware of the many fine people who work in our public schools.

What I am about to say is not a reflection on the people in a system. Rather, it is a comparison of our Catholic schools to a system of education that does not allow its teachers and administrators to engage students in the essential Truth of the human condition.

What Christians ardently believe to be the

absolute Truth of human existence is not allowed a spot in the school day. It has no place in the curriculum or mission. Jesus said, "I am the Truth." Without the nourishment of that Truth, the human soul is in danger of starvation.

The comment from our 7th grade witness is at once both a very rich and very sad statement. It is profoundly rich in its wisdom. It is sad in that it was an account of the reality this young person was experiencing. It is a comment not unlike the ancient wisdom expressed by Saint Augustine who said, "Our hearts are restless until they rest in thee, O Lord."

In related ways, Jesus proposes a similar idea in his startling question, "What does it profit a man to gain the whole world but lose his soul?" Catholic schools teach that the Truth is that God creates each human person. Each person was made to know God and to serve God with the special gifts given to him or her. Ultimately, we were made to love God in this life and to share in His joy in the eternal life that comes after.

Trying to live life without this Truth is like running a car that is built to burn only premium gas and yet the owner insists on putting the cheaper stuff in that does not allow the engine to run quite as well. Students in Catholic schools are running on premium. Their teachers, classwork, and curriculum are catering to the whole person – body, mind, and spirit.

Catholic schools take advantage of all parts of the engine and all of the luxury features with which our human "car" is built. Students in Catholic schools are fed with the Truth. I believe this special fuel explains the extraordinary results we see from our students.

Another analogy may be even better. Running a school that is not centered on faith is like trying to run the human body without a simple but absolutely necessary nutrient such as iron. Without iron in our blood, the hemoglobin that carries oxygen to all parts of the body cannot function.

Oxygen is essential in the slow fire of cellular respiration that burns in our body to give us energy and keep us all alive.

In Catholic schools, that simple element, our faith in God, allows the fire of the Holy Spirit to burn, keeping alive the desire for learning and the love for our neighbor. Remove the element of faith and we run the risk of becoming a dying shell of who we are made by God to be.

It is instructive to note that faith has always been one of the primary motivators behind the provision of education in this country. One does not have to look hard to find that the origination of the system of public schooling in this country was to teach children how to read and understand the Bible. Catholic schools still count this among their objectives.

Regrettably, since the early 1960s, our public school brothers and sisters are no longer allowed to work toward this goal. Many sacrifices are needed to continue to make Catholic Education possible. Every one of those sacrifices is necessary to allow our students to thrive in which the Truth is boldly proclaimed.

All students deserve to fully understand Who created them and Who has given them a divinely ordained task to complete on this earth. In a world where we provide so much to our children, why would anyone settle for less than that?

A Tip of My Biretta (Hat) to: all teachers—especially our Saint Luke Catholic School staff—but also to all teachers in private and public schools. You are "heroes" providing the best for our children during this pandemic. Stewardship in Action!

Ask Monsignor a Question: *Is February when you bless candles?* (Via email)

It sure is—at both Masses this Tuesday, February 2, the Feast of the Presentation of the Lord. Jesus was called "The Light of the World."

Of one thing I am convinced; of one thing I am certain: Providence never fails!

Faithfully yours in the Providence that so far had never failed us,

Msgr. Joseph Schaedel

CHRISTIAN SOCIAL ACTION

First Sunday Sharing is Next Weekend

As we all know, poverty exists throughout the year. Our own Saint Luke Christian Social Action Commission (CSAC) and our Saint Vincent de Paul Society (SVdP) work diligently to help those less fortunate than ourselves. First Sunday Sharing has been one of the primary ways in which we as parishioners have helped those in need.

Parishioners receive a CSAC-SVdP envelope in their mailings from the parish. It provides the financial support for these two ministries.

Non-perishable food and men’s clothing is collected on the first weekend of each month. The food is distributed at the SVdP “Boulevard Place” Food Pantry (4202 Boulevard Place) and the clothing is given to homeless men who are served each weekend by Beggars for the Poor. The Boulevard Place Food Pantry, a St. Vincent de Paul ministry which is supported by St. Luke and four other north side parishes, provides food assistance to over 900 families in need each month.

Next weekend, February 6/7, is our monthly First Sunday Sharing collection. Thank you for your generous support!

Monsignor's Thoughts on... Catholic Schools

Dear Friends,

As the pastor of Saint Luke Church, it's a joy to welcome you to **Catholic Schools Week 2021 at Saint Luke Catholic School**. How proud we are of our students who will be present at all Masses this weekend as we begin this nationwide observance.

The theme for **Catholic Schools Week 2021** is "**Catholic Schools: Faith—Excellence—and Service.**" Given all that we have been through

the past twelve months, this is a perfect theme. We live in a world that too often promotes fear, violence, revenge, and a lack of understanding rather than getting facts and serving others.

The theme encourages us to focus on three priorities that Saint Luke and other Catholic Schools establish that make them stand out from other educational institutions. There are many other fine schools in the Saint Luke area. But none of them are Catholic. In my opinion, none of them can measure up to what we can and do offer at **Saint Luke Catholic School**.

Our children are taught **Faith**—not just the basics of Christianity, but how to have a relationship with God, especially in the sacraments. Faith is what sees us through trying times like these. **Excellence** in our school is achieved by our high standards. I love the tag line one of our former principals gave to Saint Luke Catholic School: "*We are progressively traditional.*" **Service**, the giving of time and effort to help others, is taught both as an expression of Faith and hope. We Catholics call it **Stewardship**.

I thank God that I am the pastor of a parish with a parochial school. My own Catholic School education is one of the greatest gifts my parents gave me—even when it meant sacrifice on their part. They did it; even though we lived adjacent to a fine public school. I am forever grateful.

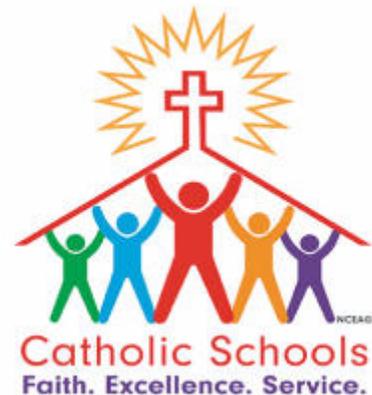

I encourage every family to consider **Saint Luke Catholic School** for your children. Contact the Admissions Office for a live or virtual tour. Ask questions. Check other sources to evaluate our excellence. My hope is that someday every child in our parish could attend our parish school. Given our resources, finances are never an obstacle. I will do all that I can to support all parents who provide the gift of a Catholic School education for their children. You will not regret it.

Confidently in the Providence that so far has not failed us,
Rev. Msgr. Joseph F. Schaedel, Pastor

What is...

National Catholic Schools Week?

Since 1974, National Catholic Schools Week is the annual celebration of Catholic education in the United States. It starts the last Sunday in January and runs all week, which in 2021 is January 31 – February 6. The theme for National Catholic Schools Week 2021 is "Catholic Schools: Faith. Excellence. Service." Schools typically observe the annual celebration week with Masses, open houses and other activities for students, families, parishioners and community members. Through these events, schools focus on the value Catholic education provides to young people and its contributions to our church, our communities and our nation.

A Word From Our Principal MR. JOHNATHAN GRISMORE

As we welcome our 60th year of existence, St. Luke Catholic School continues to provide an affordable and rigorous Catholic education for all families. We are blessed to be an anchor of the Meridian Hills neighborhood and an asset to the education opportunities in the Northside of Indianapolis. St. Luke Catholic School is rated as both an "A" school and a "Four Star School" and continues to set even higher expectations as we operate our school within a global environment.

This does not happen just by opening our doors – it truly is a partnership between our parish and school, as well as our parents, teachers, and students, to

make academic excellence. Our teachers are passionate about their vocation and demonstrate daily the love and dedication to fully teach the whole-student. Our parents and students are engaged in the educational process and work with our teachers as a team.

Faith is at the forefront of what we do. Each day begins and ends in prayer and the classroom integrates Catholic values of being kind and doing the right thing within each lesson. We hold an all-school Mass twice a week and students have the opportunity for confession twice a month during the school day. Students also attend First Friday Benediction, a Living Rosary, and Stations of the Cross during Lent.

Our doors are open to all who seek a Catholic school education. The support of the parish community continues to allow for development of each and every student beginning in Kindergarten through Middle School. Our graduates

are fully prepared not only for the multitude of high schools that they branch out to but also prepared to navigate the challenges that life brings.

While we maintain an affordable tuition, our parish provides support to families in need of financial assistance. We also participate in the School Choice Scholarship program for those who qualify. Please reach out to schedule a tour to witness first-hand the reality of your parish's investment in our students, who are the future of the Church and the world. Most of all, I thank you for your support of the parish and your school - it truly does make a difference!

As Inspired by Cardinal Joseph Ritter, our Diocese's first Archbishop...Work Hard. Pray Hard. Don't Worry.

Mr. Johnathan Grismore

A Day of Giving to Catholic Schools

February 2nd - February 3rd

Twenty years ago, Saint Pope John Paul II said to an audience of Catholic educators in New Orleans, "Yours is a great gift to the Church, a great gift to your nation." Countless people in our country have been blessed by the many gifts of Catholic schools. They have carried what they have learned and witnessed with them; however, many have lost touch with our local Catholic school communities. It is time for these people to reconnect with Catholic schools and give back.

It is with this recognition in mind that St. Luke Catholic School is pleased to participate in Many Gifts, One Nation: A Day of Giving to Catholic Schools. Scheduled for February 2nd, 2021, 12 PM EST to February 3rd, 2021 12 PM EST, this is a time for individuals to give to their local Catholic school.

Our giving page can be found at <https://bit.ly/35YYUxw> or by going to www.NCEA.org/csw/manygifts and searching for St. Luke Catholic School. Please consider supporting our school and Catholic Education on this special day.

Many Gifts, One Nation is made possible by NCEA and FACTS Management.

**With the guidance of the Holy Spirit,
We seek to inspire the
St. Luke community
to exemplify the words of
St Teresa of Ávila:**

*Christ has no body but yours,
No hands, no feet on earth but yours,
Yours are the eyes with which He
looks Compassion on this world,
Yours are the feet with which
He walks to do good,
Yours are the hands with
which He blesses all the world.*

Humor in the Pews...

A priest dies and is waiting in line at the Pearly Gates. Ahead of him is a guy who's dressed in sunglasses, a loud shirt, leather jacket, and jeans.

Saint Peter addresses this cool guy, 'Who are you, so that I may know whether or not to admit you to the Kingdom of Heaven?' The guy replies, 'I'm Jack, retired airline pilot from Houston.' Saint Peter consults his list.

He smiles and says to the pilot, 'Take this silken robe and golden staff and enter the Kingdom.' The pilot goes into Heaven with his robe and staff.

Next, it's the priest's turn. He stands erect and booms out, 'I am Father Bob, pastor of Saint Mary's for the last 43 years.' Saint Peter consults his list.

He says to the priest, 'Take this cotton robe and wooden staff and enter the Kingdom.' Just a minute, 'says the good father.

'That man was a pilot and he gets a silken robe and golden staff and I get only cotton and wood.

How can this be? 'Up here - we go by results,' says Saint Peter. 'When you preached - people slept. When he flew, people prayed.'
