A Letter from the Archbishop

The Archdiocese of Indianapolis will take up the national collection for the Catholic Campaign for Human Development (CCHD) November 21, 2021. Your support for this collection brings change to communities across the country and empowers those living in poverty to transform their communities into reflections of the Kingdom of God. In addition to making an impact nationally, those living in poverty in our own diocese are empowered through the 25% share of our collection that stays here.

The program, Teen Mother Choices in the Batesville deanery mentors teen mothers providing them with life skills and parenting strategies to enable them to break the cycle of poverty. Teen Mother Choices participates in building the Kingdom of love by loving these mothers as Christ would love.

Dathouse, Inc. provides a free after school program, "DAT Kids" in the Bates-Hendricks neighborhood of Indianapolis. This program serves at-risk children and youth providing a safe environment to foster practical social and emotional skills to the next generation of community members. They participate in building the Kingdom of peace through their investment in youth.

In Bedford, The Men's Warming Center provides shelter, sleeping accommodations, and other basic needs to homeless men. The Center was established in 2014 after a homeless man froze to death on a street in Bedford. They participate in building the Kingdom of justice by acknowledging their dignity as children of God.

Your prayerful support of the annual collection for the Catholic Campaign for Human Development is appreciated by those who serve the Kingdom of God on the margins.

PROVIDENCE NEVER FAILS

November is the month when we pray for the faithful departed. We began this month with the Feasts of All Saints and All Souls. We have placed on the altar names of our beloved dead, which you have submitted.

We pray for the repose of their souls at each Mass this month.

We have no way of knowing who's who, but some souls spend time for further purification in Purgatory before entering heaven. If we end up praying for someone already in heaven, God applies those prayers and graces to someone who needs them. These are Poor Souls who have no one to pray for them.

When someone dies, usually the first call is made to the Funeral Director. At the initial meeting, a time for the funeral is arranged. The Church is reserved through Diane Schafer, our Director of Spiritual Life and Formation. This can get awkward if the family has attempted to set a firm date without first contacting the Parish. For example, brides don't like it when you cancel a wedding to accommodate a funeral!

Sadly, for no really good reason, a few survivors decide to just have a Service at the Funeral Home or the graveside. Even families of lifelong daily Mass attendees forego the Mass because they don't want to be bothered. This was common during the height of the COVID lockdown, but those days are gone. And, yes, there still could be a good reason to do this. But I think those are few and far between.

After the family of the deceased meets with the Funeral Director, they meet with Diane Schafer and Tom Nichols, our Music Director. They plan the Liturgy, including the Scripture readings, music, and other prayers. We try to personalize the Liturgy as much as possible. Diane and Tom do an outstanding job at this. Often, this brings much comfort to the family.

I urge caution when it comes to the Eulogy or Remembrance of the deceased. At times they are done quite tastefully and quite well. We have had a couple of these lately—very nice. Yet, at other times some gasbag speaks too long—mainly about themselves—and says things that are in poor taste. Be careful when you select the person to compose and deliver the Eulogy.

Another way of processing grief is to schedule a Mass intention in the days after a loved one has died. It is also possible to schedule a Mass intention on the anniversary of someone's death or other key dates like a birthday or anniversary. The greatest prayer we can offer is the Mass.

To have a Mass said for a deceased loved one, contact the parish office.

Mark your calendars! Our annual Evening of Spiritual Renewal is this **Wednesday, November 17**. As usual, we begin with an expanded time for confessions beginning at 4:30 p.m. Mass is at 5:30 p.m. We have a light supper in the parish hall and then a speaker. You will want to hear this one! Get more detail and register on our parish website: www.stluke.org. Or you can register at the information table in the Narthex after Mass this weekend.

Our speaker for the **Evening of Renewal** is Father Leo Patalinghug. I've heard him speak more than once; he is outstanding.

He has hosted a weekly international TV Show, *Savoring Our Faith*. Father Leo is a bestselling author, radio and podcast host, and an internationally acclaimed speaker!

His unique background as a two-time black belt martial arts instructor, award-winning breakdancer and choreographer, and an award-winning cook has caught the attention of many media outlets from ABC, PBS, NBC, FOX, and also the Food Network. In fact, Father Leo defeated the world-famous chef in a competition called "Throw Down with Bobby Flay!"

With attention to making deep discussions more bit sizable, Father Leo and his ministry, "Plating Grace" and the non-profit group, "The Table Foundation," are helping to bring our world together one plate of grace at a time. You won't want to miss him. To learn more, *Google* him at platinggrace.com or just *Google* his name. Let's just say he is quite a contrast to the priests here at Saint Luke!

Wish Father George Joseph a **Happy Birthday** this week on Thursday, November 18! Our best wishes and prayers go out to him on his special day.

A Tip of My Biretta (Hat) to: Youth Minister Therese Hartley and our 41

participants in the National Catholic Youth Conference (NCYC) Thursday, November 18, through Saturday, November 20, in downtown Indianapolis. The conference draws thousands of high school-age Catholics together for prayer, worship, sacraments, catechesis, and fun. The theme this year is "Ablaze!"

Therese, the high school participants and their volunteer chaperones have worked hard to fundraise and otherwise plan for this event.

I'm also proud that our city and our archdiocese are selected to host this annual Catholic Youth Conference. Keep all of them in prayer this week.

Stewardship in Action!

Ask Monsignor a Question: *We have four children, all in Catholic Schools. My spouse says that none of them are obligated to attend Sunday Mass since they attend Mass throughout the week at school. I disagree.*

Who is right? (Via email)

Your spouse has a screw loose—or at least missed a couple of Catechism lessons. All Catholics above the age of reason are obligated to regularly attend Sunday (or Saturday evening Mass). The so-called "age of reason" is about six years old. Although, I know some people who are much older and have not yet reached the age of reason.

The Third Commandment bids us to "Keep holy the Lord's Day." The Church teaches that this is Sunday and that going to Mass on that day is the **minimum** we need to do. The commandment does not say, "just go to Mass once a week."

I've had people try to make the same argument.

And even if it were true—which it is not—where are these same kids during the summer when there are no Masses during the week at school? Equally confused are the parents who allow their kids to skip Sunday Mass to participate in some sort of sports activities.

Of one thing, I am convinced; of one thing I am certain: Providence never fails!

Faithfully yours in the Providence that so far had never failed us,

Msgr. Joseph F. Schaedel

Providence 2021 Building Project Update for November 14, 2021

Beams Positioned On East Addition

The frame of the East Addition is now becoming much more obvious to the casual observer. You can see the wood beams (left in

the above photo) that will be stained and exposed on the ceiling of the new lobby and gathering space.

Once roof trusses are in place, the skeletal frame of the building will be even more evident.

We look forward to substantial completion on April 30, 2022!

Help with Thanksgiving Sharing

It's Thanksgiving Sharing Time

Thanksgiving Sharing is upon us, but once again the coronavirus makes this extremely challenging for our ministry and the people we serve. The demand for food assistance this year seems greater than in years past.

We need your help. We have stringent guidelines to keep our volunteers and our client safe. Think about how you could deliver one or more baskets. Sign up online at <https://tinyurl.com/3n6vbeyz>. We need someone to deliver each of our 150 baskets. Our clients will be prepared for a **contactless delivery** in which we deliver to a door step, ring a bell or make a phone call, and leave. You will receive your recipient information via email the weekend of November 20/21 and you can pick up your basket on Tuesday, November 23rd.

Donate. Interested in purchasing a basket for a family in need? Our cost for a basket this year is \$45, but you can donate any amount you would like. It's really easy to do. Just use your computer and go to https://www.stluke.org/care/thanksgiving_sharing.

Questions? Contact Denise Purdie Andrews at 317-721-8029 or dpandrews@comcast.net.

Parish Calendar

If you have space reserved at St. Luke for an event of any kind and your plans change, please call the Parish Office so the calendar can be corrected. If you cancel your event, again please call the Parish office so the space can be opened up for another event.

Contact the parish office at: 317-259-4373 ext 210. Thank you in advance for your consideration.

Can you commit to a weekly hour of adoration in the St. Luke Adoration Chapel? Please prayerfully consider. With only a few spots left to fill, your weekly hour will be instrumental in achieving true perpetual adoration. For more information, contact Mark Grider at jalica48@yahoo.com or 317-432-3639.

Help others this Christmas Season For it is in giving that we receive. – St. Francis of Assisi

St. Luke Parish is one of the largest contributors to the Catholic Charities Christmas Store. This year, the Christmas Store will help approximately 800 families including at least 3000 children ages newborn through 19. These families are neighbors in our Indianapolis community who often have found themselves in need because of the loss of a job, an illness, or have taken on responsibilities for extended family. The need is even greater this year because of Covid-19. There is a Christmas tree in the Narthex with ornaments noting the wanted items. If you are not currently attending Mass, you may access the list by scanning the QR Code below. All donated items should be new and unused and brought to Mass unwrapped the weekend of December 4th and 5th. If you would like to make a monetary donation, you can send a check payable to Catholic Charities Indianapolis-Christmas store. Please send to CCI-Christmas Store, 1400 North Meridian Street, Indianapolis, IN 46202 Please contact Rachel Koch at craig.koch@att.net, if you have any questions.

Thank you for your generosity!
