SUNDAY'S READINGS

First Reading:

The word of the LORD came to me, saying:
Before I formed you in the womb I knew you,
before you were born I dedicated you,
a prophet to the nations I appointed you. (Jer 1:4-5)

Psalm:

I will sing of your salvation. (Ps 71)

Second Reading:

So faith, hope, love remain, these three;
but the greatest of these is love. (1 Cor 13:13)

Gospel:

And he said, "Amen, I say to you,
no prophet is accepted in his own native place."
(Lk 4:24)

Meet Parish Council

My name is Judy Palmer and I started attending St. Luke parish in 1988. I have just completed serving as President of the St. Luke Parish Council but continue as a member of the council serving my second term.

I earned my undergraduate degree from Indiana University Bloomington and my law degree from the IU School of Law in Indianapolis. In 2012, I retired from Indiana University after serving as Vice President for Planning and Vice President and Chief Financial Officer. Prior to joining Indiana University, I held appointments in three Indiana gubernatorial administrations, including the positions of Executive Assistant to the Governor and State Budget Director.

Retirement has afforded me the opportunity to engage more actively in St. Luke parish activities. It truly has been a blessing that has strengthened my faith, increased my connection to the parish community and opened doors to many new friendships. As a member of the Parish Council, I would welcome any thoughts you may wish to share with me.

Catholic Schools Week 2022 January 30–February 5

www.NCEA.org/csw

#CSW22

What is National Catholic Schools Week?

Since 1974, National Catholic Schools Week is the annual celebration of Catholic education in the United States. It starts the last Sunday in January and runs all week, which in 2022 is January 30th – February 6th. The theme for National Catholic Schools Week 2022 is "Catholic Schools: Faith. Excellence. Service." Schools typically observe the annual celebration week with Masses, open houses and other activities for students, families, parishioners and community members. Through these events, schools focus on the value Catholic education provides to young people and its contributions to our church, our communities and our nation.

a dozen reasons to choose Catholic Schools

Dear Friends,

As the pastor of Saint Luke Church, I welcome you to **Catholic Schools Week 2022** at **Saint Luke Catholic School**. Each year we look forward to this nationwide observance to highlight the contributions of our Catholic Schools.

The theme for **Catholic Schools Week 2022** is "**Catholic Schools: Faith—Excellence—and Service.**" Given all that we have been through the past two years, this is a perfect theme. We live in a world that too often promotes fear, violence, revenge, and a lack of understanding rather than getting facts and serving others.

The theme encourages us to focus on three priorities that Saint Luke and other Catholic Schools establish that make them stand out from other educational institutions. There are many other fine schools in our Saint Luke area. In my opinion, none of them can measure up academically and certainly spiritually to what we offer at **Saint Luke Catholic School**.

Our children are taught **Faith**—not just the basics of Christianity, but how to have a relationship with God, especially in the sacraments. Faith is what will carry us through trying times like these. **Excellence** is achieved by our high standards. I love the tag line one of our former principals gave to Saint Luke Catholic School: "*We are progressively traditional.*" This Spring, area high schools will aggressively recruit our graduating 8th graders. That says it all! **Service**, the giving of time and effort to help others, is taught as expressions of Faith, hope and good citizenship. Given some of the nonsense promoted in other schools that only divide or isolate people, serving each other is more important than ever.

I thank God that I am the pastor of a parish with a parochial school. My own Catholic School education is one of the greatest gifts my parents gave me—even though it meant sacrifice on their part. They did it; even though we lived adjacent to a fine public school. I am forever grateful.

I encourage every family to consider **Saint Luke Catholic School** for your children. Contact the Admissions Office for a live or virtual tour. Ask questions. Check other sources to evaluate our excellence. My hope is that someday every child in our parish could attend our parish school. Given our resources, finances are never an obstacle. I will do all that I can to support all parents who provide the gift of a Catholic School education for their children. You will not regret it.

Confidently in the Providence that so far has not failed us,

Rev. Msgr. Joseph F. Schaedel, Pastor

St. Luke Catholic School

Mission Statement

St. Luke Catholic School, with the love of Jesus Christ as our model and guide, is devoted to teaching Catholic Doctrine and practice to each student by providing a curriculum dedicated to academic excellence.

Vision Statement

St. Luke Catholic School will partner with parents to prepare each student to attain his or her greatest spiritual, academic, social, physical, emotional, and creative potential to make a positive difference in God's World.

As we celebrate our 60 years of existence, St. Luke Catholic School continues to provide an affordable and rigorous Catholic education for all families. We are blessed to be an anchor of the Meridian Hills neighborhood and an asset to the education opportunities in the Northside of Indianapolis. St. Luke Catholic School is rated as both an "A" school and a "Four Star School" and continues to set even higher expectations as we operate our school within a global environment.

This does not happen just by opening our doors – it truly is a partnership between our parish and school, as well as our parents, teachers, and students. Our teachers are passionate about their vocation and demonstrate daily the love and dedication to fully teach the whole-student. Our parents and students are engaged in the educational process and work with our teachers as a team.

Faith is at the forefront of what we do. Each day begins and ends in prayer, and the classroom integrates Catholic values of being kind and doing the right thing within each lesson. We hold an all-school mass twice a week and students have the opportunity for confession twice a month during the school year. Students also attend First Friday Benediction, a Living Rosary, and during Lent, Stations of the Cross. Each grade participates in an annual retreat.

Our doors are open to all who seek a Catholic school education. The support of the parish community continues to allow for development of each and every student beginning in Kindergarten through Middle School. Our graduates are fully prepared not only for the multitude of high schools that they branch out to, but also prepared to navigate the challenges that life brings.

While we maintain an affordable tuition, our parish provides support of parish families in need of financial need. We also participate in the School Choice Scholarship program for those who qualify. Please reach out to schedule a tour to witness first-hand the reality of our parish's investment in our students, who are the future of the Church and the world. Most of all, I thank you for your support of the parish and your school - it truly does make a difference!

As Inspired by Cardinal Joseph Ritter...Work Hard. Pray Hard. Don't Worry.

A Day of Giving to Catholic Schools: February 1st - February 2nd

Twenty years ago, Saint Pope John Paul II said to an audience of Catholic educators in New Orleans, "Yours is a great gift to the Church, a great gift to your nation." Countless people in our country have been blessed by the many gifts of Catholic schools. They have carried what they have learned and witnessed with them; however, many have lost touch with our local Catholic school communities. It is time for these people to reconnect with Catholic schools and give back.

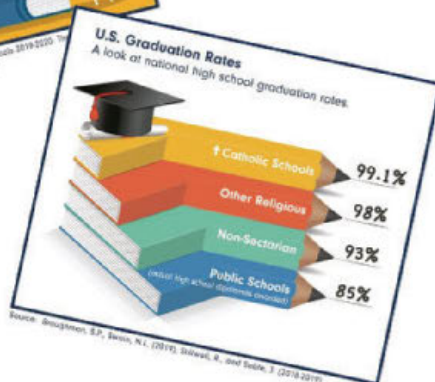

It is with this recognition in mind that St. Luke Catholic School is pleased to participate in Many Gifts, One Nation: A Day of Giving to Catholic Schools. Scheduled for February 1st, 2022, 12 PM EST to February 2nd, 2022, 12 PM EST, this is a time for individuals to give to their local Catholic school.

Our giving page can be found by going to <https://tinyurl.com/yt5rmnje>. Please consider supporting our school and Catholic Education on this special day.

Many Gifts, One Nation is made possible by NCEA and FACTS Management.

A Gift to the Nation
Based on the average public school per pupil cost of \$12,756, Catholic schools provide \$72 billion in savings each year for the nation.

A Letter from Msgr. Schaedel

PROVIDENCE NEVER FAILS

Dear Parishioners,

In response to several requests, here is my homily from last weekend:

Eighteenth-century Germany: a woman named Maria faced a problem pregnancy. She had given birth to eight other children. Three of them died from birth defects. All of her children were deaf, blind, mentally challenged, or both. Maria herself had syphilis. Her husband was a musician too fond of drinking.

Had Maria lived in this century in this country, her friends and doctor would have encouraged her to have an abortion. Today's sophisticated medical testing could have suggested terminating her ninth pregnancy. But she didn't. Maria carried her ninth pregnancy to full term. Maria named her ninth child Ludwig: Ludwig von Beethoven. Beethoven is one of the greatest musical composers the world has ever known!

Human life has no price tag. The Church consistently teaches that human life fashioned in God's own image is sacred. In the Gospels, particularly Luke's Gospel, we find Our Lord spending time building up human life. Christ affirmed the value of human beings made in the likeness of God! Yet today, we live in times when we witness unlimited attacks on human life: wars on every continent, senseless shootings in schools or churches, increasing violence in our own city.

But the ultimate attack on human life is abortion. Abortion: the killing of defenseless pre-born life. Abortion is an attack on life itself. A pre-born infant is killed not because he or she is an enemy, a member of some gang or minority, or just a troublemaker. The unborn infant is eliminated just because he or she is alive.

If human life causes one inconvenience, then society, even our own U.S. government, devises ways to get rid of it.

Forty-nine years ago this weekend, the highest court in the land legislated in support of killing innocence: legalized abortion. No Supreme Court is above the Supreme Law—God's Law. At the end of his term, President Dwight D. Eisenhower said he regretted two mistakes made during his administration. Eisenhower said, "*Both of them are both now sitting on the Supreme Court.*" No human law is above the law of the Supreme Lawgiver—God. Human life is priceless.

God is the Lord of Life. God-given rights cannot be legislated. Attempts to legislate against God's Law are ridiculous. People will argue that abortion is a right. About 160 years ago, abortion was not the issue. Slavery was the hot topic. In a debate with Abraham Lincoln, Stephen Douglas defended his pro-slavery position. And he took the same approach abortion-rights activists take today.

Stephen Douglas said: "*I am now speaking of rights under the Constitution, and not of moral or religious beliefs. I do not discuss the morals of the people favoring slavery but let them settle that matter for themselves. I hold that the people who favor slavery are civilized, that they bear consciences, and that they are accountable to God and their posterity and not to us. It is for them to decide therefore the moral and religious right of the slavery question for themselves within their own limits.*" Douglas felt that slavery was none of the government's business. Owning slaves was a right according to their own beliefs.

Imagine how that rhetoric would fly today! Replace the word "slavery" with "abortion." Then we have what Planned Parenthood or pro-choice politicians are saying! We instinctively know: slavery is intrinsically evil. So is abortion. There is absolutely no situation that makes slavery or abortion acceptable. Intrinsic evil is self-evident—a no-brainer! Our own Declaration of Independence says: "*We hold these truths to be self-evident...that all men are endowed by their Creator with certain unalienable rights that among these are life, liberty, and the pursuit of happiness.*" Inalienable rights—unchallengeable rights: the first one is life—the Right to Life! God's law also has life as the top priority!

Catholics must stand strong. The Catholic Church is Pro-Life. To many, we are the last enemy in the pro-choice movement. If we are who we say we are, we have no choice. On Friday, thousands of people marched for life in Washington, D.C. The theme of this year's march was "*Equality begins in the womb.*" But you won't see much about it in the media. Like the Supreme Court 50 years ago, the media is under the illusion that contradicting God-given rights can be voted in.

That's not the way it works. Right is right, even if no one is right. And wrong is wrong even if everybody is wrong. Our culture sees religion as an agent of oppression. The culture's buzzword is

"tolerance." We are supposed to accept whatever people do. Some Christians paint Our Lord as the epitome of tolerance, patience, acceptance, love. Yet nowhere do we find Christ tolerating evil. Christians may never tolerate evil. But some of them are willing to. It's their "right," so they say.

Christmas, Christ's birth, the Incarnation changed how we look at everything human. Christ was human from the instant of His conception in the womb of the Virgin Mary. Human nature was taken up into God. Abortion denies every bit of that. Abortion says human life is not sacred; it's disposable. The Church categorically then condemns abortion as not the only but certainly the primary "Right to Life" issue!

We Catholics must pray—we must protest—we must vote our conscience. Human Life, even one single insignificant human life, is of the highest value. Had Maria von Beethoven lived in our so-called pro-choice" world of today, we don't know if the magnificent composer Ludwig von Beethoven would have been born. When it comes to human life, there is no choice or vote or legislation.

"*We hold these truths to be self-evident... that all men are endowed by their Creator with certain unalienable rights,*" very first among these is life. These are not "Church words." These are the words of our country, the land we love, symbolized by Lady Liberty. And we Catholics must constantly remind this grand lady of these words—echoing the principles on which she was founded—until she finally gets it!

Ask Monsignor a Question: Will you print your pro-life homily in the bulletin? (Via several emails)

Sure thing! Just look up.

Of one thing, I am convinced; of one thing I am certain: Providence never fails!

Faithfully yours in the Providence that so far had never failed us,

Msgr. Joseph F. Schaedel
