# A MESSAGE FROM FR. MILLER/OTHER

Friends,

Peace be with you.

I hope you are still feeling the joy of Christmas even as we have reached the time period when we're more dealing with garbage bags of wrapping paper and determining which boxes we should keep because they're good boxes and which have outlived their usefulness. I hope you were able to see your children and grandchildren, even if it had to be done virtually, and that it was nice to be able to catch up for a little while. I'm guessing some of you are going to have Christmas gatherings with some family and friends on Sunday to keep the festive spirit going.

Still, I understand if it hasn't been an entirely festive season for you. I've been talking with a lot of people who just feel down in the dumps. It may be due to the absence of snow on Christmas or missing some key family or friends. Or it may just be because this can be a hard time of year. It's important to reach out and support people so I hope you know of my support for you and I hope you will feel the support of our Christian community as well.

Now that the gift-giving part of Christmas is starting to wrap up, we turn our hearts to what would normally be our next celebration, Mary Mother of God/New Years. As I said last week, we will only be having one mass for what is normally a Holy Day of Obligation because this year, since it falls on a Saturday, it is not obligatory. Nonetheless, it is still a worthy celebration to remember in the midst of the Christmas season. Just one short week after we remember the birth of the Lord, we remember that he had a mother and we celebrate her willingness to say yes to being Jesus' mother. Celebrating Mary as the Mother of God is one of her oldest titles. Even if it is not obligatory, it's still a good and worthy act to say a rosary or one of your favorite Marian prayers that day. The monks at Conception Abbey have been praying the prayer Pope Francis wrote for the pandemic during their night prayer. It would be a worthy prayer to pray for protection of the sick, not just of coronavirus but from all illnesses.

O Mary, you always brighten our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who, at the Cross, took part in Jesus' pain while remaining steadfast in faith. O loving Mother, you know what we need, and we are confident you will provide for us as at Cana in Galilee.

Intercede for us with your Son Jesus, the Divine Physician, for those who have fallen ill, for those who are vulnerable, and for those who have died. Intercede also for those charged with protecting the health and safety of others and for those who are tending to the sick and seeking a cure.

Help us, O Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who took upon himself our sufferings and carried our sorrows, so as to lead us, through the Cross, to the glory of the Resurrection. Amen.

Under your protection we seek refuge, O Holy Mother of God. In our needs, do not despise our petitions, but

## Message from Fr. Miller continued

deliver us always from all dangers, O glorious and blessed Virgin. Amen.

# A MESSAGE FROM JULIE SCHMIDT/OTHER

## Catechist Corner from Julie Schmidt

After just celebrating the birth of Jesus, we now take time this weekend to honor and celebrate, not just Jesus, but also his parents, Mary and Joseph, in the Feast of the Holy Family; Jesus, Mary, and Joseph.

For those of you who have children of your own, think back to those first few days with your first-born child. The excitement, the tiredness, the awe that those doctors are really going to let you take home this baby all by yourself! Now imagine being in a stable on the edge of town, away from your families. The Holy Spirit had to be with Mary and Joseph - in order to do what they did then and the months following Jesus's birth. And then throughout the life of Jesus we hear over and over again how much the Holy Family relied on the Holy Spirit.

It is this same Holy Spirit that is with all of us, giving us strength and guidance when life happens and we are faced with challenges or difficulties. I think back over my own life and am grateful for my grandparents and parents, who modeled this reliance on the Holy Spirit to guide them and support them over and over again. My grandparents had their friends and family and my parents had their parish and CEW community. What or who do you have in your lives to remind you of the presence of the Holy Spirit in your daily life?

If you are searching for that support, I encourage you to seek the Lord in Adoration, sitting face to face with Jesus, asking for His intercession. We offer Adoration at St. Joseph every Saturday morning from 8:00-9:00 am. Or maybe you are looking for human interaction or support, maybe it is time that you take part in a retreat day for yourself. Joseph and Mary couldn't take care of Jesus if they weren't first taking care of themselves. Our parishes will be hosting the Archdiocesan Women's' and Men's' Conferences on the St. Joseph campus at the Kruse Center- check the back of church in all of our parishes for registration information. May we all find the strength and inspiration to emulate the love of the Holy Family in our daily lives.
