### Hope for the Future, Help them Today:

Since June of 2016, there have been 10 new priests ordained for service in our diocese. This is a great sign of hope! We can each do our part to support the Vocation Mission by participating in the annual Seminararian Collection. A letter will arrive in your mailbox this week asking for your help. The money donated will benefit the education and formation of our own seminararians and support the growth of priestly vocations. Next Sunday, Seminararian Matt Faucett will speak so we can hear about his calling and how we can help.

### Edge & Life Teen – Middle & High School Religious Education

Please stay tuned for more information on the upcoming Mission Trip Thank You Dinner. We are looking at a week-night mid-August (don't worry, it won't be during the Fair). All will be welcome to come and hear all about the incredible journey our high school students took a few weeks ago. We want to thank you in person, show you pictures, and tell you all about it. FREE spaghetti dinner!

August 17 and 18<sup>th</sup> we are heading to Badger Sports in Appleton for an overnight lock-in experience! All middle and high schoolers are welcome. Cost will be \$35. This event will take the place of our annual Lock-Out. We think the students will enjoy this better! Parents, stay tuned to your e-mail and your mailboxes for more information on how to register your son/daughter.

August will be a very busy time for youth ministry. We start prepping for the new school year, recruit new volunteers, we have our mission trip thank you dinner, meet with teenagers on a regular basis (which includes Sunrise & Scripture and Sunset & Scripture), we head to Appleton for the Lock-In, and plan a senior send off for those heading to college in the fall. We are looking at possibly having a few days of service locally for middle and high school students. It isn't set in stone yet, but parents, stay tune to your e-mail for more information! We may put off this idea until the fall so we can get more students involved and make it even bigger/better!
