Let us remember and be encouraged by these words from Scripture: "Cast all your anxiety on Jesus because He cares for you" (1 Peter 5:7).

We are allowed to open to a capacity of 25% while maintaining social distancing rules. There will be ushers available at each Mass that will be handing our worship aids and directing you to seating arrangements. See statement below from the Bishop of our Diocese:

"As we continue to safeguard human life and the common good in the Diocese of La Crosse I believe that a slow controlled return to the public celebration of the sacraments is necessary and in our best interest. The COVID-19 pandemic has required a great sacrifice for the Catholic faithful restricting worship and active participation in the sacramental life of the Diocese of La Crosse and beyond. After much prayer, extensive consultation with the Bishops of our State, clergy and community leaders, I am happy to announce that we will begin a gradual reopening of our churches beginning May 31, 2020. I ask the Catholic Community to use extra caution and good judgement in determining if you should attend Mass. The Sunday Mass dispensation continues for those concerned about the Coronavirus threat because of age, health condition or other reasons," said Bishop Callahan.

Daily Confessions - 6:30 am to 7:00 am
Saturday: 3:00 pm to 4:15 pm.

Eucharistic Adoration Chapel is open all days from 6:00 am to 8:00 pm.

GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE
July 19, 2020 - 16th Sunday in Ordinary Time

Grace and sin, belief and unbelief, good and evil all exist together. While we wrestle with these two dimensions of reality inwardly, they are also witnessed in the actions and words of others. Many, all too often, beat themselves up because of their sin. We are also all too quick to pass judgment on others whom we perceive to be in error and walking down a wrong path. God does not make rash judgments, nor should we. Patience is the order of the day as is an understanding that God is ultimately the caller of the shots.

Our faith tells us that while God allows the wheat and the weeds to coexist, the wheat will always triumph. As long as we can cultivate even a little faith and a small measure of desire for God, He can produce abundant blessings and good things. Even when the weeds seem to have triumphed, there still may be a small measure of faith remaining that can be cultivated and grown. It doesn't take much! Unless a person totally allows the weeds to reign, there is always to be found at least a small

measure of faith, good, light, and love. With even this small portion, God can produce abundant growth.

Admittedly, it is easy to give into the weeds, and they grow very quickly. Any gardener knows this to be true. Sometimes, the weeds even seem more attractive and vibrant. Dealing with weeds can quickly become a losing battle, and they can look healthier and grow faster than the very plants we are trying to protect. It's easy to give into them and let them win. While God will deal with all things in due time, we are responsible for keeping things in check in the short term. It is our task to keep our eyes fixed on God's presence and mercy. We are asked to avoid judgment. And, it is not our responsibility to deal with the weeds in someone else's garden, only our own. One garden is enough responsibility for anyone.

Weeds have power. We have to realize this. While they can appear attractive and healthy, they can quickly choke us off from God's presence. Our task is one of maintenance and cultivating a desire for God. Even the smallest kernel of faith can grow into something wonderful. In God's time, the eternal harvest will come, and we will no longer have to worry about the weeds.
