The Feast of the Assumption of the Blessed Virgin Mary

This year it is NOT a Holy Day of Obligation.

By looking at Mary's Assumption into Heaven we understand better that even though our daily life may be marked by trials and difficulties, it flows like a river to the divine ocean, to the fullness of joy and peace. We understand that our death is not the end but rather the entrance into life that knows no death. Our setting on the horizon of this world is our rising at the dawn of the new world, the dawn of the eternal day."

Pope Benedict XVI

Gospel Meditation
A Deeper Understanding of Scripture

An inward transformation occurs in a person who decides to follow Jesus Christ. Things change. They see the world differently, understand their journey more deeply and profoundly, have their sights fixed on eternity and union with God and hold themselves to higher standards and virtues. It requires a conscious choice to be a Christian, and this choice must be renewed at least daily. While the basic premise of Jesus' message may appear heartwarming and straightforward: love of God, neighbor, and self, the implications of doing so are challenging. The true disciple is called to live radically, and often finds themselves at odds with the world or even with those in their own homes.

Holding ourselves to higher standards comes with a price. We have to leave other things behind. It is difficult to be people of faith, hope, and love in a world often fixated with its own fulfillment and self-absorption. Justice, temperance, prudence, and fortitude require sacrifice if they are to be lived with integrity. God's ways are not ours. This becomes crystal clear to those who have enough courage to stand against the tide. Putting love into action requires that we challenge accepted modes of doing business and fight complacency. This is what makes the saints stand out as witnesses. They are simply sinners, just like us, who persevere.

People do not want to be told that they're sailing their ships in the wrong direction. Clinging to their insistence and need to be correct, they can become defensive when challenged. This can happen even with those closest to us. As much as the Gospel calls us to unity, it also can easily create division. When we love seriously, we encounter more than feelings of warmth and acceptance. "What does love look like? It has the hands to help others. It has the feet to hasten to the poor and needy. It has eyes to see misery and want. It has the ears to hear the sighs and sorrows of men. That is what love looks like (St. Augustine)." Love also has the courage and honesty to tell people what they may not want to hear but need to, and model, without wavering, a life of humble, loving, and faithful service. Don't lose heart! There are many examples of faith before us and around us. If Jesus endured the voices of opposition, so too can we. There is no need to apologize for speaking the truth.

August - The Month of the Immaculate Heart of Mary

Feast Day August 19th
St John Eudes

"Immaculate Heart of Mary"

Used with permission by Catholic News Agency

Historically, devotion to the Heart of Mary grew up in parallel, but at a lesser intensity than that of devotion to the Heart of Jesus, only starting to become more prominent during the time of St John Eudes. John Eudes was born in 1601 in Normandy, France. He entered the Congregation of the Oratory of France, founded in 1611 by Cardinal de Berulle and was ordained to the priesthood on December 20, 1625.

St John brought people to love Christ and the Virgin Mary by speaking tirelessly about their Hearts, the sign of the love God shows for us and the communion to which we are called.

To offer them liturgical worship, he composed Masses and Offices in their honor and had the first Feast of the Holy Heart of Mary celebrated on February 8, 1648, at Autun (France) and the Feast of the Heart of Jesus celebrated on October 20, 1672. He died on August 19, 1680 and was canonized by Pope Pius XI on May 31, 1925.

Nevertheless, it was not until after the Apparitions at Rue du Bac concerning the "Miraculous Medal" made to Catherine Labouré in 1830, and the establishment of a society dedicated to the Immaculate Heart of Mary, at the Church of Our Lady of Victories in Paris in 1836, that this particular devotion became really well known.

Since then devotion to the Immaculate Heart of Mary, has gradually grown more widespread in the Church, particularly since the apparitions at Fatima.

The main difference between the devotions to the hearts of Jesus and Mary is that the one concerned with Jesus emphasizes His divine heart as being full of love for mankind, but with this love for the most part being ignored or rejected, while devotion to Mary's heart is essentially concerned with the love that her heart has for Jesus, for God.

Therefore, it is not an end in itself, so the love of her heart is meant to be a model for the way we should love God. The fact that her heart is immaculate, that is sinless, means that she is the only fully human person who is able to really love God in the way that He should be loved.

Honoring Mary's Immaculate Heart is really just another way of honoring Mary as the person who was chosen to be the Mother of God, recognizing her extraordinary holiness and the immense love she bestowed on Jesus as His mother, the person who was called to share in and co-operate in His redemptive sufferings.

The aim of the devotion is to unite mankind to God through Mary's heart, and this process involves the ideas of consecration and reparation. A person is consecrated to Mary's Immaculate Heart as a way of being completely devoted to God. This involves a total gift of self, something only ultimately possible with reference to God; but Mary is our intermediary in this process of consecration.

Because of the strong analogy between Jesus and Mary, the consecration to Mary's Immaculate Heart is closely linked to the consecration to Jesus' Sacred Heart, although it is subordinate and dependent on it. That is, although the act of consecration is ultimately addressed to God, it is an act that is made through Mary.

US Bishops’ Action Alert: “Respect for Marriage Act”

Tell Senators to say “No” to codifying Same-Sex “Marriage”

In response to the life-saving overturning of *Roe v. Wade*, Congress instead of stepping up to assist women and children in need, is moving furiously to lock in other anti-family priorities.

The “Respect for Marriage Act” would prevent states from restoring the authentic understanding of marriage between man and woman, if given the opportunity by the Supreme Court.

It is critical to protect freedom for people like small business wedding vendors and faith-based foster care agencies who serve their communities.

Please tell Senators Ron Johnson and Tammy Baldwin to vote “No” on the poorly-named “Respect for Marriage Act”. To make your voice heard, and for more information, visit www.voterve.net/USCCB/home.

Eucharistic Adoration

Thank you to all those who came forward to fill the necessary Holy Hours on Wednesdays. With our committed St. Matthew members, I'd like to reach out to more of our parish family to consider signing up for an hour of adoration on Wednesdays from 9:00 am - 5:00 pm so that we could have two or more "adorers" on each hour.

The same Jesus that we receive at Mass - *Body, Blood, Soul and Divinity* - is waiting for us to "visit" Him in Eucharistic Adoration. This is an extension, a reaching out to Him with our love and thanksgiving for all that He has sacrificed for us. Think of all the graces being poured out from our Loving Lord upon each adorer - family, friends, community, nation, and our parish of St. Matthew!!

To spend time with Him is to become more like Him (2Cor 3:18).
If you feel the Lord calling you, please call me! **Nancy 715-675-6796**
