St. Vincent de Paul

Spring is on its way, and it is back to basic necessities at Boulevard Place. While food is always needed, the special drive for April is toilet paper towels, and Kleenex. Please remember that many of the clients have to walk, so large bundles would be excessively cumbersome. Many

thanks for your thoughtfulness.

The Christ the King St. Vincent de Paul Conference is deeply grateful for your many contributions to us, both on fifth Sundays and at other times. These are the funds we depend on to help those in need, both individually and collectively. In the past three months, we have been able to replace household items lost in a devastating fire, purchase much-needed toasters that were otherwise unavailable, provide \$2000 each to the Pratt-Quigley and Boulevard Place food pantries for fresh fruits and vegetables for their clients, and give \$1000 to Team Rubicon to help the Afghan refugees at Camp Atterbury. Your desire to better the lives of others is so appreciated. Thank you!

LIVE THE LITURGY

Inspiration for the week

Alleluia, Christ is risen! What a glorious and holy day. The resurrection of Christ speaks of freedom, new life, restored faith and enduring, unconditional love. The huge stone, separating death and life, has been moved, allowing God's radiant power to usher in eternal life. When we see the truth of Christ's resurrection through eyes of love, we see the fullness of timeless beauty, truth, and wonder revealed. The emptiness of the tomb is filled with the eternity of love. We have many stones and boulders blocking the path to freedom, love, and joy. They are often too big for us to move, and they cripple us. We can take a leap of faith today and believe with all our heart, mind, and soul that there is much more than can be seen by the naked eye. There is something very holy, sacred, and eternal stirring within us. We want to live forever! Christ's resurrection brings us joy and allows us to see ourselves as we are meant to be seen, as God's children destined for glory!

SAINT OF THE WEEK

St. Anselm of Canterbury left his home in Italy to travel as a young man and ended up at the monastery in Bec, France, which was known for the teachings of its leader, Lanfranc. Anselm rose quickly to become abbot of the community and his writings are now compared in importance to those of St. Augustine.

In 1093 Anselm was appointed Archbishop of Canterbury by William II Rufus, the son and successor of William the Conqueror. However, at the time there was a controversy in Europe over whether kings or the pope had the power to invest bishops. Anselm, who believed only the pope should have the right to invest an ecclesiastical authority, spent much of his time as Archbishop exiled in Rome.

St. Anselm's teaching and works of theology are his most important contribution to the Catholic faith. He is considered of the fathers of scholastic theology and his chief achievement in philosophy was the ontological argument for the existence of God. His work *Cur Deus homo?* taught that atonement for sins could only be achieved through Christ. He was canonized in 1494 and named a Doctor of the Church in 1720.
