New Secretary Message: We Welcome Katrina Harris!

Hi! My name is Katrina Harris and I'm excited to be your new parish secretary. I grew up in East Central Minnesota, but I've always been a Packer fan! I am the middle child, with an older brother and a younger sister. We lived in the country with a wide range of pets - including whitetail deer, rabbits, guinea pigs, hedgehogs, pheasants, birds, cats and dogs! This is where I acquired my love of the outdoors, we spent a lot of time camping, snowmobiling and hunting.

I attended college at Winona State University, where I met my husband of 17 years, Tom at the Catholic Newman Center. During college I spent a lot of time walking around the lakes and mountain biking in the bluffs, but most of my free time was spent at the Newman Center. I even worked there for a few years as an outreach coordinator. I was also a part of the Outreach Ministry Team with St. Mary's University and we would lead confirmation retreats around the diocese. It was also during college that I found my love for daily Mass - even if it's only going to one extra Mass a week, it's something I enjoy doing to this day. I graduated from college with my Bachelor in Science degree and just a few weeks later married Tom. We moved to Medford, WI, where he grew up and lived there for 15 years before moving to New London. In Medford I spent most of my time raising our four children: Trevor, Kaylee, Evan and Isaac. All 4 attended the Catholic School in town, so I spent a lot of years helping with the Home & School association and subbing at the school. It's been a blessing to have spent that time with them, it goes so fast! They are now 16, 14, 10 and 8!

Moving here was tough with it being even farther from my parents, but it has also been such a blessing! We found out that we'd be moving as my dad's health started to decline, so being even further from Minnesota was tough, but since then he's endured so much and this past fall he was blessed with a new heart and is doing well! The move also brought us an amazing house on some property that we use year-round. Trails for hiking and riding our four-wheelers, bow-hunting out my back door, and plenty of maple trees to make our own maple syrup! I also have my own space for my small t-shirt (and more) business! We are loving all the space we have (both inside and out) compared to our old house.

We're slowly getting to know the area, the pandemic has made that a bit difficult, but we're getting there! We have been camping in new locations, mountain biking, kayaking, hiking and meeting some amazing new people! I look forward to meeting you all, please stop by and introduce yourself! I'd love to hear a little about yourself, whether it be your hunting stories, great places to camp and hike or other fun things to do in the area!

The Assumption of the Blessed Virgin Mary

They are courageous, wise women who ground us, focus us, and inspire us. They are the good mothers who walk with us and light our way. They teach us life lessons and help us heal and navigate through challenges and difficulties. We need people to point the way. Sometimes, these wise ladies are not our biological mothers but women in our lives, who through their strong and faithful presence, anchor us and remind us that we are loved. We need these women. Human beings do their best when they have cheerleaders in their lives. They show us that even when facing despair there is always a brighter tomorrow.

Jesus needed his mother. She had to be that faithful anchor, that guiding presence, in his life. Jesus needed to be affirmed and encouraged just like any other human being and Mary had to be there, right by his side, doing precisely that. Even when her heart was pierced as he was nailed to a tree, she did not give up hope. Most certainly, she continued to wait, watch, hope, and love until he took his final breath. That's what mothers do. Even when their heart breaks, they persevere.

Today, our Blessed Mother is our cheerleader once again. Taken up to heaven in body and soul, she points to and directs us toward our final destiny. Life eternal waits! Any disappointment, fear, or anxiety can be set aside as she gently reassures us of God's love and promise. Always a mother filled with grace and hope, she calls us to reaffirm our faith in God and in the gifts we have each been given. We can persevere and do what we need to do to live life well, with faith, hope, and love as our guiding lights. Knowing who we are and who we will one day become helps us to better chart the course and direction of our earthly lives. Looking to the example of our Blessed Mother, we receive the assurance we need. ©LPi

The Assumption:

Question:

What lessons should I learn from the Assumption of Mary?

Answer:

Growing in holiness is similar to training in a sport. We need someone to show us how we can live our faith well. Mary is a model of sanctity. She shows us how to be faithful to God's will, living each day with confidence in God's mercy and love. At the Nativity, in Jesus' public ministry, and at the Crucifixion, we see her steadfast trust. She allows the Lord to use her life to accomplish his plan for her and for all of us. In the Preface of the Mass for the Assumption of Mary, we pray: "For today the Virgin Mother of God was assumed into heaven as the beginning and image of your Church's coming to perfection and a sign of sure hope and comfort to your pilgrim people."

It is this image of holiness that we strive to imitate. In the office, at home, or in our community, we look for signs of God's grace that call us to an ever greater love of him and each other. A greater awareness of God is a sign of our conversion of heart that lives the lessons Mary teaches. ©LPi
