EUCCHARISTIC MIRACLE

This Miracle happened in a small rural Church in the county of Kannur, Kerala, India near the hometown of Father Sebastian.

Father Thomas Pathickal, the Pastor of Christ the King Church was offering a weekday Mass on November 15, 2013 as usual and after the Consecration he elevated the Host and Chalice; then continued with the prayers, keeping his attention on the Missal. When it was time for the second Elevation of the Eucharist he looked at the Host and he couldn't believe, he saw this image of Jesus on the Host. He was overwhelmed and had a dizzy spell and sat on a chair for a while. After coming back to his senses, he showed the image to the people in the Church and the news spread all over and so many people reached the Church. The Diocesan Office came to know about it and the Host was taken away by the office. A few Theologians questioned the priest and the sacristan and also observed the Host for 5 years in the private chapel of the Bishop and it remained intact. In my country the hosts are made very thin and fragile. Also due to the high humidity and heat they cannot even survive a few months. Having been convinced of a real Miracle, finally the Diocese returned the Eucharist to the same Church in 2018 and it is kept there in the Monstrance for the public to visit. I myself went there and prayed before the Eucharist for a while and took pictures with my cell phone. I also met Father Thomas who is in another parish now and heard him directly.

This is a testimony from Father Sebastian,
Pastor of Holy Name of Mary Church
