Saint on a Bicycle-
I could not have been more than 19 years old when I met the dear Maryknoll priest, Fr. Joe. I was a student at Purdue University and he came to visit one of his friends at St. Thomas Aquinas, the Catholic Newman Center at Purdue. He was our guest speaker and all were excited! I was put in charge of getting his lunch. I decided to make both of us turkey sandwiches. He was very gracious and ate his lunch without a complaint. However, afterwards I found out he was a vegetarian! That is not all I remember about Fr. Joe. His stories inspired me to always make room in my life for the poor.

Fr. Joe served in a rural parish in Chile for over 50 years and he did so on a bike. He biked his way to the rural outreaches, over mostly dirt roads, to bring the Gospel and the sacraments to his parishioners. He was known by the people as a cheerful and prayerful man who lived among them.

Father Cappel died in 2004 and is in process of canonization. The people of rural Chili loved him because they experienced Christ through his living.

Greetings from Holly Cerveny, Principal of St. Joan of Arc

As Father’s Day falls after school has let out for the summer, our dads don’t always get the recognition they deserve. We have absolutely wonderful dads who are part of our community, and this weekend, as well as all year round, we honor you! Thank you for your amazing contributions to our school!

Happy Father’s Day to all dads and father figures out there, you make a difference in our children’s lives!
