We will be doing a pew count for the month of October per request each year of the Diocese. Thank you

Here are 7 reasons we really do **NEED** to take up our beads every day and pray. From Catholic Sprouts Web page.

#1 We NEED the Rosary to fight daily temptation.

The devil is real and relentless. He wants nothing more than to see us fail back into sin and break our relationship with God. But, do not despair.

We have a powerful advocate, one that Satan fears above all others: Mary.

When Mary was assumed into Heaven and crowned by her son. She became Queen of not just Heaven and Earth, but also of Hell.

She has dominion over Satan and he flees when she stands beside her faithful servants.

And so, in moments of temptation, when you feel weak before those old sins, cling to the Rosary. Pray for Mary to be with you and she will protect you from the lies of Satan.

See reason 2 and 3 in next week's bulletin.

GOSPEL MEDITATION
October 3, 2021
27th Sunday in Ordinary Time

Archbishop Fulton Sheen said, "It takes three to make love, not two: you, your spouse, and God." Apart from the incarnation of God in Jesus Christ, nothing speaks better of God's incarnate love than marriage. God designed it this way. We place great value on love and rightly so. What we fail to realize, however, is that love, its very presence and place in our lives, is not simply part of the human package deal. Love comes from God. It is one of God's greatest gifts to human beings. When we begin to realize that our very ability to love is sacred, it changes up how we see the essence of life, and purpose and sanctity of marriage.

God is love. It stands to reason then that if we follow the path of unconditional, self-emptying love we will then stumble upon God. It is precisely this intimate wedding of God with love that gives such eloquence and honor to the love between husband and wife. As a living sign of Christ's love for the Church and for humanity, husbands and wives speak volumes of God's unconditional incarnate love for all of his children! The Divine power that brings unity and life to marriage is so strong that once joined, it really cannot be separated.

Admittedly, marriage covenants can be extremely difficult to negotiate and, at times, very painful to experience. God's perfect divinity always meets our broken and imperfect humanity. God is okay with this setup as he created it this way. Our loving is never as unconditional as God's and often tainted by our own imperfections, needs, memories, hurts, sinfulness, and weakness. All of this baggage negatively impacts even the most well-intentioned marriages, causing them to be hurtful and empty. We are love works in progress. God can succeed in perfecting our love only if we keep our eyes fixed on him as the source of that love. That's why marriage is always about three and not just two.

The Divine intimacy at the heart of marriage is what can make them celebrations of great union and happiness. Couples who are still madly in love with each other after many years, still looking at each other with that timeless twinkle in their eyes, best tell the story of God's oneness with humanity. Honor, celebrate, and support those who have accepted a vocation to marriage. Living in a world that easily pulls relationships apart, may they find hope and inspiration from their faith companions who are on the same journey!

Local Event: FOLLOWING JESUS IN A CULTURE OF FEAR Presented by Tony Pichler Thursday October 14, 2021 6:30 pm - 8:00 pm Cost: \$10 The phrases "Be Not Afraid" and "Peace Be With You" appear more times in the Gospels than any other words. Yet, in our 21st century culture there seems to be so much to fear: Covid-19, gun violence, racial division, failure, job loss, and of course the big one--death. Discover the Christian virtues that can help defeat the fear, suspicion, and control that affects our world today.
