**GOSPEL MEDITATION -
May 7, 2023
5th Sunday of Easter**

If you had to summarize the essential core of the Christian life, what would it be? Mercy, truth, or love, perhaps? The readings today suggest another word which may surprise you. That word is *priesthood*.

St. Peter says to us, **“You are a ‘chosen race, a royal priesthood...”** To be part of a priesthood is to offer a particular sacrifice in order for the community to survive and thrive. Jesus is the great high priest because he offers the one perfect sacrifice which heals and perfects the entire human race. Peter the Apostle wants us to know that all the baptized share in this priestly ministry. The whole of our lives, including every detail, is meant to become our acceptable offering to God.

The baptized exercise this priesthood in many ways, I’ll mention three. At Sunday Mass, in private prayer, and in daily work. At Mass, we offer the sacrifice of our lives with that of the priest, who symbolizes Christ the Priest. In our prayer, a “morning offering” prayer is a great way to offer up all the joys and sufferings of the day to come. In our daily work, we sacrifice our time, comfort, money, and energy to do good for others. All this gives the deepest possible meaning to our lives: we share in the priesthood which saves the world. That’s at the core of our faith.

— *Father John Muir*

Pope’s Intention for May We pray that Church movements and groups may rediscover their mission of evangelization each day, placing their own charisms at the service of needs in the world.

**Question of the week ???
Whom in my parish or in the wider community do I feel called to serve? How can I serve them and bring them on our journey to the Lord?**

St. Damien de Veuster of Moloka’I | May 10

People may be familiar with leprosy from Biblical times, but not so much in the 1800s. However, St. Damien de Veuster of Moloka’I (January 3, 1840 – April 15, 1889) would eventually shed a light on the effects of this devastating disease and allow people to see those afflicted with it with more compassion and love.

Born Joseph de Veuster in Tremelo, Belgium, he quit school at 13 so he could work on the family farm. Feeling called for more, however, he entered the Congregation of the Sacred Hearts of Jesus and Mary six years later, where he took the name of a fourth-century physician and martyr. His brother, a priest from the same congregation, fell ill and was unable to go to his assigned location. Damien quickly volunteered in his place and found himself on the Hawaiian Islands in 1864. Two months after arriving, he was ordained a priest of Honolulu and assigned to the Island of Hawaii.

In 1873, he visited the Hawaiian government’s leper colony on the island of Moloka’I, where he petitioned to stay permanently to care for their physical, medical, and spiritual needs. After years of working to improve their location and those who lived there, he contracted Hansen’s disease and died of its complications. St. Damien was canonized by Pope Benedict XVI on October 11, 2009.
