OUR MISSION

"Drawing all people
into Christ."

A SEASON OF HOPE

A Prayer of Hope for the New Year!

Your hope dear God, transforms every aspect of our lives; anxiety and fear are diminished in the light of hope; doubt becomes confidence with the grace of hope.

Thank you God for the promise of hope to all who believe, and inspire us to give this gift of hope to others.

Wishing you hope and peace through the power of God's love.

CONVERSATIONS ON the Journey

Someone recently asked for a recommendation for a new Bible. He said the version he'd been using for years was a Protestant translation. He wanted to buy a Bible that includes the 7 books that are included in Catholic Bibles. He was also looking for a translation that has a good amount of commentary.

The screen shot above is from the USCCB (United States Conference of Catholic Bishops) website. usccb.org

When you hover over the BIBLE Menu you'll see several helpful Bible links.

The first menu item – UNDERSTANDING THE BIBLE includes 10 points for fruitful Scripture reading.

The next menu item – BOOKS OF THE BIBLE provides a quick way to get to a book in the bible. It is organized by Book and Chapter. I use this link often.

The third menu item – APPROVED TRANSLATIONS provides a list of approved translations of the Sacred Scriptures for private use and study. There are also different styles of translations. These include formal and dynamic equivalence. These styles matter and can effect your reading and interpretation.

My personal favorite is the Navarre Bible series. The Navarre New Testament comes in a single volume and the Old Testament consists of multiple volumes. The commentary is rich and includes references to the Catechism, quotes from Saints, and other resources. The amount of commentary helps provide a greater understanding of the Scriptures.
