## Joint Christmas Message For St. Patrick And Our Lady Of Humility

Christmas has arrived, and we celebrate the birth of Jesus the Christ some two thousand years ago. A Special Welcome goes out to any visitors, newcomers, or those who have been away. The Pastors of St. Patrick and Our Lady of Humility Church welcome you to our Christmas celebrations!

On this special day, families and friends come together. In some cases, we may not have seen our loved ones for a long time — there is so much to catch up on. Getting together often means sharing a solemn meal, and we enjoy renewed fellowship, and the excitement seen in our children in the giving of gifts. There is something so special about Christmas.

Above all, our celebration should be about the birth of a baby, Jesus. During this sacred time of Christmas, Baby

Jesus, with His non-threatening, little arms, reaches out to us. He has come to do what we cannot do: to save us from our sins. Only Jesus saves. Our hope is that in this coming year we will all resolve to walk more closely with Jesus through daily prayer and regular Sunday Mass attendance.

The birth of a baby brings family and friends together, inspires our hope, and dreams for the future of that child and family. As the people of St. Pat's and OLH continue to move forward in uniting as one parish community, it's as if we are creating our own new child, and we're invited to have and share new hopes and dreams as well for this new creation. Just as a newborn baby brings new life and energy into a family, we too are invited to embrace our future with great vitality and enthusiasm, trusting that the Lord is leading us.

*How will our celebration of Christmas change us?* New life is offered to us, Jesus' current disciples. We are offered new joy, new courage, and new possibilities to share the Good News of Jesus Christ. For us, just as for the first Christians, Christmas means accepting the new life Jesus offers, in every form, and being willing to embrace change.

The Renew My Church process echoes the whole Paschal Mystery. There has been pain and some loss, but already new life is coming forth as the people from St. Patrick and Our Lady of Humility move forward with our uniting. Fortunately, our parishes have already been proactive in working together over the years. We have collaborated on a number of evangelization initiatives such as the popular "*Light of the World Retreat*" and "*Called and Gifted*". Together we hosted at St. Patrick's a much-appreciated Parish Lenten Mission. For now, we pray, as we await the announcement of a new pastor, no later than early March. Shortly thereafter, we will begin the process of choosing the new parish name, announcing the reality of the new life represented in our united parish family.

The success of this new life depends on the willingness of each of us to foster and nourish its preciousness as the new experience it brings begins to grow within us. Consider visiting the church you do not regularly attend for liturgy, and pray with that community. Pray each day for all the people of our new united parish. Pray that we can allow the Lord Jesus to open our hearts, and continue to enrich the new life within us! Merry Christmas!

Father Jim Merold  
Pastor, St. Patrick Catholic Church

Father Paul Stern  
Pastor, Our Lady of Humility Catholic Church

## Epiphany Blessing Of Chalk For Your Home

Each year around the Feast of the Epiphany, many parishes throughout the world participate in an annual Blessing of Chalk. It is an ancient tradition that not only places God at the entrance of your home, it places your entire family under His protection. It is a powerful blessing that lasts the whole year.

### What does the inscription '20 + C + M + B + 22' mean?

The letters have two meanings. First, they represent the initials of the Magi – Caspar, Melchior, and Balthasar – who came to visit Jesus in His first home. They also abbreviate the Latin phrase, *Christus mansionem benedicat*: "May Christ bless the house."

The "+" signs represent the cross, and the "20" at the beginning, and the "22" at the end mark the current year. The chalking of the doors of a home encourages Christians to dedicate their life at home to God and to others. Seeing the symbols over our doors can help to remind us, while passing in and out on our daily routines, that our homes, and all those who dwell there belong to Christ. It also serves as a reminder of the welcoming the Magi gave to Jesus. We should strive to be as welcoming to all who come to our homes to visit us!

If you would like further information or would like to have the chalking of the door, please contact Vera Rosado at: verarosado@yahoo.com, or call: (847) 682-9897. You may also go to SignUpGenius at:

<https://www.signupgenius.com/go/508084EABA628ABFD0-epiphany>

The Chalk Blessings are from January 1st to January 6th.

## Tax Credit 2-For-1 Match

Many OLH Families need assistance with their tuition, and are in need of your help! Any donation to Empower Illinois earns you a 75% Tax Credit on your Illinois Taxes, and for a limited time earns OLH double your donation. Example: A donation of \$500 earns you a Tax Credit of \$375 off your Illinois Taxes, and OLH receives \$1,000 for Scholarships for families in need. The 2-For-1 Match is available now until February (or when funds are used up).

If the donation is made by December 31st of 2021, the Tax Credit can be taken on your 2021 Taxes.

## Homes For Christmas Drive

On the week of December 12th, we collected \$6,460.00 for our Special Advent Campaign. Giving us a total thus far of: \$8,160.00 collected so far. This is so wonderful! The total cost of building a house for one family is \$6,034.00. Thanks again to all our very generous parishioners!

### Everyday Stewardship – Recognize God In Your Ordinary Moments – All In The Family

At first glance, we can often find the image of the Blessed Mother, St. Joseph, and the Christ Child intimidating – *who are we to aspire to that level of discipleship? How could we ever hope to conform ourselves to that mold?* Sometimes, it can even be painful – perhaps we hail from a broken family, or struggle with a broken relationship within our family, or perhaps we long to be a mother or a father ourselves, and that state in life has eluded us.

But the image of the Holy Family is, in reality, a beautiful invitation to us all, no matter our vocation or our state in life, and the example of Mary, Joseph, and Jesus is rich with the symbolism of stewardship.

You need not be a biological mother who has carried a child in her womb to be a mother in spirit. *Who in your world needs you to love them with the heart of a mother?*

The same goes for fatherhood. The Church and the world are crying out for the courageous witness of Christian men like St. Joseph. *Who can you love with the steadfast, selfless protection of a father?*

*Who in your life needs you to love them with the faithful, unconditional love of a son? Who needs your gentle and constant love as a daughter?*

We are the Body of Christ, friends. Those of us rejoicing in Heaven, those of us suffering in purgatory, and those of us struggling here on earth. We are the great family. Let us love each other well.

–Tracy Earl Welliver, MTS ©LPi

### Gospel Meditation – Encourage Deeper Understanding Of Scripture – December 26, 2021 The Holy Family Of Jesus, Mary, And Joseph

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction, we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

*Do we believe that God is always working, guiding, restoring, and leading?* Unless we do, we will never be free from the imperfections and wounds that bind us, and never be able to understand what it really means to forgive. Pope Francis tells us that the *"light which comes from the Holy Family encourages us to offer human warmth to other families."* While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too ©LPi

## A Christmas Blessing For The Home

Loving God,  
As we gather at Christmas around the manger,  
which reminds us of the birth of Your Son, we ask You to dwell in  
our hearts and our home.

Bless every member of our family,  
and strengthen the bond of love among us.

May we joyfully praise You like the Angel Choir that announced the  
birth of Your Son to the Shepherds watching over their flocks.

May we show Your love to others with the same brightness of the Star  
that guided the Wisemen to offer gifts to the newborn King.

Make our family holy, just like Jesus, Mary, and Joseph,  
so that we may always live in peace and love.

Amen.

## The Legend Of The Christmas Tree

On the day of Christ's birth all came with gifts to bear,  
Except a little tree who cried for he had nothing to share.

Hearing his distress, God's Angel from above,  
Sent twinkling stars to grace the tree,  
And shine with all their love.

Evergreens appeared upon the limbs once bare,  
The gift of everlasting life that Jesus would declare.  
So remember when you see a Christmas Tree so bright,  
That God's love shines for us in every twinkling light.

## There's More To Christmas...

There's more, much more to Christmas than candle-light and cheer;  
It's the spirit of sweet friendship that brightens all the year;  
It's thoughtfulness and kindness, it's hope reborn again;  
For peace, for understanding, and for goodwill to men!

## The Legend Of The Christmas Star

A diamond shines no brighter than that lovely Christmas Star.  
It shines in all its' brilliance; it's seen from near or far.  
A symbol of the Christ Child as He lay upon the hay.  
It tells to all the waiting world a King was born that day.  
O' Bethlehem Star keep shining – give us faith and hope and love.  
Keep our thoughts forever turning to the Savior up above.  
Give us strength and hope and courage to do our best by far,  
And never falter in our faith as we watch that Christmas Star.
